# OBU Overview

---

## OBU in Summary

Oklahoma Baptist University is a senior level coeducational institution with an enrollment of approximately 1,900 students. About 60 percent of OBU's students are from Oklahoma, while the other 40 percent come from approximately 40 other states and 26 countries.

OBU is located in Shawnee, a city of 31,500 residents, which is 35 miles east of Oklahoma City and 90 miles southwest of Tulsa, near the geographical center of the state. OBU's 200-acre campus is on the northwest edge of Shawnee just two miles south of Interstate 40.

OBU utilizes the semester calendar plan with a four-month fall term, a three-week January term, a four-month spring term, and two four-week summer terms. The University offers 10 baccalaureate degrees: the Bachelor of Arts, Bachelor of Science, Bachelor of Science in Education, Bachelor of Business Administration, Bachelor of Professional Accountancy, Bachelor of Humanities, Bachelor of Music, Bachelor of Musical Arts, Bachelor of Music Education and Bachelor of Fine Arts; three master's degrees: Master of Business Administration, Master of Science in Marriage and Family Therapy, and

Master of Science in Nursing; and one associate's degree: Associate of Arts in Christian Studies.

OBU's curriculum features strong general studies requirements and 84 areas of concentration and majors in departments of instruction. Areas of study lead to a large number of entry-level occupations in such career areas as business, communications, education, fine arts, recreation, religious vocations, scientific and technical areas, and social sciences and services.

OBU's campus is known by the school's students and alumni as Bison Hill. The campus features 33 major buildings. These facilities include the Geiger Center, the social center for the University community; the Mabee Fine Arts Center, one of the finest music facilities in the Southwest; the Mabee Learning Center, a comprehensive library, media and learning resources center; the Noble Complex, a health, physical education and recreation center; the new Recreation and Wellness Center; the W.P. Wood Science Building; the Sarkeys Telecommunication Center, which houses television production facilities and a black box theatre; and the Sara Lou and Bob Cargill Alumni and Advancement Center, home for OBU's development and alumni offices. Thurmond Hall accommodates the Williamson Nursing

Education Center. Montgomery Hall provides classroom space and houses the Campus Ministry offices. The Bailey Business Center houses the Paul Dickinson College of Business.

## History

The Baptists of Oklahoma Territory, realizing the great need for Christian emphasis in institutions of higher learning, decided in 1889 to build a college. This institution, Oklahoma Baptist College, was located at Blackwell, Oklahoma, and was maintained until 1913.

For several years, a Baptist academy also was operated at Hastings, Oklahoma, but in 1912 it was moved to Mangum and reestablished as Southwest Baptist College, a junior college. Like Oklahoma Baptist College, this school suffered from a poor geographical location within the state, and closed in 1914.

The real founding of Oklahoma Baptist University occurred in 1906 when the State Baptist Convention, in session in Shawnee, appointed a commission to make plans for the founding of a Baptist university. In 1907, a board of trustees was elected, and in 1910 articles of incorporation were granted. The school actually opened in September 1911, in the basement of the First Baptist Church and in the Convention Hall of Shawnee.

Also in 1911, a group of individual Baptists organized an independent school at Oklahoma City under the name of Carey College, but it had to close its doors at the end of four weeks. Many of the students and a few faculty members transferred to Oklahoma Baptist University.

The City of Shawnee contributed the original 60-acre campus and the first building, Shawnee Hall, which was ready for occupancy by September 1915. Since that time, adjoining tracts of 140 acres have been added and 30 major buildings have been erected.

OBU is owned and supported by the Baptist General Convention of Oklahoma, which consists of approximately 1,700 cooperating Southern Baptist churches. OBU is responsible through the President to the Board of Trustees, whose members are elected by that Convention.

## OBU's Mission Statement

As a Christian liberal arts university, OBU transforms lives by equipping students to

- pursue academic excellence
- integrate faith with all areas of knowledge
- engage a diverse world
- live worthy of the high calling of God in Christ.

## Purpose Statement

Oklahoma Baptist University is an institution founded on Christian principles and teachings whose primary purpose is to conduct educational programs in the traditional arts and sciences and in other disciplines with the intent to prepare students for effective leadership and service in the various vocations.

The mission finds expression through a strong liberal arts core curriculum which supports degree programs designed to prepare students for careers and graduate study; through activities planned to stimulate spiritual, intellectual, social, cultural, and physical development; and through an environment that reflects the application of Christian principles and teachings.

Owned by the Baptist General Convention of Oklahoma and operated through a Board of Trustees elected by the Convention, the University engages in educational tasks in a manner consistent with the purposes of the Convention: to furnish the means by which the churches may carry out the Great Commission (Matthew 28: 18-20). To achieve its purpose, the University has adopted several goals, among which are:

- To be a Christian learning community where faith and knowledge contribute to the individual's awareness: of himself and his obligations within a diverse and interrelated society; of truth and its force; of the joy of discovery and the beauty of existence; and of the legacy of the past, the challenge of the present, and the promise of the future.
- To cultivate Christian community in which the Baptist principles of individual freedom and dignity as well as mutual kindness and respect and concern for others are stressed.
- To encourage a climate of learning where the student may develop the lifelong habit of critical thinking in the search for truth.
- To identify and communicate the knowledge, experience, and values which constitute man's cultural heritage.
- To provide opportunities for the student to engage in a serious study of the Bible and to learn the philosophy and tenets of the Judeo-Christian heritage; to instill an awareness of and an appreciation for the distinctive Baptist contribution to Christian theology and for the values inherent in the Christian faith; to encourage Christian commitment.
- To foster an awareness of the needs of the human community and the responsibility of each individual in an active life of service.

To offer a broad-based liberal arts education and specialized professional training in mutually supportive roles.

To afford the opportunity to explore the relevance of all academic endeavors to the Christian life.

To make personnel, services and facilities of the institution available to meet appropriate educational, cultural, and religious needs of its several constituencies.

To serve the Baptist constituency through the development of informed, enlightened, sensitive leadership.

*Administrators, faculty and staff members will conduct themselves and their professional activity in a manner which is consistent with the Mission and Purpose Statement of the University. All academic courses, student activities and University policies and procedures will be conducted in a manner that does not contradict the Mission and Purpose Statement of the University.*

## Campus Setting and Facilities

The University campus consists of approximately 189 acres located on the northwest edge of Shawnee. The principal buildings, excluding student housing, are the following:

**The Art Building**, a refurbished classroom and laboratory center, underwent complete internal and external renovations during 2000 making it a multifaceted studio for creative studies. The improved facility includes a gallery, ceramics area, weaving and crafts area, a printmaking area, a darkroom, computer graphics lab, a lecture hall, and two offices.

**The Bailey Business Center**, completed in 1993, is named after William S. Bailey, founder of Tulsa Royalties. The building provides office space for the faculty of the Paul Dickinson College of Business and has 16 classrooms equipped with audiovisual technology. The building also has the Tulsa Royalties Auditorium, with a seating capacity of 150, and a Hall of Fame room to honor outstanding Oklahoma business people. Two computer laboratories equipped with computer technology are located on the second floor.

**Ford Music Hall** is a three-story practice building for students of the musical arts. The generous initial gift of Mr. and Mrs. J. Lloyd Ford of Shawnee made possible the construction of this building in 1951. The building was renovated in 1981 as a result of generous gifts of the Ford family and friends. Regulation practice pianos are installed in the sound-proof, air-conditioned studios. The Howard Memorial Chapel is located on the first floor.

**The Geiger Center**, named for Al and Laura Belle Geiger of Tulsa, serves the entire academic community, particularly in extracurricular activities. The Geiger Center houses the campus dining rooms, including the Laura Scales Cafeteria, the University Bookstore, Student Development Offices, and is the location of Java City (coffee shop) and the Geiger Counter (convenience store and snack shop).

**The Mabee Learning Center**, completed in 1976, is composed of a renovation of and an addition to the University's former library building, W.L. Brittain Hall, and the faculty office building, Owens Hall. In addition to space for traditional library materials and services, this complex also includes a media services center, curriculum library, and other educational facilities. Also housed in the Learning Center are the OBU Historical Collection, the Gaskin Baptist History Collection, the Milburn Center, the Intensive English Program, and the modern language computer lab. Mabee Learning Center is named for the Mabee Foundation of Tulsa.

The Learning Center provides a place where vital learning activities occur. The Learning Center provides individual (reference desk) and group (classroom) user education in how to utilize the various print, media, and electronic formats of information resources, including online and printed subject guides for many academic subjects. The lobby of the building contains the Bison Bubble, a mini-eating area that includes vending machines and a microwave (covered soft drinks and snacks are permitted throughout the building). The lobby of the Mabee Learning Center provides the Circulation Desk, a comfortable lounge for conversation and leisure reading and the Bison Bubble, an eating area with vending machines and a microwave (covered drinks and snacks are permitted throughout the building). The lobby also contains computers for email access and web browsing, a selection of current magazines and newspapers, and collections of best-sellers, audio books, and videos. Also on the first floor, the MLC houses the reference collection, current and bound periodicals back to 1980, and a depository for selected U.S. government documents. The Stacks for the book collection are located on the second and third floors. Numerous study spaces are provided throughout the building, including tables, individual carrels, small group study rooms, and comfortable reading areas.

The collection of resources presently contains more than 600,000 items, including bound volumes, microforms, and media materials in a variety of formats. The Learning Center also subscribes to over fifty full-text databases/resources as well as numerous on-line indexes to materials covering all curriculum areas. These online resources include

almost 70,000 full-text periodical titles, over 60,000 full-text e-books, 165,000 music tracks, as well as other information sources and are available (24 hours per day / 7 days a week) from anywhere on campus or off campus with internet access. The Library also subscribes to more than 200 print periodical/newspaper titles.

The Media Center, located in the basement, supervises the use of the AV auditorium, preview rooms, and listening areas. The Center houses AV equipment available for checking out, the digital music collection and the collection of musical scores. The Curriculum Library, also in the basement, includes materials and equipment which support the teacher education programs of the University.

The J.M. Gaskin Historical Library and Baptist Archives are located on the second floor. This collection, which began at OBU in 1955, was returned to the Mabee Learning Center in 2011 after being housed in Oklahoma City for many years. In addition to the extensive personal collection of historical materials belonging to J.M. Gaskin, the Collection contains historical documents from Oklahoma Baptist churches, assemblies, associations, and conventions. It also contains the personal papers (correspondence, research studies, sermons, etc.) of many prominent Oklahoma Baptists. The E.C. Routh Library of Missions and the J.W. Storer collections are also housed in the Gaskin Archives.

The Oklahoma Baptist University Historical Collection is on the third floor. This collection holds copies of the *Yahnsch* yearbook, the *OBU Bison* student newspaper and other materials and artifacts related to the history of the University. On the other side of the third floor is the Herschel Hobbs Baptist History and Heritage Center housing the personal library, manuscripts and memorabilia of Dr. and Mrs. Herschel Hobbs, former pastor of the First Baptist Church of Oklahoma City. The Center also houses the B.B. McKinney music collection, including the original drafts of some of his most beloved hymns and memorabilia and artifacts from the Gaskin Baptist History Collection. The C.W. and Mark Brister Pastoral Studies Collection is located on the third floor near the elevator. Also on the third floor are the Milburn Center, the Intensive English Program, and the modern language computer lab.

The Mabee Learning Center participates in the statewide information network developed by the Oklahoma State Library/Oklahoma Council of Academic Library Directors. The Library also participates in the national computerized OCLC/Amigos network, which provides access to information on more than 100 million titles and a vast number of periodical holdings. These networks

are valuable for obtaining library materials on interlibrary loan from major universities, OK-Share circulation privileges at OU, OSU, and other academic libraries in Oklahoma, cataloging information, and index and full-text information databases.

Although the atmosphere of the Mabee Learning Center is informal, it should also be known that the MLC is zoned for sound levels from quiet to conversational talk to small group discussion, permitting quiet study that is important to many of its patrons. In the reference room on the first floor, you will find an information desk that is always staffed by librarians or information specialists. The librarians of the MLC are always eager to assist students and faculty in finding the materials they need for their research. The Mabee Learning Center is the research heart of the University.

**Montgomery Hall**, erected in 1916, was reconstructed in 1989 in a new location on campus. In the spring of 1990, the new Montgomery Hall opened as the campus ministry center and for more than 20 years provided classroom space on the second floor. Currently, the facility houses the Hershel H. Hobbs College of Theology and Ministry, the Avery T. Willis Center for Global Outreach, the Spiritual Life Offices, and continues to serve as the campus ministry center.

The **Eddie Hurt Jr. Memorial Track Complex**, opened just west of the old track in 2008. Bison Field, home to the OBU football program, and seating capacity for 3,500 was added to the complex in the summer of 2013 in anticipation of the return of Bison Football to the campus after 76 years.

The Jay P. Chance Track Building, named for 1956 OBU alumnus, friend, and member of the track and cross country programs Dr. Jay P. Chance, is home to the men's and women's track and cross country programs. With offices, locker rooms, and an indoor practice area, the Chance Building is a tremendous asset to the national champion track programs at OBU.

In February 2014, the Mathena Family of Edmond, Oklahoma provided resources for the construction of a state-of-the-art athletic facility which will house the OBU athletic training and sports medicine offices. Conveniently located near playing facilities for two of OBU's largest athletic programs, the Mathena Center will enhance OBU's ability to prepare student athletes for the rigors of athletic competition.

The track scoring facility was added to the Hurt Memorial Track Complex in 2011. Equipped with the latest technology for track and field scoring, this facility also serves as a restroom facility for Hurt Complex events and a tornado safe room.

**The Noble Complex**, completed in the summer of 1982, had major renovation work completed during the 2007-08 academic year. The center houses a 2,500-seat arena, a special event facility overlooking the arena, athletic training facilities, a varsity weight room, varsity basketball locker rooms, an athletic heritage center, and classrooms and offices for the University's kinesiology and leisure studies academic programs. The complex is named for the Noble Foundation of Ardmore.

**The Kenneth V. Eyer Physical Plant Building** is located at 2001 Saratoga, about three blocks south of the campus. Eyer was Plant Administrator for 42 years. The offices and storerooms for buildings and grounds maintenance are located in this building.

Originally constructed in 1949 as the home to the OBU president, the **Sara Lou and Bob Cargill Alumni and Advancement Center** underwent a complete renovation and expansion during the 2013-14 academic year. The project, funded through a gift from OBU Alumni Dr. Robert and Sara Lou Cargill, converted the private residence into 13 offices for alumni relations and development, a conference room, and event-hosting areas, while maintaining the architectural integrity of the original home. The Cargill Center serves the campus as the official welcome center for more than 24,000 OBU Alumni.

**John Wesley Raley Chapel** provides facilities for worship and assembly and houses the Mabee Fine Arts Center. The chapel was named for the late Dr. Raley, who was president of OBU from 1934-1961. The upper part of the building was completed in 1961, and the lower floor, which houses the Fine Arts Center, was completed in 1971 and was named for the Mabee Foundation of Tulsa. The chapel underwent significant renovation from 1999-2001.

The Andrew Potter Auditorium has a seating capacity of 2,000 and features the 73-rank Van Deren Memorial Organ. On the lower floor, the W.R. Yarborough Memorial Auditorium seats 400. The Mabee Fine Arts Center houses music classrooms, studios, rehearsal rooms, and the office of the Dean of the College of Fine Arts. Among the instruments in Raley Chapel are the Robertson (2011) and McGavern (1974) Harpsichords. The Robertson Harpsichord is a double manual Franco-Flemish instrument based on an original instrument by Petrus Johannes Couchet, Antwerp, 1680. The McGavern Harpsichord is a two-manual French instrument constructed in honor of Clair and Ruth McGavern, former members of the fine arts faculty.

**Owens Hall** is a three-story office building housing faculty members of the College of Humanities and Social Services and Mathematics. Originally a men's dormitory with an attached gymnasium, the

building was constructed in 1919. It was renamed in 1947 in honor of James N. "Uncle Jimmy" Owens, long time professor of modern languages. In 1958 the facility was converted into an office building. When the Mabee Learning Center was constructed in 1976, the exterior of Owens Hall was remodeled, making it the east wing of the complex.

**The Recreation and Wellness Center (RAWC)**, opened in the fall of 2007, is OBU's newest building. The two-story, 60,000-square-foot facility includes three basketball/volleyball courts, aerobic facilities, cardio-vascular workout equipment, a climbing wall, racquetball courts, a 25-meter indoor/outdoor swimming pool, a 1/10-mile indoor walking/jogging track, and offices and meeting space.

**Shawnee Hall**, erected in 1914, remains the center of the campus. Of pressed brick construction and Carthage stone trim, it serves as the University's primary classroom building. It houses Craig-Dorland Theatre and laboratories for photography, news and information, reading skills, counseling psychology and experimental psychology. The Division of Teacher Education also is located in the building.

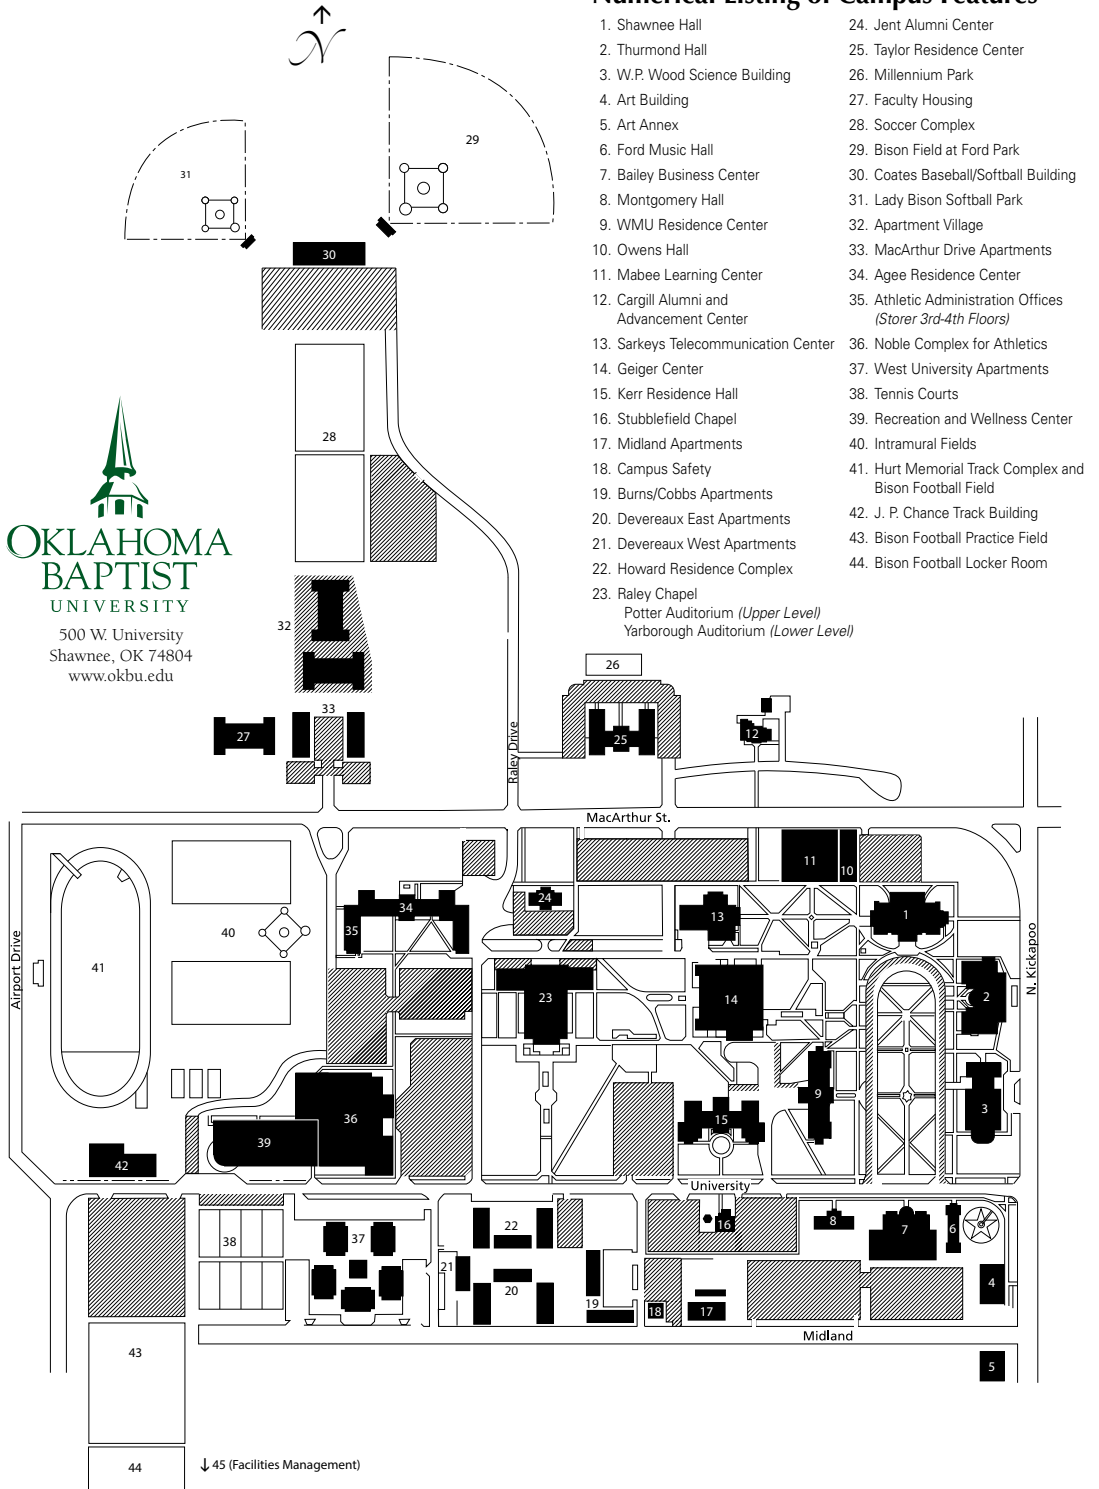

**Stubblefield Chapel**, named in honor of Cortez Stubblefield, pioneer pastor and denominational statesman, is an assembly hall. The building, erected in 1894, served as the original home of the First Baptist Church, Shawnee, and the birthplace of the Baptist General Convention of Oklahoma. It was moved to its present location facing Kerr Dormitory and was renovated in 1963.

**The Sarkeys Telecommunication Center**, completed in 1986, contains a television studio, a theatre, and offices for the Division of Communication Arts.

**Thurmond Hall**, completed in 1954, was made possible by a major bequest of Mrs. Olive Thurmond of Ardmore. The administrative offices of the President, Admissions, Financial Aid, and the Academic Center are located on the main floor. The Williamson Nursing Education Center, home of the College of Nursing, and the Business Affairs offices are on the lower floor. The top floor contains the E.E. Neptune Computer Center, computer laboratories, the W.T. Short Memorial Lecture Hall, and classrooms.

**W.P. Wood Science Building**, completed in 1985, houses the College of Science and Mathematics, science classrooms and laboratories, the W.P. Wood Planetarium, and the Bailey Science Museum, which includes the Webster Collection. The construction was made possible through a substantial initial gift from the W.P. Wood Foundation of Shawnee.

# Admission to OBU

## Admission to the University

Admission of all students to OBU is under the authority of the Director of Admissions.

Eligible for admission consideration are:

1. Graduates of an accredited high school or academy with a minimum of a B average and/ or satisfactory scores on entrance exams, usually American College Test (ACT) or Scholastic Aptitude Test (SAT).
2. Transfers from an accredited college or junior college with a minimum of a C+ average who are eligible to continue studies at the institution from which they are transferring.

Based on a review of credentials, students may be admitted on regular, conditional or probationary admission status.

Oklahoma Baptist University reserves the right to restrict or deny admission to any person who has been suspended from a school or convicted of a felony or Class A misdemeanor or any person otherwise eligible for reasons determined to be in the best interests of the institution by the officers thereof. The University also reserves the right to revoke an offer of admission to any student with

a documented disability for which the institution is not able to provide reasonable accommodation. These reserved rights shall be administered in a manner strictly consistent with state and federal non-discrimination laws.

Specific admissions requirements for the School of Christian Studies and OBU College of Graduate and Professional Studies are located on their respective pages in this catalog.

## Admission Documents

Admission to all undergraduate degree programs of the University requires the submission of the following documents:

1. **Application for Admission**
2. **Transcripts**

High School Transcript. Both freshman and transfer applicants with fewer than 24 earned college credit hours are required to submit an official transcript sent from the high school to the OBU Admissions Office, bearing signature of the school official. Freshman applicants may be admitted on the basis of an incomplete but official transcript which shows grades through

at least six semesters. Upon graduation, the student should request that a final, official transcript be sent to OBU, bearing signature of the school official, graduation date and eighth semester grades. In addition, it is preferable for transcripts to include class rank, standardized test scores and the school seal when possible.

College Transcript. Transfer students must submit an official transcript from each college attended, sent directly from the institution to the OBU Admissions Office. New freshmen who have taken concurrent college work must also submit an official transcript from each institution attended. Transfers will not receive an acceptance decision until all previous college work is submitted. Transcripts issued to the student are not acceptable for admission purposes. Any student who fails to report work taken at another institution is subject to immediate expulsion from OBU.

### 3. Test Scores

New freshmen must submit satisfactory scores on either the American College Test (ACT) or the Scholastic Aptitude Test (SAT). If a student has a documented disability which affects his/her ability to fairly complete the ACT or SAT, the student should contact his/her guidance counselor or the testing agency to inquire about special accommodations for taking the test. Transfer students with fewer than 24 semester hours are also required to submit test scores. This requirement may be waived for students over 25 years of age. Scores recorded on an official high school transcript or those reported directly from the testing agency are acceptable.

### Student Health Service Record

A student health form is sent to admitted students and is required prior to enrollment. A transfer student may submit a previous college health form if it was completed within five years of enrollment at OBU.

### Recommended High School Curriculum

High school graduation is required, but in addition, it is recommended that students include the following in their high school program:

**English:** Four units of college preparatory English. Journalism, yearbook or business English should not be used as substitutes.

**Mathematics:** Three units including algebra I, algebra II and geometry. Those intending to pursue the Bachelor of Science or the Bachelor of Science in Education in science or mathematics education are encouraged to take as much mathematics as possible, including trigonometry and calculus.

**Science:** Three units of college preparatory science which may include one unit of general science. The other two should include biology, chemistry, physics or another laboratory science. Those intending to pursue the Bachelor of Science or the Bachelor of Science in Education in science or mathematics education are encouraged to take three units of laboratory science.

**Social Science:** Three units, including courses in American history and world history. Other options include such courses as sociology, economics, psychology, geography, and state history.

**Language:** Two units in the same language.

**Academic Electives:** Two units including one unit in computer applications.

### Freshman Admission Requirements

Applicants meeting the following criteria may be granted REGULAR ADMISSION:

- Completion of OBU's Recommended High School Curriculum (above); and
- ACT composite of at least 20 or SAT of at least 940 (critical reading and mathematics sections only); and
- High school GPA of at least 3.00 or class rank in the upper half.

Applicants meeting the following criteria may be considered for CONDITIONAL ADMISSION:

- Completion of OBU's Recommended High School Curriculum (above); and
- ACT composite of 17 through 19 or SAT of 820 through 930 (critical reading and mathematics sections only); and
- High school GPA of at least 3.00 or class rank in the upper half.

Applicants who do not meet the criteria stated above may be admitted only by action of the Admissions Committee. Students wishing to be considered for admission by the Admissions Committee must submit the following materials:

- A one-page statement (approximately 250 words) expressing the student's goals and stating how attending OBU will help the student achieve those goals;
- Two letters of reference from recent teachers who believe the student can successfully complete college work.

After submitting these materials, the student must also complete a personal interview with the Director of Admissions.

The student's application for admission, transcripts, and test scores must be on file in the Admissions Office prior to consideration by the Admissions Committee.

### **Freshmen Granted Conditional Admission**

1. May be limited to an enrollment of 13 hours the first semester.
2. May be required to enroll in all or part of an academic enrichment program as part of the 13-hour load.

Applicants having gained recognition of high school equivalency by passing the GED may be admitted as a regular or conditional student according to the criteria stated above, at the discretion of the Director of Admissions.

### **Home-Schooled Students/ Graduates of Unaccredited High Schools**

Admission of home-schooled students and graduates of non-accredited high schools will be based on ACT or SAT scores and a written description or transcript of the home-school experience or the high school transcript, respectively. The standardized test composite score must be at the level OBU requires for regular admission, and subscores must meet OBU guidelines for regular class placement. Special assessments or class placement may be required at the discretion of the Director of Admissions.

### **Transfer Student Admission Requirements**

A student transferring from another accredited institution recognized by an accreditation agency approved by the State of Oklahoma or Federal agencies of education should submit official transcripts from all institutions previously attended, including high school, when applying to OBU. The student is eligible for admission:

1. If he/she is eligible to continue studies in the college from which he/she is transferring;
2. If he/she has maintained a 2.50 grade point average in his/her college studies; and
3. If his/her transcript does not include extensive remedial academic coursework. Students whose overall college grade average is below 2.50 or whose transcript includes extensive remedial academic coursework may be admitted on probation at the discretion of the Admissions Committee.

All transfer grades become a part of the student's permanent record at OBU. Incomplete grades transferred to OBU will be calculated as F grades unless the student furnishes an amended transcript showing a changed grade. Transfer grade point averages will be calculated according to OBU grading policies.

The University cannot accept course work credits from institutions not accredited by a Council for Higher Education Accreditation (CHEA) or United States Department of Education (USDE) recognized accreditation organization. Non-accredited institutions include vocational or trade schools and other institutions whose purposes and curricula indicate their restrictive nature. However, after earning 24 credit hours in residence at OBU with a GPA of 2.00 or higher, credits earned at a college or university not accredited by a CHEA or USDE recognized accrediting organization may be applied to the student's OBU transcript as applicable credit for a degree.

A student who has completed fewer than 24 semester hours of accredited college work must meet both the freshman admission requirements and the transfer admission requirements. Students who have completed 24 college semester hours or more at an accredited college or university who do not have a high school diploma or GED scores will be admitted on the basis of their transfer credits. However, a transcript of any high school work completed may be required.

### **Transfer Credit Regulations**

The following regulations apply to credit transferred from other institutions accredited by an agency approved by the State of Oklahoma or Federal agencies of education. (See also information regarding credit by examination.) The University strongly recommends that currently enrolled students consult with their advisors and their academic deans concerning the acceptability of transfer credit for a particular degree program before enrolling in courses which they wish to transfer to OBU. Before graduation from OBU, a student must sign a statement certifying that he/she has furnished the University with official transcripts of all post-secondary work attempted.

### **Junior Colleges**

No more than 64 junior college semester hours will be credited toward Oklahoma Baptist University degrees. Credit from a junior college will not be accepted for upper-division courses in the major/minor or area of concentration. Credit from a junior college will not be counted toward the last 30 hours before graduation. Courses transferred from a junior college must be similar in content and organization to courses offered by Oklahoma Baptist University and must be appropriate to the degree sought, all as determined by Oklahoma Baptist University.

### **Senior Colleges**

Full credit will be given for work completed in accredited senior colleges and universities

provided that content and organization of courses are similar to those at Oklahoma Baptist University and that the course is appropriate to the degree sought, all as determined by Oklahoma Baptist University.

#### **Veteran's Training**

Veterans will be allowed transfer credit for courses taken in the armed services when these courses are appropriate to the desired degree. The standard for granting of credit will be the "Guide to the Evaluation of Education Experiences in the Armed Services," published by the American Council on Education. OBU will accept a maximum of 16 transfer hours of this type.

#### **International Students**

Applicants who are not citizens or permanent residents of the United States may be admitted by the Director of Admissions.

#### **How to Apply:**

1. Submit the Student Application for Admission, and the International Student Financial Guarantee (Parts I & II), to the Office of Admissions, OBU Box 61174, 500 W. University, Shawnee, OK 74804, USA.
2. Submit an official transcript from every secondary school attended, as well as a certified copy of the results of standardized examinations and of all diplomas or certificates awarded. Your documents need to be translated into English. If you require assistance, please send the original documents to:
 

**SpanTran Educational Services Inc.**  
7211 Regency Square Blvd., Suite 205  
Houston, TX 77036-3197  
United States of America

Please send a cover letter asking SpanTran to translate the documents and to mail the original documents and the translations to Oklahoma Baptist University (OBU Box 61174, 500 W. University, Shawnee, OK 74804). For a current list of SpanTran's fees, please go to [www.spantran-edu.com](http://www.spantran-edu.com). All fees are the responsibility of the applicant. Usually a general evaluation of your documents is adequate for admissions purposes, but the University reserves the right to ask for an additional Course Analysis if necessary.
3. Submit results of either the Test of English as a Foreign Language (TOEFL) directly from the corporation to OBU or the International English Language Testing System (IELTS)

directly from the corporation to OBU. The following scores are required for admission to the university:

- A minimum score of 500 on the TOEFL written exam
- A minimum score of 173 on the TOEFL computer-based exam
- A minimum score of 61 on the TOEFL iBT exam
- A minimum score of 5.0 on the IELTS exam

### TOEFL

### IELTS

Visit [www.ielts.org](http://www.ielts.org)

Students will not need to provide an English proficiency score if:

- the only official language of the student's country is English or
- the student is a graduate of an International Baccalaureate program or an American High School.

Students with an insufficient TOEFL or IELTS score are encouraged to enroll in Oklahoma Baptist University's Intensive English Program. This campus-based program is designed to develop language skills which will help guarantee academic success when the student leaves the language institute and proceeds to University work. For more information, please consult the "Intensive English Program" section of this catalog.

4. When a student is admitted to Oklahoma Baptist University, s/he will be sent a letter of acceptance and an I-20 (used to obtain a student F-1 visa). The admitted student should download the Student Health Service Record and the Campus Housing Application from the website, complete them, and submit them to the Office of Admissions prior to enrolling. (Married students or students over 21 years of age are not required to return the Campus Housing Application if they have alternative housing arrangements, although they may want to apply for on-campus apartment housing).
5. When a student is admitted, s/he will also receive a University Payment Plan. This form needs to be completed and returned to the University immediately, and the initial payments must be received by the University in accordance with the dates included on that document.

### To Transfer to OBU

***If you have earned 23 or fewer college/university hours:***

1. Complete the International Student Application form.
2. Submit to OBU an official transcript, for all high-school work. If your transcript is not in English, please include an official English translation.
3. Submit to OBU an official transcript of all your college/university work.
4. Submit an official course-by-course evaluation of all foreign college transcripts performed by one of the approved agencies listed below.
5. Submit to OBU the International Student Financial Guarantee form.

***If you have earned 24 or more college/university hours:***

1. Complete the International Student Application form.
2. Submit to OBU an official transcript of all college or university work. If your transcript is not in English, please include an official English translation.
3. Submit an official course-by-course evaluation of all foreign college transcripts performed by one of the approved agencies listed below.
4. Submit to OBU the International Student Financial Guarantee form.

OBU will accept course-by-course evaluation of your college transcript from the following agencies.

SpanTran Educational Services

Visit [www.spantran.com](http://www.spantran.com)

If transferring from a U.S. institute, you will need to work with the international student advisor at your current school. He or she will transfer your SEVIS records to OBU.

At that time, you will want to complete two additional forms:

1. The Campus Housing Application
2. The Student Health Form

### Intensive English Program

Admission of students into the Intensive English Program at Oklahoma Baptist University is designed to prepare non-native speakers of English to be successful in a higher education environment. The

student is eligible for IEP admissions under the following:

1. The student is 16 years or older.
2. The student's first language is not English.

To apply, complete and submit the *Application for the Intensive English Program*. If the applicant is an international student, then he or she will also need to submit the *International Student Financial Guarantee*. OBU will send the applicant an I-20 form and information about obtaining the F-1 student visa. Other forms the applicant will need to complete are as follows: a housing application, and a student health form.

### English Placement Testing

All students entering the IEP are tested only for the purpose of placement into the appropriate instructional level. This test does not admit or exit a student from the IEP.

### IEP Completion Requirements for Eligibility to OBU's Undergraduate and Graduate Degree Program

The exit requirement for the IEP student who plans to enter an Oklahoma Baptist University undergraduate or graduate degree program is as follows:

- A student finishing each of the four core skills in Level 8 with 80% or higher and obtain a 20 on the Residual ACT\* is eligible to apply to OBU's undergraduate degree program.
- A student finishing each of the four core skills in Level 9 with 80% or higher, obtain a 20 on the Residual ACT\*, and successfully complete the GRE or GMAT is eligible to apply to OBU's graduate degree program.

\*Lower scores on the Residual ACT will be reviewed on a case by case basis by the Chief Enrollment Officer.

### Application to OBU for IEP Students.

**OBU Undergraduate Applicants:** After attaining the necessary language requirements, the international student should follow the application requirements to OBU's undergraduate degree program as outlined in *International Student* in this Academic Catalog. The non-native student should follow **Freshman Admission Requirements** or **Transfer Student Admission Requirements** in this catalog.

**OBU Graduates Applicants:** After attaining the necessary language requirements, the non-native speaker of English should follow the application requirements to the appropriate OBU graduate degree program, eg: MSN or MBA.

The applicant needs to send all secondary and post-secondary transcripts, diplomas, and certified copy of the standardized examination results to the OBU College of Graduate and Professional Studies. These documents must be translated into English. For translation, submit official documents and certified results to the following:

Span Tran Educational Services, Inc.  
7211 Regency Square Blvd., Suite 205  
Houston, TX 77036-3197

The applicant must accompany the documents with a cover letter requesting Span Tran to translate the documents and to mail the original documents and the translations to Oklahoma Baptist University College of Graduate and Professional Studies (111 Harrison Ave, Oklahoma City, OK 73104). For a current list of Span Tran's fees, please go to [www.spantran-edu.com](http://www.spantran-edu.com). The applicant is responsible for the payment of fees. Usually a general evaluation of these documents is adequate for admission purposes, but OBU reserves the right to ask for an additional course analysis, if necessary.

### Special Students

Students who are not candidates for University degrees may be given special enrollment permission by the Registrar. This category might include the following:

1. students taking only Continuing Education courses;
2. high school students wishing to take courses in the concurrent enrollment program; and
3. adults who do not meet the regular admission requirements.

### Special Adult Admission Category

If an applicant does not meet the minima for regular or conditional admission, if there has been a significant time interval (six years or more) since the applicant's last academic pursuit, and if the applicant has had maturing experiences during the interval, the following option is available:

All previous college work, including work taken at Oklahoma Baptist University, may be removed from academic consideration, regardless of passing or failing quality, and the student may begin a new college career as a first semester freshman. Credit by examination may be possible in accordance with University regulations.

To be admitted under this category the applicant must sign a contract verifying the choice to remove all previous college work from academic consideration. (All work continues to show on the transcript even though it has been removed from academic consideration.)

## Enrollment of Concurrent Students

Juniors and seniors in high school may enroll at Oklahoma Baptist University in concurrent courses. A senior must have a minimum high school grade point average of 3.00 and an ACT composite score of 20 (or SAT equivalent) or a junior must have a minimum high school grade point average of 3.00 and an ACT composite score of 21 (or SAT equivalent) for acceptance to the university. Senior may take up to 6 hours of freshman level courses per semester. Juniors may take up to 3 hours of freshman level courses per semester.

Students must submit an Application for Concurrent Enrollment signed by either their high school guidance counselor or principal and current high school transcript to the Office of Admissions. Students enrolling for fall and summer courses may apply for admission the first week of May. Students enrolling for spring semester courses may apply for admission the first week of December.

Concurrent students must abide by all university policies.

## LifeLong Learning Policy for OBU Graduates

Oklahoma Baptist University provides an educational benefit for the University's bachelor's degree graduates. The OBU LifeLong Learning program covers tuition for undergraduate courses taught at the Shawnee campus. Each OBU graduate participating in the program will pay all fees associated with enrollment.

The following policies direct the LifeLong Learning program at Oklahoma Baptist University:

- Any student who has completed a bachelor's degree from Oklahoma Baptist University is eligible to apply and participate in the LifeLong Learning program.
- Alumni who wish to participate in the LifeLong Learning program must wait two years post-graduation to participate in the program.
- Each LifeLong Learning student may enroll in a maximum of five hours per semester. LifeLong Learning students who register in courses totaling more than five semester hours in any regular fall or spring semester will be considered second-degree students and assessed appropriate tuition and fees for all courses taken during the term.
- Alumni who desire admission into the LifeLong Learning program must satisfactorily complete a LifeLong Learning application. LifeLong Learning students must complete an application at the beginning of every semester in which they desire to enroll in any OBU classes.
- Enrollment in a course is contingent upon available seating on the first day of class. LifeLong Learning students may register for the desired class(es) no earlier than the first day of the semester and no later than the last day to add or change classes, as identified on the academic calendar for that term.
- Eligible courses for enrollment in the LifeLong Learning program are limited to undergraduate, on-campus courses in the regular fall or spring semesters. Summer term, January term, online, and graduate-level courses are excluded from the program.
- Students who qualify for the LifeLong Learning program must declare their enrollment status prior to registration each semester. Students may not change status from second-degree/part-time to LifeLong Learning after declaration and registration in a course. A student may not register simultaneously as a LifeLong Learning student and as a part-time or second-degree student.
- LifeLong Learning students may take courses for audit, pass/fail, or letter grade. If the program participant wishes the course credit to apply toward a second degree, the course must be taken for credit with the letter-grade option. Once the course has begun, if the program participant has declared the audit or pass/fail option, the status may not be changed to letter grade once the date for adding or changing classes has passed.
- LifeLong Learning students will be assessed a LifeLong Learning fee to support and provide academic-related services typically associated with a course of study at a university, such as library services, technology services, parking, etc.
- LifeLong Learning students will be assessed all fees associated with specific courses (e.g., art, lab, etc.).
- LifeLong Learning students are ineligible to participate in student life services and programs or student employment opportunities. LifeLong Learning fees do not permit participation in or access to student life services and programs or to student employment opportunities.
- LifeLong Learning students may purchase alumni memberships for OBU's Recreation and Wellness Center.
- Enrollment caps for class size or cohort groups may not be increased to accommodate LifeLong Learning students. Minimum class sizes will not count LifeLong Learning students toward the required number of students.

- LifeLong Learning students are ineligible for OBU institutional financial aid.

Students applying for the LifeLong Learning program must be in good standing with the University.

Students admitted into the LifeLong Learning program during the 2009-2010 academic year are allowed to continue under the guidelines in which they were initially admitted into the program if they continue to enroll in the program for consecutive semesters. LifeLong Learning students admitted in the 2009-2010 academic year who do not enroll in consecutive semesters will be governed by the updated LifeLong Learning policies.

### Registration

OBU operates on a semester calendar, with a four-month fall term, a January miniterm, a four-month spring term, and two four-week summer terms.

Advance registration for new students, freshmen and transfers, is available during the spring and summer. Students who have been admitted to the University are notified of these advance registration opportunities. For those who cannot participate in advance registration, regular registration periods are offered at the beginning of each term.

To facilitate registration for current students, advance registration periods are made available each

semester for the succeeding term, including the summer session. Each student is responsible for his/her own course of study toward a University degree; however, faculty advisors are available for counsel, and their approvals are required on all enrollments. Faculty advisors will be assigned by the dean of the college which administers the department of the area of concentration or major. Students who have not yet decided upon an area of concentration or major will be assigned an advisor by the Dean of the College of Humanities and Social Sciences or by the dean of the college of the student's general interest.

All students are expected to enroll during the designated enrollment periods. No registrations will be accepted after the deadlines designated in the official academic calendar.

All registrations must conform with the policies in force at the time of registration in order for any course work to be credited toward fulfillment of degree requirements.

### Orientation

All students entering OBU for the first time, whether freshman or transfer, are expected to participate in the orientation program, which is designed to acquaint them with the educational opportunities and facilities of the University, policies concerning student life, special student services, and traditions.

Public service courses are available to non-degree seeking students participating in academic trips. Students enrolled in public service courses are required to complete academic coursework during the trip.

**Housing and Meals**

**Housing**

All single student residence halls and apartments are air conditioned and equipped with cable TV and internet access.

**Residence Halls**

Two students are normally assigned to each room. Private rooms will be assessed an additional charge as noted below, subject to availability. Students living in residence halls must have a 150 block, 220 block or Unlimited-Meal Plan during the fall and spring semesters and a 10- or 14-meal plan during January term. All residence halls are closed during official University holiday periods. Students who will need housing during holiday periods should so indicate when applying for housing assignments.

## Apartments

The standard apartments are two-bedroom apartments equipped with a kitchen occupied by four upperclass students. The Apartment Village features apartments with four individual bedrooms, two shared bathrooms, full kitchen and shared living room, with some of the units including a washer and dryer inside the apartment. All apartment rates cover utilities. Students living in apartments must have an apartment meal plan or upgrade to a standard 150 block, 220 block, or Unlimited-Meal Plan for an additional charge.

## Married Student Housing

A limited number of apartments for married students and/or students with children are available. Information and applications are available at the Residential Life Office. Residents pay utilities including gas, electricity and telephone. Cable TV and computer network services are included. A deposit of \$25 is required with application and an additional deposit of \$75 is required before occupancy.

### Rates

Burns, Cobbs, 1 bedroom (per month) .....	\$ 475.00
Devereaux West, 2 bedroom (per month) .....	560.00

All rates are subject to change at the beginning of any semester or term.

## Meals

The meal plans include a block of meals for use in the Laura Scales Cafeteria and a specified amount of Bison Bucks. Unless noted in the plan description, plans include one retail meal trade per day (Monday-Friday) which allows a student to use one meal to purchase select items from the downstairs Geiger Center. Bison Bucks can be used like cash at any of the Geiger Center food service locations. All unused meals and Bison Bucks expire at the end of each term.

### Fall and Spring Terms:

150 Block Meal Plan - 150 meals per term with \$150 in Bison Bucks

220 Block Meal Plan - 220 meals per term with \$125 in Bison Bucks

Unlimited Meal Plan - Unlimited access to the Laura Scales Cafeteria with \$50 in Bison Bucks  
(No retail meal trades are allowed)

60 Block Apartment Meal Plan - 60 meals per term with \$60 in Bison Bucks

80 Block Apartment Meal Plan - 80 meals per term with \$100 in Bison Bucks

### January Term:

10 Block Meal Plan - 10 meals per week with \$25 in Bison Bucks

14 Block Meal Plan - 14 meals per week with \$15 in Bison Bucks

Apartment Meal Plan - 15 meals per term with \$25 in Bison Bucks

All students living in a residence hall are required to have one of the standard Block plans or the Unlimited plan. Students living in on-campus apartments are required to have an Apartment Plan or can add a Block or Unlimited plan for an additional charge. All prices are included in the housing rates listed below in the Room and Board Rates section.

For students living off campus, a Block or Unlimited Meal Plan is available for purchase (contact the Cashier's Office in Thurmond Hall for pricing) as well as the small Block Plans. These plans allow one retail meal trade per day (Monday through Friday) but do not have Bison Bucks. The meals can be used throughout the year but will expire if not used by the end of the Spring term.

10 Block Meal Plan .....	\$ 88.00
25 Block Meal Plan .....	215.00
50 Block Meal Plan .....	420.00

All rates and plans are subject to change at the beginning of any term. Meal plans are not subject to refund except upon withdrawal from school.

**Bison Express**

Bison Express is a declining balance account which can be added to a student ID card to be used at all Geiger Center food service locations. All students have the option of purchasing Bison Express dollars. Unused amounts may be carried forward from one term to the next and unused amounts are refundable upon departure from the University. Bison Express may be purchased at the Cashier’s window in Thurmond Hall or online.

\*Charges shown are for a four-week summer term. Rates are adjusted proportionally for longer or shorter periods.

\*\*Charge for standard dormitory housing and Block Meal Plan.

\*\*\*Summer term tuition and fees published in this catalog reflect changes for Summer 2014.

**University Policy** concerning payment of tuition and fees: All charges for tuition, fees, room, and board are due and payable at the beginning of the term. Fall or Spring charges not covered by payments or by financial aid (as certified by the Office of Student Financial Services) may be paid under a Semester Installment Plan. Transcripts and/or a diploma will be withheld if an account is not paid in full. Also, enrollment for a subsequent semester is not allowed until all previous term account balances are paid in full.

### Fall and Spring Installment Plans

**Three-Payment Plan:** Payments for enrollment costs, less verified financial aid, are due as follows: fall semester - September 1, October 1 and November 1. Spring semester - February 1, March 1 and April 1. For any month the minimum payment is late, a late payment fee of \$30 is charged. A \$50 payment plan origination fee is assessed each semester for those using the three-payment plan.

**Four-Payment Plan:** Payments for enrollment costs, less verified financial aid, are due as follows: fall semester - August 1, September 1, October 1, and November 1. Spring semester - January 1, February 1, March 1, and April 1. For any month the minimum payment is late, a late payment fee of \$30 is charged. A \$50 payment plan origination fee is assessed each semester for those using the four-payment plan.

**Five-Payment Plan:** Payments for enrollment costs, less verified financial aid, are due as follows: fall semester - July 1, August 1, September 1, October 1 and November 1. Spring semester - December 1, January 1, February 1, March 1 and April 1. For any month the minimum payment is late, a late payment fee of \$30 is charged. A \$50 payment plan origination fee is assessed each semester for those using the five-payment plan.

**January Term:** All charges are due the first day of class. Any balance not paid by the end of the term may be subject to finance charges.

**Summer Term:** One-half of all undergraduate charges not covered by financial aid must be paid by the first day of class. The remainder of charges must be paid by the first day of the third week of class for four-week terms and by the first day of the fifth week of class for eight-week terms.

### Prepayments Required

New undergraduate students must make a \$125 enrollment guarantee deposit. The new student enrollment guarantee is not refundable after May 1 for the fall semester or November 1 for the spring semester.

Actions taken if student account payment deadlines are not met:

1. Students who have not met minimum payment requirements, i.e. made appropriate payments or have loan applications filed with financial aid and approved by the Department of Education, by the fourth week of the fall or spring terms, may be withdrawn from school.
2. Interest charge of 1 1/4% per month is assessed on the balance owed on November 30 for the Fall term, February 28 for the January term, April 30 for the Spring term, and July 31 for the Summer term.
3. Students will not be allowed to enroll in a subsequent semester until their accounts are paid in full.
4. Students who do not meet the payment guidelines for the semester installment plan may be denied eligibility to participate in the semester installment plan in future semesters.

5. Transcripts and/or a diploma will be withheld if an account is not paid in full.
6. Collection agencies are employed to pursue past due accounts.

### **Withdrawal Refunds**

If an undergraduate student withdraws from school or decreases hours after classes begin, applicable refunds will post to the student account for tuition and fees based upon the following schedule. Refunds for tuition and fees are based upon the date the student notifies the Academic Center IN WRITING OR IN PERSON.

The following percentages apply:

1. Withdrawal from full fall or spring term: Beginning with the first day and continuing for the first week after classes begin, credit is 100%; second week, 80%; third week, 60%; fourth week, 40%. No credit after the fourth week of classes.
2. Withdrawal from the January term and four-week summer term: Within two academic days after classes begin, credit is 100%; within three academic days, 80%; within four academic days, 60%; within five academic days, 40%. No credit after five academic days of the January or four-week summer term.
3. Withdrawal from eight-week terms: Within five academic days after classes begin, credit is 100%; within six academic days, 80%; within seven academic days, 60%; within eight academic days, 40%. No credit after eight academic days of the eight-week summer term.

Refunds for housing are prorated on a daily rate based upon the date the student notifies Residential Life IN WRITING OR IN PERSON or officially checks out of campus housing, whichever is later.

### **Return of Title IV Funds Federal Financial Aid**

Students who receive Title IV federal aid (Federal Pell Grant, Federal Supplemental Grant, TEACH, Federal Perkins Loan, Federal Stafford Loan, Federal PLUS Loan), but withdraw before completing 60% of the term for which they have been funded are subject to the return of Title IV funds as well as the institutional refund policy. According to the federal policy, only the amount of federal financial aid earned (determined by the withdrawal date) may be retained by the student. The amount of earned aid is not related to whether the student has or has not paid the bill with the University. Any federal financial aid which is not determined to be earned aid, must be returned to the appropriate Title IV programs. The calculation of the return of federal financial aid and the refund of institutional awards per the OBU policy, may result in the student owing a balance to the University. Specific details of the federal formula used for the return of Title IV funds are available in the Student Financial Services Office. Additionally, if a student withdraws before the Oklahoma State Regents issues a reimbursement check to OBU for any Oklahoma state grants, the full amount of the state grant(s) will be reversed from the student's account as they are no longer eligible for the grant and OBU will not be reimbursed.

### **Financial Aid**

The Office of Student Financial Services is provided to help eligible students obtain financial assistance and financial planning to attend OBU. Aid is available in the form of scholarships, grants, loans, part-time employment, and various educational assistance programs. Assistance is offered to help students and their parents plan the best approach to obtain a college education. The goal of the Student Financial Services Office is to ensure that no eligible student is denied the opportunity to study at OBU because of insufficient financial resources.

Paying for college can be challenging, but it does not have to be overwhelming. We do our best to make an OBU education affordable for any student who wants that education and can meet its demands. Therefore, our objective is simple - to identify every resource available in hopes of making an OBU education a reality. In most cases we are successful. Although paying for a college education is primarily a family responsibility, a variety of financial assistance programs are available to supplement family resources and ease the financial burden of those experiencing financial hardships. In reality however, for most families who for whatever reason have not been able to save for college, borrowing through student and parent loan programs may be a necessity. More information is available at [www.okbu.edu/finaid](http://www.okbu.edu/finaid).

**OBU Scholarship Programs**

The numerous academic, competitive, and performance scholarships offered by the University are listed below. Students must be enrolled on a full-time basis (at least 12 credit hours per semester) in order to receive these awards and may receive only one academic scholarship unless otherwise noted. Academic scholarships are awarded and lost on an annual basis rather than a semester by semester basis. However, all awards are credited to the student’s account at the rate of one-half the annual amount per fall/spring semester.

Scholarships will be evaluated at the end of the spring term and are renewable as long as the student maintains the cumulative GPA required by the respective scholarship. Any student with less than a 2.00 cumulative GPA is not eligible to receive OBU-funded scholarships. OBU scholarships may be retained for a maximum of eight semesters or the completion of an undergraduate degree, whichever comes first.

Renewal awards are determined by using the student’s cumulative GPA prior to the start of the fall semester. Grade point averages are not rounded for the purposes of scholarship renewal eligibility. In the event an academic scholarship is lost due to an insufficient cumulative GPA, it may be reinstated once the student reaches the required minimum at the beginning of an academic year. Summer course work will be accepted toward scholarship renewal eligibility for the following fall semester. Reinstatement must be requested in writing by the student and requires an unofficial OBU transcript.

In case of mitigating circumstances, the student may appeal the loss of a scholarship by submitting a letter of appeal to the Director of Student Financial Services.

**Freshmen University Scholars .....Full Tuition**

Eight awards are made to incoming full-time freshmen. Students must have at least a 32 ACT or 1410 SAT with a 3.75 high school GPA to apply. For consideration, submit an application for admission, transcripts, test scores, essay, two letters of recommendation and activity resumé. All documents must be received in the Admissions Office by FEBRUARY 1, with finalists being selected for an interview after that time. Awards are announced by MARCH 15, and are renewable annually with a 3.50 cumulative GPA. The scholarship is reduced one-half for a GPA less than 3.50, but 3.00 or more. The award is limited to 16 hours per semester for eight semesters or until completion of a degree, whichever comes first. Scholarship does not cover January or summer term tuition. Those applicants who are not named University Scholars will be awarded the \$10,000 Founder’s scholarship.

**Allen Academic Scholarship**

This full-tuition scholarship is awarded to a student who has at least a 32 ACT or 1410 SAT and a 3.75 GPA. Qualified students will be asked to submit supporting documents including an essay, resume, and letter of recommendation. OBU will invite a group of students to campus to interview for the scholarship. Students not selected for the Allen Scholarship will be considered for one of the University Scholar Awards. All documents must be received in the Admissions Office by FEBRUARY 1, with finalists being selected for an interview after that time. Awards are announced by MARCH 15, and are renewable annually with a 3.50 cumulative GPA. The scholarship is reduced one-half for a GPA less than 3.50, but 3.00 or more. The award is limited to 16 hours per semester for eight semesters or until completion of a degree, whichever comes first. Scholarship does not cover January or summer term tuition.

**Freshmen Academic Scholarships .....\$8,000-\$11,000**

Academic Scholarships range from \$8,000-\$11,000 and award amounts are determined based on high school GPA and ACT/SAT scores. To calculate your eligibility, go to [www.okbu.edu/scholarships](http://www.okbu.edu/scholarships) and enter your information.

**Freshmen Scholarships**

Amount	OBU Renewal GPA
Full tuition and Allen*	3.50 (renewed at half if 3.0)
Founder’s \$10,000*	3.0 (renewed at half if 2.8)
Trustee’s \$8,000	3.0 (renewed at half if 2.8)
President’s \$7,000	2.8 (renewed at half if 2.5)

\*competitive with a deadline of February 1.

**Transfer Academic Scholarships .....\$4,500-\$6,500**

Transfer Academic Scholarships are awarded upon receipt of the student's final official transcript mailed directly to OBU from the school. If the student's final overall cumulative GPA is 2.5 or better, then the student is awarded a scholarship based on that GPA and the number of hours he or she has completed.

**Transfer Student Academic Scholarships**

Scholarships are awarded based on current college transcript.

GPA	Academic Award
2.50-2.99	\$3,500
3.00-3.59	\$4,500
3.60 & above	\$5,500

The required GPA for renewal of Transfer Academic Scholarships is 2.5 for the \$3,500 award, and 3.0 for the \$4,500 and \$5,500 awards.

**Phi Theta Kappa Scholarships .....\$1,000 per year**

The PTK Scholarships are for transfer students who are members of Phi Theta Kappa. A 3.0 GPA is required for renewal.

**Provost Scholar Awards.....\$1,000 per year**

This award is available to full-time students who have earned at least 24 credit hours at OBU with a grade point average of 3.5 or better. This scholarship is renewable for up to six semesters if the cumulative GPA of 3.5 is maintained. Submit unofficial transcript to the Office of Student Financial Services for scholarship consideration. This scholarship cannot be combined with any other OBU academic scholarship.

**Other Scholarship Awards - Requires Full-time Enrollment**

**Fine Arts Scholarships .....\$500-\$4,000**

Scholarships are awarded by audition to outstanding full-time students in the areas of Art, Music, Communication, and Theatre. In order for a student to retain an award, he/she must maintain a cumulative grade point average of 2.50, a fine arts grade point average of 3.00, and must make satisfactory progress in performance. Student must retain the corresponding Fine Arts major. Students may retain scholarships for a maximum of eight semesters. Contact the Dean of the College of Fine Arts for information about audition requirements. Auditions are typically held on President's Day and the first Saturday in March, but may be scheduled at other times.

**Departmental Scholarships of various amounts** are awarded to students majoring in Art, Theatre, Communication Arts, Nursing or a Southern Baptist Church vocation. Students are eligible to apply for a limited number of scholarships awarded by the OBU department of their major.

**OBU Bison Grants and/or OBU Endowed Scholarships of various amounts** are awarded to students based on the amount of unmet need with consideration of other financial aid the student receives. A 2.0 GPA is required for renewal.

**Church Staff Dependent Scholarships of \$1,000** are awarded annually to the spouse or children of paid professional denominational ministers who are currently serving in a Southern Baptist church position or as employees of the BGCO, SBC, or missionaries appointed by the SBC North American or International Mission Boards. Renewal is dependent on a cumulative GPA of at least 2.00. Application is made by submitting an official employer letter designating the professional Southern Baptist staff position of the student's spouse or parent.

**MK Scholarships of \$1,000 up to half-tuition** are awarded annually to the children of SBC International Mission Board and North American Mission Board missionaries. OBU guarantees MKs a total amount of OBU scholarships of at least half of the tuition. The MK may be awarded more than the \$1,000 minimum if it needs to be increased to reach the guaranteed amount. A 2.0 GPA is required for renewal.

**Louise M. Prichard Church Vocations Scholarships of \$1,000\*** are designed to assist students planning a career in Christian ministry. To be eligible for the scholarship, an entering student must:

1. Be preparing for a vocational or bivocational Christian ministry (e.g., pastor, foreign or home missionary, minister of music, minister of education, minister of youth, church administrator, church recreation minister).
2. Be licensed to the ministry or endorsed for other ministerial/missionary training by a Southern Baptist church.
3. Be a member of a Southern Baptist Church.
4. Declare a major in religion or applied ministry.

The scholarship is awarded (\$500 in fall and spring semesters) for full-time fall and spring enrollment. To be considered for the Church Vocations Scholarship, a student must agree to:

1. Provide initial endorsement through official church action of a Southern Baptist church of which he/she has been an active member for at least six months and provide certificate of license, letters of recommendation which attest to personal character, or any other documents of evidence requested.
2. Submit a completed "Questionnaire for Renewal" each year the scholarship is requested.
3. Maintain a Christian lifestyle appropriate for Christian ministry.
4. Maintain a 2.0 GPA for renewal.

\*Louise M. Prichard Church Vocation Scholarship funds are limited.

**Mary June Tabor Church Music Scholarships of \$1,000** provide financial aid for students preparing for full-time church music ministry. A recipient must be pursuing a music degree, with preference for those enrolled in the B.M. in Church Music; must enroll for and attend monthly meetings of the Fellowship of Church Musicians (CHMU 100); must maintain a 2.00 grade point average in at least 12 semester hours during the fall and spring terms; must submit a Request for Renewal each year; and must maintain a Christian lifestyle appropriate for ministry and in accordance with The Green Book.

**Acteens** who complete the requirements listed below may earn a scholarship ranging from \$200 per year for one level to \$800 per year for five or more levels of achievement. The scholarship is available for a maximum of eight semesters of full-time enrollment and renewable with a 2.5 OBU GPA.

**Requirements for scholarship**

<b>Level Completed .....</b>	<b>Scholarship Amount</b>
One Year.....	\$200 per year
Two Years .....	\$300 per year
Three Years.....	\$400 per year
Four Years .....	\$500 per year
Five Years .....	\$700 per year
Six Years .....	\$700 per year
Oklahoma State Citation.....	\$800 per year

Students receive the amount for the highest category achieved in the list above. The award can be combined with either or both of the amounts listed below.

Oklahoma State Advisory Panelists.....	\$750 per year
National Acteens Advisory Panelist.....	\$750 per year

**To apply for this scholarship**, please contact the Financial Aid Office at OBU.

**Challengers** who complete the requirements for Mission Challenge awards may earn a four-year scholarship to OBU. The following schedule is used in the awarding of these scholarships:

<b>Level of Missions Challenge Awards.....</b>	<b>Annual Amount</b>
First Award	\$200
Second Award	\$300
Third Award	\$400
Fourth Award	\$500
Fifth or additional Award	\$600

This scholarship is renewable for qualified students who enroll full time and maintain a cumulative GPA of 2.00. Request special application form from the OBU Student Financial Services Office.

**Concurrent Scholarships** are available to High School Juniors and Seniors. This scholarship reduces the tuition rate to \$100 per credit hour for a maximum of six hours per semester. Any special fees must be paid by the student.

**Church Partnership Program** is designed to encourage Baptist youth to attend OBU by forming a direct financial partnership between Baptist churches, Baptist associations and the University. The program will match up to \$1,000 provided by participating churches or associations for a possible \$2,000 annual award. The annual award will be divided equally between the fall and spring semesters. To apply, request an Agreement Form from the OBU Student Financial Services Office.

This scholarship requires a minimum cumulative grade point average of 2.00 for renewal and is renewable for four years.

**International Diversity Scholarship** ..... **\$1,750 per year**  
For students attending OBU on an I-20 application and admitted as a regular degree seeking student. This scholarship may not be combined with any OBU academic scholarship. Students must maintain a 2.0 GPA for renewal.

### **Activities Scholarships - Requires Full-time Enrollment and 2.0 GPA**

**Athletic Scholarships** are available to students who demonstrate exceptional ability in the University's varsity and junior varsity programs. These scholarships may include tuition, fees, books, housing and meals. To apply, the student should contact the OBU Director of Athletics.

**Student Government Association Scholarships** are awarded annually to the SGA president and vice president. The president receives \$1,000 and the vice president receives \$500 during the year they are serving in these SGA positions.

**Instrumental Band Scholarships** of \$250 to \$600 per year are awarded to students who are selected for participation in the OBU Symphonic Band. String players who play in the OBU-Shawnee Community Orchestra and study privately may receive \$200 to \$400 per semester toward their applied music lesson fees. Selection is made by audition and is open to all students regardless of the area of study. Interested students should contact the Symphonic Band Director prior to enrollment.

**Choral Scholarships** are available to outstanding vocalists selected for membership in OBU's auditioned choral ensembles: University Chorale, Bison Glee Club, or Bisonette Women's Glee Club. Students need not be music majors. Auditions may be scheduled with the Director of Choral Activities.

### **Aid Based on Demonstrated Need**

Funds in this category may be combined with any other funds or resources, but most programs have maximum limits that prohibit excess above the cost of education.

Financial need is the difference between the cost of attending OBU and the student's available resources. For part of the student's resources, his/ her parents are expected to make a reasonable contribution toward educational expenses, unless it can be clearly established that the family is financially unable to provide support, or unless the student is an independent student by federal aid definition. OBU uses the Free Application for Federal Student Aid (FAFSA) analysis to determine the expected family contribution. FAFSA may be completed online at [www.fafsa.gov](http://www.fafsa.gov).

A student must complete the form designating OBU as the institution to receive the results. Once OBU receives the FAFSA results and all supporting documents, a determination will be made of financial aid available to the student.

**The University participates in the following student aid programs:**

**LOANS:**

- Federal Perkins Loan
- Federal Direct Stafford Loan
- Federal Direct Parental Loan for Undergraduate Students (PLUS)
- Federal Direct Graduate (PLUS) Loans
- University Endowed Loan Funds

**GRANTS:**

- Federal Pell Grant
- Federal Supplemental Educational Opportunity Grant
- TEACH Grant
- Oklahoma's Promise (OHLAP)
- Oklahoma Tuition Aid Grant (for Oklahoma residents only) (OTAG)
- Oklahoma Tuition Equalization Grant (for Oklahoma residents only) (OTEG)
  
- Federal College Work-Study Employment

**Benefits From Other Government Agencies**

The University is fully accredited to participate in programs offered by the Veterans Administration, Bureau of Indian Affairs, Vocational Rehabilitative Services, and the Job Training Partnership Act. Students should contact the appropriate agency for applications or information on eligibility requirements.

**The "Aid" Package**

All applicants will be considered for eligibility for a Federal Pell Grant, Federal Perkins Loan, Federal Stafford Loan, Federal Supplement Educational Opportunity Grant, TEACH, Oklahoma Tuition Aid Grant (Oklahoma residents), Oklahoma Tuition Equalization Grant (Oklahoma Residents), Federal Work-Study, and any other aid administered through the OBU Student Financial Services Office for which an applicant may qualify. In this way, the applicant may be awarded an aid package, consisting of a loan, grant, scholarship, and work- study eligibility or any combination of these. The type and amount of aid the applicant will receive is determined by three factors:

1. need as shown by the FAFSA need analysis;
2. the availability of funds; and
3. the applicant's academic progress.

**In no case will a student receive financial aid which exceeds the cost of attendance defined by the Student Financial Services Office.**

**Renewal of Aid**

To be considered for renewal of financial aid, renewal applications and supporting documents must be submitted each year. The awarding of renewal aid will be subject to the same consideration used in awarding previous financial assistance.

**Measurable Academic Progress**

Funds received through any Title IV student assistance program available at OBU are subject to cancellation in cases where measurable academic progress is not maintained. For financial aid purposes, academic progress toward a degree is defined as follows:

1. Enrollment in a program of study leading to a baccalaureate degree with a sufficient number of credit

hours to be a full-time student.

2. Completion of minimum of 67% of overall credit hours attempted with a cumulative overall grade point average of at least a 2.0.

Each student's academic records will be checked following completion of the spring term. Students failing to maintain this standard of measurable academic progress will be placed on "Financial Aid Suspension." The student will not be allowed to receive any type of financial assistance, including PLUS loans until the student meets SAP requirements or have an approved suspension appeal.

When the requirements for a baccalaureate degree have been met or when the student has attempted a total of 192 credit hours, aid will no longer be available, even if the student is otherwise eligible.

Students may request a copy of the "Oklahoma Baptist University Satisfactory Academic Progress Policy" in its entirety from the OBU Student Financial Services Office or online at [okbu.edu/finaidforms](http://okbu.edu/finaidforms).

## Employment

The pursuit of studies should be the principal interest of university students. Students are discouraged from attempting to maintain full-time employment in addition to a full-time academic schedule. It is recommended that students engage in no more than 20 hours of employment per week if they are enrolled as full-time students (12-16 hours). In keeping with this recommendation, campus employment will generally be limited to 20 hours a week.

Student employment is offered within the University in the cafeteria, library, wellness center, campus police, facilities management, and administrative and faculty offices. On-campus and off-campus jobs are arranged directly with the employer; however, job opportunities are posted for student inspection outside the Student Services Center.

## Maximum Amount of OBU Funds a Student May Receive

1. OBU funds are those which are provided directly by the University and those funds awarded to students who are selected under the scholarship policy of the institution. (Includes endowed scholarships.)
2. Enrollment costs are defined as those paid to the University for services such as tuition, fees, and room and board. Enrollment costs specifically do NOT include books and supplies, off-campus living expenses, transportation costs, miscellaneous personal expenses, and any of the service fees or penalties incurred after the initial enrollment (traffic tickets, library fines, equipment rental, etc.).
3. If a student receives two or more scholarships funded by OBU, he/she may use such gifts as long as the total is not more than the cost of enrollment (tuition, fees, and on-campus room and board).
4. If a student is eligible to receive any funds based on need, and the amount of such funds is regulated by the OBU Student Financial Services Office, any OBU awards plus the funds based on need may cover the calculated cost of education (tuition, fees, books, room and board, and miscellaneous personal expenses) as long as these expenses are determined to be college-related. Under no circumstances will OBU funds be awarded for any expenses beyond the cost of enrollment (tuition, fees, on-campus room, and meal plan).
5. OBU scholarships (endowed or otherwise) are limited to a maximum of eight semesters and require full-time enrollment.

## Other Important Financial Aid Facts

1. Any expense for operating a car (purchase, insurance, gas, etc.) while attending college is not a justifiable expense in determining financial aid eligibility unless the student uses the vehicle in a job that nets income for college expenses. Any other non-essential item is also considered to be unjustifiable in calculating financial need.
2. Students must be officially accepted for admission by OBU before assistance can be awarded.
3. All OBU scholarship funds require certain grade point averages for renewal eligibility. Grades are checked at the end of the spring semester for renewal eligibility unless otherwise specified. For specific details, contact the Student Financial Services Office.

4. In all aid programs, the availability of funds determines the number and size of awards given each year.
5. Students enrolled in continuing education and/or ministry training courses are not eligible to receive federal aid (Title IV funds) administered through OBU.
6. Financial aid resources are limited. Many students have unmet financial need. Therefore, in no case will it be possible for a student to receive financial aid in excess of his/ her cost of education. Should a student receive an excessive amount of financial aid, it may be necessary to reduce one or more sources of aid in order to resolve an over awarding of funds.

# Student Life

---

## University Student Development Policies

University policies relating to student life are intended to give each student programmed opportunities within the context of a Christian community to develop and to expand those potentialities which can give full expression to personality. The formulation of behavioral expectations into policy is guided by Baptist beliefs; and these policies provide the bases of creative social relationships in the OBU community.

OBU students are afforded the privileges and responsibilities of campus fellowship. Within University guidelines, a student is encouraged to make educational and social choices which enhance personal development. Students may actively participate in the process of institutional governance through University Committee membership, agencies of student government, and advisory groups.

## Student Services Center

### Career Development Services

The Career Development Office provides guidance and career assessment services for students and alumni, information concerning vocational opportunities, and the job search process.

### Counseling Services

The University offers personal counseling services free of charge to all full- and part-time undergraduate students. Appointments are confidential and may be made by calling the Counseling Office.

### Student Health Services

Students are expected to assume primary responsibility for individual health needs, including financial responsibility for medical treatment which may be required. The University offers supplementary services through the employment of a Campus Nurse, who is available during daytime hours to consult with students concerning health needs and practices.

### Disability Services

The Special Services Office provides support services to students with disabilities. The office is committed to the goal of achieving equal educational opportunity and full participation for students with disabilities. Students are required to provide documentation of disability prior to the provision of services. If you have a need for services due to disabilities, please contact the Dean of Students' Office for details regarding applicable policies.

## Athletics, Intramural Sports, and Campus Recreation

As a member of the National Association of Intercollegiate Athletics and the Sooner Athletic Conference, Oklahoma Baptist University offers men's intercollegiate athletic teams in basketball, baseball, track and field, cross country, tennis, soccer and golf. Women's intercollegiate sports include basketball, softball, track and field, cross country, golf, soccer, volleyball and tennis. In addition, OBU offers a wide variety of club and intramural sports in activities such as soccer, racquetball, softball, walleyball, basketball, etc. to promote participation, social interaction, and physical well-being for all students and faculty. Also, the Recreation and Wellness Center is the center of campus recreation with facilities for the pursuit of many team and individual sport and fitness activities.

The following are the stated purposes of the OBU athletics program and are compatible with the overall University mission statement:

To provide programs of intercollegiate athletic competition which will be consistent with and supportive of the purposes and goals of the University.

To provide a forum by which the athletically gifted student may develop his/her talent to the fullest while representing the University against outside competition in a wholesome, Christian manner.

To provide an environment which will stimulate the academic growth of the student athlete which will be beyond minimal conference/national standards and which will lead to graduation of the athletes.

To encourage growth as Christians and as campus citizens by becoming involved in and assuming leadership roles in all aspects of campus life and by maintaining active chapters of organizations such as Fellowship of Christian Athletes and NAIA Champions of Character program.

To enhance the public image of the University to students (spectators and players), prospective students (athletes and nonathletes), alumni, other schools and other segments of the public.

To serve as a means of aiding the participant, through teams participation and cooperation, to define, organize, and clarify a system of values, which is in harmony with a code of Christian ethics and which helps to establish a direction of personal, professional and societal behavior.

To make a positive contribution to the campus social environment by providing competitive athletic contests in a wholesome atmosphere for the OBU community as spectators.

## Publications

Student publications include *The Bison*, a weekly newspaper, and OBU's yearbook, *Yahnseh*. Both *The Bison* and the *Yahnseh* serve as journalism laboratories, but staff members consist of students from various areas of concentration.

All student publications are supervised by the Media Committee, an administrative advisory committee composed of students, faculty and administrators.

Other publications include *The Green Book*, a student handbook published online by the office of the Dean of Students, and the University Directory, a listing of all administrators, faculty, staff, and students published online by the University administration.

## Campus Ministry

Oklahoma Baptist University is a Christ-centered university dedicated to the spiritual development of students along with their social, academic and physical development. The Spiritual Life Department is committed to supporting the University's Mission by creating and advancing an atmosphere beneficial for spiritual formation through vibrant worship encounters, small group experiences, and through service/mission opportunities in Shawnee, across the U.S. and around the world.

**Worship** - Occasions for worship are found in Chapel\*, special emphasis weeks, mid-day events, and selected nights of celebration.

Student led worship teams allow students to use their gifts in creative and celebrative worship experiences like Refuge, Canterbury and Student Led Chapels. Many of these teams also find opportunity to use their gifts in church settings in the surrounding area and state.

**Community** - Small Groups are developed each year through the layers of campus ministry opportunities (New Student Ministry, NETWORK, the Chaplain Ministry on campus, and HUB small groups). These groups provide personalized attention and a sense of belonging. Students are encouraged to discover gifts and passions that help focus their involvement in personal spiritual growth. Basic spiritual and leadership formation is advanced in the context of small groups.

**Outreach** - Channels for local outreach are available throughout campus. Service learning is provided through select class room experiences and student led service teams that are life giving agents throughout the Shawnee area. Every week more than one hundred fifty students from across the campus are leading and serving in youth, inner city community, volunteer, senior citizen, prison and special needs perpetual service projects. New projects are added each year.

Global Outreach opportunities are provided through select courses, faculty direction, and student leadership. Global Outreach is coordinated through the Avery T. Willis Center for Global Outreach, and is available to the OBU community as a whole. OBU students participate in summer, semester and extended term mission opportunities each year. Before graduation, most OBU students will have first hand local and global outreach experience.

**Church Relations** - In addition to opportunities for spiritual growth through the three primary environments mentioned above, students are encouraged to join faculty members for worship and service in local churches. Additional opportunities to serve in paid and volunteer positions of leadership in a local church can be found in the Campus Ministry office, the Placement Board in Montgomery Hall, and through the Church Relations Committee.

Though the attitudes and beliefs of individual members of the academic community generally reflect the viewpoints of the Baptist constituency, there is no attempt to seek religious conformity from students of diverse persuasions. The freedom of the individual to develop his own spiritual insights is one of the most cherished of Baptist traditions; it is of paramount importance on this campus.

**Chapel** - Chapel is the central gathering where the OBU family worships and glorifies God while building community, informing and educating. The Chapel program is an integral part of campus life at Oklahoma Baptist University. Chapels emphasize praise and participation in a creative and celebratory atmosphere. Chapels are provided each Wednesday of the semester at 10:00 am. Alternative worship experiences at 10:00 am on select Mondays and Fridays are more casual in atmosphere and are often more student-oriented in style, presentation and leadership.

## The Geiger Center

The Geiger Center is a facility which serves the entire community. The center houses the Geiger Counter SnackBar/Convenience Store and the coffee shop, mailroom, copy center, OBU Bookstore, the Laura Scales Cafeteria, meeting rooms, special dining areas and information desk, as well as a prayer room. The offices of the Dean of Students; Director of Events, Conferences, and Camps; Director of Residential Life and Campus Activities; Student Government Association; and the Student Services Center are located in the Geiger Center. The Student Services Center includes Career Development Services, Testing Services, Special Services, Counseling Services and Student Health Services.

## Bookstore

The University Bookstore is located on the lower floor of the Geiger Center and is open for purchase of textbooks and supplies from 8am to 5pm, Monday through Friday, when classes are in session and during all scheduled enrollment periods.

Bookstore charges may be paid by cash, check, Visa, or MasterCard bank cards.

## Residence Halls and Living Accommodations

A long-standing tradition of Oklahoma Baptist University has been the provision of a residential campus. This position has been affirmed through research, which reveals that if students remain in campus housing they are more likely to complete their college education, develop a strong spiritual formation, participate in campus activities, adjust to various social situations, and establish lifelong friendships with students and faculty.

*The Green Book* and the *Residential Life Handbook* provide further information, including policies and procedures related to living on campus and off campus. These documents are located on the web at [www.okbu.edu/campuslife](http://www.okbu.edu/campuslife).

### The University maintains five housing units for men.

**Agee Residence Center**, (named for former OBU president Bob Agee and his wife Nelle and formerly known as Brotherhood Dormitory), includes rooms with movable furniture, accommodates 365 men, and features its own laundry facilities, co-ed fitness center, big screen television viewing area, and a computer lab. Agee is equipped with cable television, telephone service, and OBU computer network access in each student room.

**Apartment Village** accommodates 138 junior and senior men in 24 furnished apartments. The Apartment Village features four individual rooms, two shared bathrooms, full kitchen, and shared living room. Twelve of the apartments have washers and dryers. All apartments include cable television and computer access.

**East Devereaux Apartments** provide housing for 21 men in nine furnished apartments with cable television, telephone and computer access in each.

**MacArthur Drive Apartments** accommodate 64 junior and senior men in 16 furnished apartments. MacArthur Drive Apartments were built in 1991. These apartments are equipped with cable television, telephone and computer access in each.

**Midland Apartments** provide housing for 16 men in five furnished apartments with cable television, and computer access in each.

### **There are seven housing units for women.**

**WMU Residence Center**, which was built by funds provided by the Woman's Missionary Union of Oklahoma, is a residence for freshman women. This facility was expanded and extensively renovated in 2009 to accommodate 196 students. Recent improvements to this facility include new furniture, cable television, and OBU computer network access in each student room.

**Kerr Residence Center**, a residence for 234 women, was named for Mrs. W.S. Kerr, mother of the late Senator Robert S. Kerr. This facility was extensively renovated during 1995 and 1996. Each student room is equipped with cable television access, telephone service and OBU computer network connections. In addition, a computer lab is located on the second floor for the use of all residents of this facility.

**Howard Apartments**, named in honor of the late Dr. R.C. Howard and Mrs. Howard, is comprised of 12 townhouse apartments for 48 junior and senior women. Cable television access and computer access are available in each unit.

**Howard Residence Center**, named in honor of the late Dr. R.C. Howard and Mrs. Howard, consists of 12 townhouse apartments for 48 junior and senior women. Cable television access and computer access are available in each unit.

**West University Apartments** house 160 junior and senior women in 40 apartments. These apartments provide year-round housing for female students and are each equipped with cable television, computer and telephone access.

**The Doris and Jim Taylor Residence Center**, a hall for 156 women, opened in August 1997. This hall houses sophomore, junior, and senior women in suites each having their own bathroom facilities, computer network and cable television access.

**Apartment Village** accommodates 92 junior and senior men in 24 furnished apartments. The Apartment Village features four individual rooms, two shared bathrooms, full kitchen, and shared living room. Twelve of the apartments have washers and dryers. All apartments include cable television and computer access.

### **Residence Hall Regulations**

Each residence is supervised by a Residence Director who is a member of the administrative staff of the University. The director is assisted by student resident assistants, upperclass men and women carefully chosen and trained for this important responsibility.

Residence halls are normally closed during official University holiday periods.

### **Room Reservations**

New students who desire to have a room reserved in a residence hall should contact the Office of Admissions for an application form. This application should be submitted at the earliest possible time prior to the opening of the semester for which the student expects to be admitted.

### **Burns, Cobbs and West Devereaux Apartments for Married Students**

The University has a limited number of unfurnished apartments available for rental to married students with and without children. At least one spouse must be classified as a full-time student, taking a minimum course load of 12 credit hours each semester. A prospective student's name will be placed on the apartment waiting list only after his/her application for admission to the University has been accepted and the required deposit has been paid. Students who desire information about married student housing and the application process should contact the Office of Residential Life.

## **General Regulations**

### **Automobiles**

Possession and operation of an automobile on campus is considered a privilege.

All automobiles operated on campus must be registered with the Cashier's Office. Laws and regulations promulgated by state, local, and University authorities must be observed. Responsibility for an automobile resides with the person who registers it. Regulations are published each year in the *Green Book*.

## Chapel

Chapel is a long-standing tradition on Bison Hill and is a vital part of the University community. Chapel is the gathering where the OBU family worships and glorifies God while building community, informing, and educating. The Chapel program is an integral part of the life of Oklahoma Baptist University. Chapel programs emphasize praise and participation in a creative and celebratory atmosphere.

Chapel attendance is a graduation requirement for all students enrolled full time (12 credit hours or more) and for students residing in campus housing without regard for the number of hours enrolled. In order for a student to graduate and receive a diploma, all academic requirements must be met including satisfying the chapel attendance policy. Failure to meet the number of required chapels will result in the student contracting to make up the deficiency before a degree is awarded.

Students are required to attend a total of 96 chapel programs to receive a bachelor's degree. The number is prorated for students who attend fewer than eight fall/spring semesters. Credit for chapel attendance is given only for attending chapel. Absences are neither excused nor unexcused. Doctor appointments, illnesses, school-related activities, and other reasons for failure to attend chapel do not reduce the total number required.

Attendance is recorded by scanning a valid, functioning OBU ID card upon entering and departing the chapel program. Students must be in the auditorium and successfully scan their ID card at the conclusion of the program in order to receive chapel credit.

## College Citizenship

All students of the University are expected to maintain the highest standards of moral conduct and concern for the well-being and rights of their fellow students.

*The Green Book*, the student handbook, provides detailed statements of University policies, procedures and penalties relating to campus citizenship. It is the student's responsibility to be aware of the information contained therein. *The Green Book* may be accessed at [www.okbu.edu/campuslife](http://www.okbu.edu/campuslife).

## Student Educational Records

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. These rights include:

The right to inspect and review the student's education records within 45 days of the day the University receives a request for access. Students should submit to the registrar, dean, head of the academic department, or other appropriate official, written requests that identify the record(s) they wish to inspect.

The University official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the University official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

The right to request the amendment of the student's education records that the student believes are inaccurate or misleading. A student may ask the University to amend a record that he or she believes is inaccurate or misleading. The student should write the University official responsible for the record, clearly identify the part of the record he or she wants changed, and specify why it is inaccurate or misleading.

If the University decides not to amend the record as requested by the student, the University will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. The following are some, but not all, of the exceptions which allow disclosure by the University without the student's consent.

Disclosure may be made to school officials with legitimate educational interests. A school official is a person employed by the University in an administrative, supervisory, academic or research, or support staff position; a person or company with whom the University has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, the University discloses education records without consent to officials of another school in which a student seeks or intends to enroll.

The University may disclose directory information, that is, information contained in the education record of a student that would not generally be considered harmful or an invasion of privacy if disclosed. Directory information includes, but is not limited to, the student's name, address, telephone listing, electronic mail address, photograph, date and place of birth, major field of study, dates of attendance, grade level, enrollment status, participation in officially recognized activities and sports, weight and height of members of athletic teams, degrees, honors and awards received, and the most recent educational agency or institution attended unless the student notifies the Director of Academic Records/Registrar in writing within two weeks of registration that the student does not want any or all this information disclosed without the student's consent.

The University may disclose information concerning a student which is furnished to the University by the State of Oklahoma pursuant to the Campus Sex Crimes Prevention Act.

The University also may disclose, to a victim of an alleged perpetrator of a crime of violence or a non-forcible sex offense, the final results of the disciplinary proceeding conducted by the University with respect to that alleged crime or offense.

The University may release information to the parents of students under the age of 21 at the time of the disclosure when the University determines that the student has violated University rules or the law governing the use or possession of alcohol or other drugs. The University also may release any student record to the parents of a dependent student, as defined in section 152 of the Internal Revenue Code of 1986.

The right to file a complaint with the U.S. Department of Education concerning alleged failures by the University to comply with the requirements of FERPA.

Oklahoma Baptist University may issue a copy of the academic transcript of a deceased student to the executor/executrix of that individual's estate upon receipt of a written and signed request accompanied by a copy of the court document of appointment. If the individual's estate did not go through probate and there is no court-appointed executor/executrix, a copy of the academic transcript of the deceased student may be issued to the next of kin who possesses the state-issued death certificate upon receipt of a written and signed request accompanied by a copy of that certificate. Transcript copies issued under such circumstances will be clearly labeled as being the academic record of a deceased individual.

**Note: Students desiring to share their records with their parents/guardians may declare such intentions by submitting a completed FERPA Release form at the Registrar's Office in the Academic Center.**

## Types of Degrees

The University offers programs of study leading to the following degrees: Bachelor of Arts, Bachelor of Science, Bachelor of Science in Education, Bachelor of Business Administration, Bachelor of Music, Bachelor of Music Education, Bachelor of Fine Arts, Bachelor of Musical Arts, Bachelor of Professional Accountancy, Associate of Arts in Christian Studies, Master of Business Administration, Master of Science in Marriage and Family Therapy, and Master of Science in Nursing.

The choice of area of concentration or major determines the degree granted. Bachelor of Science degrees are awarded those with a divisional concentration in natural science or a departmental concentration in biology, chemistry, physics, mathematics, or computer science. Students who complete degrees in the College of Nursing receive the Bachelor of Science degree. Students in PK-12 (foreign language and physical education), elementary education, early childhood education, special education, or secondary education programs, regardless of the area of specialization, receive the Bachelor of Science in Education degree.

The Bachelor of Arts degree is awarded for all other

divisional or departmental concentrations or majors in the College of Humanities and Social Sciences. Majors in art, communication studies, music, telecommunication, and theatre in the Warren M. Angell College of Fine Arts, and all majors in the Herschel H. Hobbs College of Theology and Ministry receive the Bachelor of Arts degree.

Concentrations within the Paul Dickinson College of Business are applied to the Bachelor of Business Administration, Bachelor of Professional Accountancy or Bachelor of Science degrees.

Areas of concentration in music and church music are applied to the Bachelor of Music degree, Bachelor of Arts, and Bachelor of Musical Arts, areas of concentration in music and education to the Bachelor of Music Education degree.

A Bachelor of Fine Arts degree is awarded those with an area of concentration in studio art.

## Degree Requirements

Minimum requirements for the baccalaureate degree are 128 semester hours of course work. All students complete a program of Common Core and Flex Core courses, and courses in an area of

concentration, or major and minor courses, to bring the degree program to the minimum of 128 hours; some professional programs require more than this total number of hours. A minimum of 39 hours must be junior or senior level (courses numbered 3000-4999).

A second degree may be earned upon the completion of at least 32 additional semester hours, bringing the total to a minimum of 160 semester hours. Students earning a second degree must complete a minimum of six semester hours selected from the following: REL 1013 Old Testament History and Literature, REL 1023 New Testament History and Literature, and/or REL 3073 Biblical Ethics. University residence requirements must be met for the second degree. (See the University residence requirements of this catalog). All courses applied to the second degree must be approved by the appropriate dean.

### **Bachelor of Arts, Bachelor of Science**

General requirements for the B.A. and B.S. degrees are summarized in the academic catalog programs of study and online at [www.okbu.edu](http://www.okbu.edu). Reference should also be made to the departmental course listings for special recommendations concerning choice of general education courses for particular flex core and area of concentration or major/minor; in some cases (e.g. nursing, the sciences, mathematics, psychology, health, physical education and recreation) substitutions for general education courses may be required. The computer science concentration is summarized in the information on the College of Business.

### **Bachelor of Science in Education**

General requirements for the B.S. in Ed. are summarized in the academic catalog programs of study and online at [www.okbu.edu](http://www.okbu.edu) with certain exceptions noted in the footnotes. Reference should be made to the departmental course listings for special recommendations concerning choices to be made in the flex core and in the area of concentration. Requirements for admission to the Teacher Education program are listed in the section on Teacher Education (see the Teacher Education section of this catalog).

### **Bachelor of Business Administration**

Special requirements for the B.B.A. degree are summarized in the College of Business.

### **Bachelor of Music, Bachelor of Music Education, Bachelor of Fine Arts, Bachelor of Musical Arts**

Special requirements for B.M., B.M.E., B.F.A., and B.M.A. degrees are described in the College of Fine Arts.

## **Degree Components**

### **Common Core**

The Common Core consists of general education courses which are designed to develop the essential skills needed for all learning, provide a common core of knowledge for the intellectual life of the University, and set a context of meaning and value for the student's specialized study in the area of concentration or major field. Such learning is considered to be of primary importance as the University attempts "to offer a broad-based, liberal arts education and specialized professional training in mutually supportive roles."

The common educational experience gives all students at the University a valuable means of intellectual discourse and serves as a reference point for advanced study in all departments. These courses stress the interrelation of all knowledge and show how various fields of study inform one another, thus building for students a core of durable knowledge as they progress in their college careers.

### **Physical Education Activities**

The program of physical education activities is intended to encourage a physical well-being conducive to better study and a more enjoyable college life; to develop lifelong skills and resources for leisure; to establish attitudes conducive to a planned program of physical recreation beyond the college years; and to promote the concept of wellbeing as basic to a happy and productive life. Two courses are required, including PHED 1001, The Wellness Lifestyle; but it is hoped that students will continue to participate in intramural activities throughout their college careers. No general exemptions from the program will be allowed; persons with physical limitations will be served through special accommodations as necessary.

### **Flex Core**

Students must also complete a Flex Core, which will vary in content according to the degree chosen. The Flex Core consists of a minimum of 12 hours chosen to strengthen the Common Core but also to provide flexibility to serve specific needs of the various degrees. One choice must include mathematics or science, and one choice must include communications or philosophy. The remaining options will be from the following disciplines: anthropology, communication, economics, mathematics at the level of MATH 1033 or above, philosophy, political science, psychology, science and sociology. The other courses in the Flex Core are chosen to support the specialized courses in a degree program. For a list of courses required in the Flex Cores, see the descriptions under Degree Programs.

Students majoring in music will complete Foundation Courses which consist of music courses that support the specialized courses in the major. For a list of courses required in the Foundation Courses, see the descriptions under Degree Programs.

### **Area of Concentration/Major, Minor**

Each student must complete an area of concentration of a minimum of 40 hours or a major of at least 30 hours and a minimum of 18 hours in a minor. If a student chooses to pursue a 30-hour major, a minor is required. Each department has established minimum requirements for departmental and divisional concentrations and for majors/minors as are indicated in the departmental sections in the following pages. An area of concentration consists of courses chosen primarily from a single department, division or school with three or more supportive courses selected from a related area. A departmental major consists of courses primarily in the departmental offerings with a minor chosen from another department either in the same or another school/college as that of the departmental major.

Areas of concentration and minors within the Division of Music applied to Bachelor of Music degrees consist of specific music courses for which grades of C or better must be earned. These courses are indicated with an asterisk in the degree programs shown in the College of Fine Arts listings. The area of concentration also includes principal applied music study and secondary applied music study in most programs. Other courses in music for the B.M. and in music and in education for the B.M.E. degrees are regarded as supportive courses for the degree.

### **Interdisciplinary Area of Concentration**

Students in colleges other than Nursing may request permission of their Dean to construct an interdisciplinary area of concentration, consisting of at least 14 courses from two or more departments. It is understood that the purpose of constructing such a degree program is to obtain better and more appropriate education for a given career or calling than could be acquired by following an established department program. The value of such a program should be weighed carefully against the loss in depth of preparation in one discipline.

All programs must include at least 39 hours of courses at the 3000-4000 level. If the program consists of a major-minor combination, at least half of the major and half of the minor must include courses at the 3000-4000 level. If the program consists of an area of concentration, at least half of the hours in the area of concentration must include courses at the 3000-4000 level. If the program

is an Interdisciplinary area of Concentration consisting of at least 14 courses, at least half of the 14 courses must be at the 3000-4000 level, and the Interdisciplinary Area of Concentration must meet all additional requirements for this program, as previously described in this catalog. At least eight courses in the area of concentration must be at the 3000 or 4000 level. Students who elect the Interdisciplinary Concentration will not be designated as majors in any department without the express consent of the departmental chairman and the dean of the college or school. At least six courses from a given department, three or more which normally must be at the 3000 or 4000 level, must be included in order for that department to be named in the area of concentration.

Those desiring such a concentration are required to complete an application form, available from the office of the Dean. Completion of the application will require

1. a degree check with the Degree Counselor,
2. preparation of a written rationale for the course of study,
3. the advice and approval of a faculty advisor from each department represented in the concentration, and
4. approval of the Dean of the college offering the degree. For further information, consult the office of the Dean. This procedure need not be followed for the Bachelor of Humanities program.

## **Requirements for All Degrees**

### **English Proficiency**

All students are required to demonstrate proficiency in written English in order to qualify for admission to advanced level work (courses numbered 3000-4999).

Proficiency is demonstrated by earning a grade of "C" or higher in ENGL 1163.

**For transfer students,** proficiency is demonstrated by passing a second semester English composition class with a "C" or higher or by taking and passing with "C" or higher a comparable essay examination at another institution.

**Exemption:** Students who are enrolled in only Continuing Education courses are exempt from the requirement until they become candidates for a degree.

**Enrollment in ACRS 3151:** With the exception noted above, all students who have completed 45 hours and have not met the English proficiency requirement as stated above must be enrolled in a

writing skills course. Students must continue to be enrolled in a writing course until the English proficiency is passed. Only students who have passed the English proficiency will be allowed to withdraw from the writing skills course. The Dean of the College of Humanities and Social Sciences may approve exceptions.

**Deferral of Writing Skills:** Students enrolled in fewer than 12 hours in a given semester may be allowed to delay taking a writing skills class by completing a “Request for Deferral” at the time of enrollment. Under other unusual circumstances, the Dean of the College of Humanities and Social Sciences may grant other students the right to delay enrollment in writing skills. “Request for Deferral” forms may be obtained in the office of the Dean of the College of Humanities and Social Sciences.

**English proficiency prerequisite to 3000- and 4000-Level Courses:** Successful completion of English proficiency requirement is a prerequisite to enrollment in any 3000- or 4000-level course. Waivers will be given only in unusual circumstances.

**English Proficiency Required for Graduation:** Successful completion of the English proficiency is a graduation requirement (see “Graduation Requirements,” section of this catalog).

## Teacher Education

One of the major functions of the University is teacher education. Through the teacher education program, the student may complete requirements for the degree of Bachelor of Science in Education or Bachelor of Music Education and at the same time complete requirements for an Oklahoma Teaching License.

If a student expects to complete a teacher education program at the University in the regular time of four years, he/she must file an application for admission to the program with the Teacher Education Committee during the sophomore year.

The criteria for approval are: (Teacher Education)

1. Successful completion of 36 semester hours.
2. Completion of an application for teacher education during the sophomore year, submitted by the end of the third week of classes of the semester in which application is filed. (A transfer student of junior standing or above, an OBU graduate, or a graduate of another college who seeks teacher certification at OBU must file an application for admission to the program at the time he/she enters the University.)
3. A minimum grade point average of 2.50.

4. Completion of the English composition courses (ENGL 1153-1163) and Introduction to Speech Communication (CMAR 1092) with grades of at least C. Should a student make an unsatisfactory grade in either course he/she must repeat the course and earn a grade of at least C.
5. Written expression of interest in teaching as demonstrated by descriptions of prior experiences and activities.
6. An academic record that clearly indicates the person's commitment to the academic aspects of teaching.
7. An interview showing evidence of personal traits that suggest potential for working with youth, with parents, and with the other constituencies of a teacher.
8. Attainment of acceptable levels of proficiency in reading, writing, and mathematics as evidenced by results of the Oklahoma General Education Test (OGET).
9. Recommendations from the faculty advisor and three college teachers who know the student.

Each admission will be based on a professional assessment of the candidate on all of the above criteria.

Admission to the second phase of teacher preparation - Student Teaching - is also based on Committee approval.

The criteria for admission to Student Teaching are:

1. Admission to Teacher Education Program.
2. Attainment of junior standing or above.
3. Completion of an application for student teaching. (This application must be submitted prior to the end of the third week of classes of the semester preceding the semester in which the student teaching is done.)
4. Attainment of a grade point average of 2.50 in the major.
5. Maintenance of an overall grade point average of 2.50.
6. Recommendations from the faculty advisor and three other college teachers who know the student, including an instructor in the student's major area plus two (2) current or recent OBU instructors.
7. Recommendation of the department or division which has approved the student's degree program (evidenced by the signature of the departmental or division chairman).
8. Recommendation of the Director of Teacher Education.

## Special Notes

Candidates for an Oklahoma Teaching License must pass the Oklahoma General Education Test (OGET), Oklahoma Subject Area Test (OSAT), and Oklahoma Professional Teaching Examination (OPTE).

Candidates must also create a portfolio documenting attainment of specified competencies throughout the four year program. Application must be made to the State Department of Education and have the approval of the Director of Teacher Education.

Requirements for Teacher Education are subject to changes caused by legislative enactment, State Department of Education rules, Oklahoma Commission for Teacher Preparation rules, and/or State Board of Education regulations.

More detailed information concerning the requirements for admission to Teacher Education can be found in the current Teacher Education Handbook .

## Degree Check

Each student must complete, during the fall semester of his/her junior year, a degree check which certifies the courses which the student has completed and the courses he/she must complete to fulfill all degree requirements. The degree check sheets may be obtained from the Academic Center.

**The degree check must be signed by the student, the faculty advisor, and the dean of the student's college or school. All changes in the official degree program approved on the degree check sheet must be agreed upon by the student and his advisor and must be approved by the dean.**

At the time of the degree check, a student must certify that he has furnished to OBU official transcripts of all post-secondary work attempted. All additional transfer work must fulfill deficiencies indicated on the degree check sheet and should be approved by the advisor and dean before the student seeks enrollment in the courses he wishes to transfer.

## Graduation Requirements

All candidates for University degrees will be expected to meet the following requirements:

1. Completion of an approved degree program. A grade point average of 2.00 is required for all courses attempted. No more than 18 semester hours may be completed with a grade of D on a degree program. A grade point average of 2.00 is required in the area of concentration, the major, the minor, and in supportive

courses. **No D's will be accepted in the area of concentration and the supportive courses or in courses comprising majors and minors.** Students who have not corrected all irregularities in their degree programs by the beginning of their final term will not be permitted to become candidates during that term.

2. Completion of at least 33 semester hours at the University out of the last 64 semester hours required for the degree. A minimum of 50% of hours completed toward the area of concentration or toward a major and a minimum of six hours toward the minor must be completed in residence. A maximum of 12 semester hours of work transferred from another accredited institution of higher education may be applied toward graduation during the senior year. Pre-medical and pre-engineering students who have completed in residence at the University three years (at least 100 semester hours) including all general education courses and some work on the area of concentration may complete the concentration by transferring courses from the first year of professional study. A transcript which indicates satisfactory completion of courses totaling 32 semester hours from an institution recognized by an accreditation agency approved by the State of Oklahoma or federal agencies of education must be submitted prior to the Commencement in which the baccalaureate degree is to be conferred.
3. Maintenance of acceptable standards of ethical conduct as a student and as a member of the professional or disciplinary area of academic preparation. The University reserves the right to withhold or deny the award of a degree to any student who, although having completed the academic requirements, has evidenced deficits in character or conduct which prohibit the University from conscientiously certifying him/her to the public as competent to exercise independent judgment in his/her area of academic preparation.
4. Satisfaction of the requirements for chapel attendance as stated on page 40-41.
5. Completion of all special examinations required for the degree. Certain departments require satisfactory scores on a comprehensive examination administered within the department.
6. Completion of any special departmental requirements such as the recital attendance

and participation regulations within the College of Fine Arts, the requirements for exhibits of student work by the Department of Art, or the performance requirement of the Department of Communication Arts.

7. Fulfillment of all financial obligations to the University.
8. Approval of the faculty. The University faculty takes formal action on all candidates for baccalaureate degrees.

Although participation in Commencement is not a requirement for graduation, students are encouraged to participate in one of the two Commencement exercises during the academic year. In order to participate in the spring Commencement, a student must have already completed all degree requirements or must be taking courses that will complete all degree requirements by the end of the spring semester. In order to participate in the winter Commencement, a student must have already completed all degree requirements or be enrolled in courses that will complete all degree requirements by the end of the following January term. A student unavoidably prevented from participation must submit to the dean of his/her school or college, prior to Commencement, a letter requesting that his/her degree be conferred in absentia. The reason for the request should be outlined in the letter. The dean must notify the Provost of the student's absence from Commencement participation.

When maintenance of sound educational policy or fulfillment of state or accrediting agency policy dictates changes in degree requirements during a student's progress toward a degree, the University will work with each student to determine which requirements shall be implemented. Students should be warned that in those cases where graduation requirements are not completed in six calendar years, the likelihood of such changes requiring additional course work is increased.

## Scholastic Standards

The unit of instruction is the semester hour. Courses are offered for one to ten semester hours of credit. Instruction for most courses involves an equivalent number of periods each week to the semester hours of course credit during the fall and spring semesters, which are approximately 16 weeks in duration. Courses which require laboratory work or practice time for development of proficiencies will usually require additional meetings each week. A normal load during spring and fall terms is considered to be 12-16 hours; in the January term and the four-week summer terms, a normal load is three to six hours. Students on academic probation should limit

enrollment in a fall or spring semester to no more than 12-13 semester hours in order to allow more study time for each course to raise the grade point average and avoid academic suspension from the University. Students must have a 2.50 grade point average and obtain the permission of the dean for enrollment in 18 or more semester hours in the spring and fall terms. In all courses, a minimum of two hours of study time should be scheduled in preparation for each hour in class.

### Grades

All grades are filed in the Academic Center as a part of the permanent record of the student. Successful completion of any course depends on fulfilling the specific requirements of the course as dictated by the instructor at the level of competency which he/she requires. Maintenance of acceptable standards of ethical conduct as a student is also required for successful course completion. The grades and quality points given are in descending order of excellence:

A (4.00), B (3.00), C (2.00), D (1.00)

\*IP (0.0) - Work in Progress. Granted in special circumstances for those courses which take more than one semester to complete such as Cooperative Education courses, in some instances, and/or 4999 courses taken to fulfill honors study requirements. In special instances, permission for this grade may be granted by the dean of the college in which the course is taken. The grade is granted for one calendar year; a shorter time period may be specified by the instructor.

F (0.0) - Failing

FX (0.0) - Failure because of excessive absences.

\*I (0.0) - Incomplete. A neutral mark, the I is given at the discretion of an instructor when, for a legitimate reason, a student is not able to complete course requirements within a given semester. Typical instances might be absence from a final examination because of illness or inability to complete a term project because of extenuating circumstances. A contract signed by the instructor and by the student must accompany this grade to indicate the nature of the work to be completed. An I may not be used as an alternative to a grade of F. An Incomplete Grade must be made up before the seventh week of the next fall or spring semester whether or not the student is subsequently enrolled at OBU. If the grade is not made up by the deadline, it will be changed to a failing grade (F) on the transcript.

\*Audit - No credit and no grade will be recorded.

The instructor may require that the student complete all class assignments. Application to audit a course must be made at the time of enrollment. Tuition for an audited course is the same as enrollment for credit.

\*W - Neutral grade given for withdrawals after the second week and before the 10th week of the semester. Withdrawals are normally not allowed beyond the ninth week. Withdrawals are normally not permitted after ten academic days of the January term, after eleven academic days of a four-week summer term, or after 21 academic days of the eight-week summer term.

\*S - Satisfactory. This grade is given for non-credit seminars, for certain activity courses, and for courses by juniors and seniors under the pass/fail option.

\*U - Unsatisfactory. This grade is given for noncredit seminars, for certain activity courses, and for courses by juniors and seniors under the pass/fail option.

*\*Not included in computation of grade point average.*

### Grade Averages

Grade averages are computed by dividing the total number of semester hours attempted for an A, B, C, D, or F grade into the total number of quality points earned. Courses taken on a pass/fail basis (i.e. with grades of S or U) and incomplete grades are not considered in computation of grade averages.

When a course is repeated, only the grade from the last attempt is computed in the GPA. This policy applies to courses taken and repeated at OBU, courses taken and repeated at other institutions, and courses taken at other institutions and repeated by taking equivalent courses at OBU. All grades remain on the transcript with repeated courses marked. The following exceptions apply to the above policy:

If a course taken at OBU is repeated at another institution, both grades will be calculated in the GPA.

If a course is taken with the normal grading procedure (A, B, C, D, F), it cannot be repeated with the pass/fail option.

### Pass/Fail Option

Juniors and seniors may enroll in a maximum of 12 semester hours on a pass/fail basis. Any 2000, 3000, or 4000 level course outside the academic discipline chosen for emphasis in the area of concentration or major and minor may be taken on a pass/fail basis. Courses taken to fulfill Common Core may not be taken on this basis, however. Application to take a course for pass/fail must be made at enrollment time; otherwise, a letter grade will be given.

## Academic Probation, Suspension

Students are expected to maintain a 2.00 grade average, which is the minimum required of candidates for University degrees. When the cumulative grade average is below the following minima, the student is placed on academic probation: 1-29 semester hours attempted, 1.75; 30-59 semester hours attempted, 1.90; 60 or more semester hours attempted, 2.00. Both the average of grades earned at Oklahoma Baptist University and an overall average including any transfer work must meet the above minima.

Failure to reach the above minima for two consecutive semesters will result in the suspension of the student from the University. Students under academic suspension normally may apply to the Provost for reinstatement. Reinstatement of the student is not automatic but depends on the quality of evidence submitted to the Provost to justify belief that normal progress may be made toward satisfaction of degree requirements. Reinstated students must pass all courses attempted for each succeeding semester or a second suspension will result.

Students admitted conditionally may be placed on suspension if the work offered during the first semester at Oklahoma Baptist University is not of sufficient quality to allow normal progress toward a degree.

**Students who have attempted the number of semester hours required for the degree but have not reached a 2.00 average are required to satisfy quality point deficiencies through enrollment in courses of senior college level (i.e. courses numbered 3000 or above).**

## Grade Reports

Electronic distribution of grade reports is made shortly after the close of each semester.

## Class Standing

Students who have earned fewer than 30 semester hours are classified as freshmen; 30-59 semester hours, sophomores; 60-89 semester hours, juniors; 90 semester hours and over, seniors.

## Change of Course

Changes to a student's schedule may be made in the Academic Center or online at the current student resource page: [www.okbu.edu/current-students](http://www.okbu.edu/current-students) at Self Service Banner [Online Registration]. Online changes in Self Service Banner may be made through the 100% Withdrawal Credit period found on page 26. Online Registration requires a pin number obtained from your advisor. Changes made in the Academic Center require a signature from your

advisor on a registration card. The effective date of a course change, enrollment, or withdrawal is the date the procedure is completed in the Academic Center.

## Adding a Course

1. No course may be added to a student's schedule **after the first week** of class during the **spring** and **fall** semesters.
2. No course may be added to a student's schedule **after the first week** of the **eight-week summer** semester.
3. No course may be added to a student's schedule **after three days** of the **four-week summer** sessions.
4. No course may be added to a student's schedule **after two days** of the **three-week January** semester.

A grade of 'W' for any class that is dropped from a student's schedule after a specified date for each semester is considered a withdrawal, otherwise the class is considered dropped from the student's schedule and no grade will appear on the student's transcript.

## Withdrawal/Dropping a Course

1. A grade of 'W' is given for withdrawals **after the second week** of class and **before the 10th week** during the **spring** and **fall** semesters. Withdrawals are normally not allowed beyond the ninth week.
2. A grade of 'W' is given for withdrawals **after the first week** of class during any **eight-week course**. Please consult the Academic Calendar for the last date to withdraw for the summer semester. Withdrawals are normally not allowed beyond the first week.
3. A grade of 'W' is given for withdrawals **after the three days** of class during the **four-week summer** sessions. Withdrawals are normally not allowed beyond the fourth day. Please consult the Academic Calendar for the last date to withdraw for summer session I and II.
4. A grade of 'W' is given for withdrawals **after two days** of class during the **three-week January** semester. Withdrawals are normally not allowed beyond the second day. Please consult the Academic Calendar for the last date to withdraw for the January semester.

## Arranged Courses

Any regular course described in the Academic Catalog which is taken by arrangement (i.e., at a time or in a manner differing from the scheduled offering) must be approved by the dean of the college or school administering it. This rule does not

apply to courses indicated as arranged courses on the class schedule. A fee will be assessed for taking a course by arrangement (see Financial Information).

### Independent Study Courses

Independent study courses are designed to cover, either in breadth or depth, material not already contained in a regular catalog course in that department. Independent study courses are available in most academic departments of the University. Application for independent study under the course number 2999 or 4999 should be made at least one week prior to the anticipated date of registration. Proposal forms are available from the Academic Center or on the OBU website and are to be submitted to the student's dean. The following general regulations apply:

1. A student requesting credit in a 2999 course should have completed a minimum of 24 hours with at least a B grade average. A student requesting credit in a 4999 course should have completed most of the required courses for a concentration, major, or minor, be classified as a junior or senior, and have at least a B average in the subject area. A student with incomplete course work (indicated by grades of I or E on the transcript) will not be approved.
2. One 2999 course may be taken in a field of study and only two 2999 courses may be taken in a degree program. One 4999 course may be taken in a major, one in a minor, or two in an area of concentration.
3. Credit for a 4999 course will be three semester hours unless specific exception is made in the approved proposal.
4. Students engaged in honors study may request one 4999 course for the work done in the program by completing the 4999 proposal form, having it approved, and registering in the course. This course is included in the limits outlined in (2).
5. A student will not be registered in a 4999 course until the registrar has received the approved proposal form from the student's dean.

### Academic Credit for GO Center-Sponsored Activities

Students participating in travel/study experiences associated with a specific course are not required to seek special consideration for academic credit. However, individual students desiring to earn credit while participating in GO Team experience through the university's Avery T. Willis Center for Global Outreach must adhere to the following guidelines:

1. Sophomore standing or minimum of 30 credit hours completed;

2. GPA of at least 2.5;
3. A maximum of six (6) credit hours may be applied toward the major or minor; and,
4. Dean's permission is required.

The decision to facilitate an arranged course or a course by independent study is at the discretion of faculty in consultation with the academic dean.

## The Milburn Center

### Academic Advising

A faculty advisor is assigned to every student for the purpose of assisting the student with proper academic planning of his/her program. Normally a faculty advisor is chosen by the dean of the college/school in which the student plans his/her degree work. However, students who are undecided concerning their programs will be assigned advisors by the Academic Advising Center. Once an area of concentration or major is determined, a faculty member from the department of emphasis will be the advisor.

Students are advised that the final authority with respect to academic requirements is found in the official publications and regulations of the University. Any advice which students obtain inconsistent with those policies and regulations should be confirmed in writing by an academic officer responsible for administration of the pertinent degree or program area.

### Student Success

OBU's Student Success Center exists to nurture success in each student. The center's staff are available for students of all majors, classifications and academic needs. The center assists with comprehension of course material as well as in the development of study, research, analytical, reading, writing and critical thinking skills.

The center offers tutoring in most core subjects as well as in mathematics, chemistry, physics, accounting and economics. Students also can find assistance for writing assignments and for strengthening or developing general study strategies. Further services include academic peer mentoring, broad-based writing support, and assistance in developing formal learning plans. Writing assistance and academic support are available in one-on-one, small-group, and large-group settings.

The center is on the third floor of the Mabee Learning Center. Special group study events are offered by the center throughout the academic year. For the center's schedule, visit [www.success.okbu.edu](http://www.success.okbu.edu), or for more information, email [student.success@okbu.edu](mailto:student.success@okbu.edu).

## Testing Services

The Testing Office administers the majority of non-classroom related tests on campus. Among those given are the English Proficiency Exam, the CLEP, the ACT, the PPST, and interest inventory/ personality inventory tests. The Testing Office is located in the Mabee Learning Center.

## Withdrawal Procedures

OBU makes readily available upon request to enrolled and prospective students a refund policy with which the institution is required to comply for the return of unearned tuition and fees and other refundable portions of costs paid to the institution.

### Unofficial Withdrawal

Students who stop attending classes during a semester will be considered as withdrawn students for federal aid purposes. The faculty members notify the Registrar when such an occurrence happens and the information is forwarded to the office of Student Financial Services to complete a return of Title IV refund calculation. Students who receive grades of all FX (failure due to non-attendance) may also be subject to a calculation if the last date of attendance was before the end of the semester. The office of the Registrar confirms the last date of class attendance with the professors of students who receive all FX grades and report that date to the office of Student Financial Services for use in the calculation.

### Withdrawal Process

Students wishing to officially withdraw from the university during a semester must first visit with the Director of Student Success for an exit interview. The Director of Student Success will authorize the withdrawal and student will take the withdrawal card to the office of the Registrar. The student will be withdrawn from all courses which will automatically credit any tuition, fees, room and board refunds to the student's account (see page 26). The student will then take the card to the office of Student Financial Services to determine the final status of their tuition account based on the refund policies above as well as the return of Title IV refund calculation for federal aid recipients. The staff member in Student Financial Services will debit any federal, state or institutional funds for which the student has not earned based on the date of withdrawal and the refund calculation. The adjustments are made immediately to the student's account and the student is directed to the Business Office to request any credit due to the student (or parent in case of PLUS loan credit) or to make payment arrangements for any amount due. Federal funds are then returned electronically using the Department of Education tools.

## Refunds following Withdrawal

Once the withdrawal process is complete, if a credit exists on the student's account and the credit is from scholarships, grants, work study earnings and student loans, the credit will be issued to the student. If the credit was caused by a parent PLUS loan, the credit up to the amount of the PLUS loan will be issued to the parent borrower of the PLUS loan.

## Return of Title IV Refund Calculation following Withdrawal

The institution makes readily available upon request to enrolled and prospective students a summary of the requirements under §668.22 for the return of the Title IV grant or loan assistance. Students who formally withdraw by completing the withdrawal process or who stop attending classes are subject to a Return of Title IV calculation. Students who receive grades of all FX (failure due to non-attendance) may also be subject to a calculation if the last date of attendance was before the end of the semester. The office of the Registrar confirms the last date of class attendance with the professors of students who receive all FX grades and report that date to the office of Student Financial Services for use in the calculation. Students who have not earned at least 60% of their federal aid will owe federal funds back to the federal program(s).

If the result of the calculation is that the student earned less aid than they received (completed less than 60% of the semester), the refund to the federal programs will be as follows: Title IV grants such as Pell or Supplemental Education Opportunities Grant, then federal loans as mandated by the calculation. If the student received less federal aid than they earned, a post-withdrawal disbursement is due. Notification will be sent to the student/ borrower of all loan amounts and any grant amount amounts that will be directly disbursed. All post-withdrawal notifications will be sent within 30 days of the date OBU determined student withdrew. In the event, the student owes a grant overpayment, OBU will return the overpayment on behalf of the student and student will repay OBU. Therefore, it will not be necessary to report the overpayment to the Department of Education.

### Absence from Chapel/Assembly

Students are required to attend a total of 96 chapel programs to receive a bachelor's degree. The number is prorated for students who attend fewer than eight fall/spring semesters. Credit for chapel attendance is given only for attending chapel. Absences are neither excused or unexcused. Doctor appointments, illnesses, school-related activities, and other reasons

for failure to attend chapel do not reduce the total number required.

Chapel exemption will be considered when the student completes a form in the Student Development Office.

### **Absence from Class**

Students are expected to be faithful in class attendance. Persistent failure to attend class will be reported by instructors to the Registrar, and the student may be requested to withdraw from the University. When a student fails to attend class for any reason for as much as 25 percent of the total number of class meetings, the student may be given a grade of FX in the course regardless of the quality of his/her work. The grade of FX is computed in the GPA as an "F". Other penalties for class absences may be assessed at the discretion of the instructor.

If a student offers illness or absence due to participation in an official University activity as an excuse for absence from class, the instructor may elect to require additional work to compensate for class absences. The illness or absence due to participation in an official University activity must be properly attested by a faculty sponsor or University officer (for an official University activity) or a physician, nurse, director of housing, or parent (for illness). The student is responsible for assuming the initiative to insure that course work is not adversely affected by absence, for whatever cause.

### **Examinations**

Examinations in courses must be taken at the regularly scheduled times. With the permission of the instructor, the student who misses a course examination may be allowed to take a make-up examination. No student will be excused from final examinations. When the student is unavoidably prevented from taking the final examination at the regularly scheduled time, he/she may take the examination after the scheduled date with the instructor's permission. Students with three or more final examinations on the same day may petition the dean for rescheduling of one examination with permission of the instructor. The petition must be submitted at least one week before the beginning of final exams.

### **Limited Activities Period for Fall and Spring Semesters**

During the fall and spring semesters, members of the University Community shall honor a limited activities period which will begin at 8:00 a.m. three class days prior to the beginning of the final examination period and will extend through the final examination period.

1. Faculty members shall not assign major papers or projects (papers or projects that account for

more than 10% of the total points generated by a student in a course) to be due during this period.

2. Faculty members shall not require students to participate in out-of-class activities during this period (viewing a film, attending a lecture or a concert, etc.).
3. University organizations shall not sponsor social or educational events during this period.
4. Whenever possible, given scheduling considerations, athletic and College of Fine Arts events shall not be scheduled during this period.

### **Credit by Examination**

A student may earn a maximum of 32 semester hours by examination through

1. locally prepared Advanced Standing Examinations,
2. College Level Examination Program's Subject Examinations (CLEP),
3. CEEB Advanced Placement Examinations (AP), or
4. International Baccalaureate higher level examinations (IB).

Credit will be granted at the score level recommended by the American Council on Education or above, as recommended by the academic department granting the credit and approved by the administering dean. Test administration will be open to current students as well as incoming freshmen and transfer students.

When recorded on the transcript, the credit is shown as by examination and a grade of S only is recorded. If the student's score is not sufficient for credit, no entry will be made on the transcript. Credit by institutional challenge exams is accepted in transfer from any institution recognized by an accrediting agency approved by the State of Oklahoma or CHEA on the same basis as that school's residence credit. However, when that credit was granted on the basis of an external examination such as CLEP, AP or IB, the student will be required to submit score reports, and proof of essays or oral examinations taken with the CLEP tests. Credit will be granted on the basis of OBU's published minimum requirements. For transfer students, OBU will accept credit from accredited institutions that was granted on the basis of AP or IB Scores; provided however, that such credits shall not include those earned solely through concurrent enrollment. Credit granted by other institutions on the basis of CLEP general examinations, CEEB Achievement Examinations, and/or SAT/ACT scores, will be not accepted. The total credit by examination, including that accepted

in transfer, shall not exceed 32 semester hours.

Students must register for credit by the OBU Advanced Standing Examination in the Academic Center, Thurmond Hall 201, prior to the exam and must sit for the exam at the appointed time.

Students must register for the CLEP examination in the University Testing Office in Geiger Center 101 at least three weeks prior to the exam and must sit for the exam at the appointed time.

If circumstances prevent the student from taking the CLEP examination during the semester for which he has registered, he must cancel the registration in the University Testing Office or forfeit the examination fee. Upon cancellation, the student will be refunded the fee less any penalties the University has been assessed by the testing service and a \$5.00 clerical processing fee.

**OBU DOES NOT OFFER CREDIT FOR CLEP GENERAL EXAMS.**

\* Only one examination in each language; credit is awarded at level I or II according to score earned and performance on oral examination.

Credit may also be allowed on a case by case basis for exams on the dantes and regents credit by examination programs.

Contact the OBU Registrar for further information.

## Leave of Absence Policy

Recognizing that students sometimes need to interrupt their enrollment at OBU for a semester or more but still wish to maintain their connection to the university, a Leave of Absence is available to three groups of students.

Study Abroad includes those students who are on an OBU foreign exchange program or are studying independently in a foreign post-secondary institution.

Time-Out students are those who interrupt their OBU program for a period of work, military service or because of family matters.

Other-Education students are those who choose to attend another U. S. post-secondary educational institution for one or more terms with the intent of transferring that work back to OBU to apply toward a degree here. An official transcript of all work attempted at another college or university must be provided to the OBU Registrar upon re-entry. Transcripts must be mailed directly from the issuing institution to OBU's Registrar.

Students on an approved Leave of Absence will be maintained on the Academic Center's mailing list to receive academic calendars each term, including upcoming enrollment dates. If the student returns to OBU within three semesters, the readmission process through the Admissions Office will not be required and the student will be allowed advance registration with his/her class, just as other on-campus, continuing students.

Application for Leave of Absence forms are available in the Academic Center, the Admissions Office, offices of the six academic deans and in faculty advisors' offices. One copy of the approved form must be filed with the registrar in the Academic Center prior to departure from campus.

## Auditing Classes

A student who wishes to benefit from instruction in a course but desires no academic credit for it may apply for audit status in the Academic Center. Approved audit enrollment entitles the student to the privilege of sitting in the class, but may extend to full participation in class activities, examinations, homework, etc. with the permission of the instructor. Enrollment is done in the normal manner with an indication of audit status. Tuition and fees are the same as an enrollment for credit; the university sells instruction, not credit. All audit enrollments are on a space available basis and credit students have priority.

Petitions for changes from audit to credit or credit to audit must be submitted to the Academic Center no later than the end of the ninth week of classes

for a fall or spring semester or the equivalent date of a J-Term or summer semester. Petitions for exception to this deadline must be made in writing with suitable supporting documentation (physician's statement, faculty advisor's statement, instructor's statement, etc.) to the academic dean who administers the student's major. Those who are not seeking a degree at OBU may petition the academic dean who administers the course. If the petition is approved, the dean will forward it to the registrar where the course grading/credit status will be changed accordingly.

Enrollment as an auditor is indicated on the student's permanent academic record and is subject to the same posting regulations governing credit enrollment. For the student who meets the instructor's expectations for class participation by an auditor, the grade of AU-S, Audit Satisfactory, with no credit, will be recorded at the end of the term. If expectations are not met, the instructor may report a final grade of AU-U, Audit Unsatisfactory. An audited course is not included in the grade point average calculation. With the exception of physical education activities and art and music studio instruction, a course may be audited a maximum of two times.

After auditing a class, a student may not obtain credit by examination nor petition for retroactive credit for the course. A course taken for audit may count for credit only when the entire course and any laboratories/practica are satisfactorily repeated under a credit enrollment. An audited course is included in the calculation of tuition charges and student credit hour load limits. However, since it will not earn credit at the end of the term, an audited course does not count toward full-time status when the University is asked to certify a student for such purposes as financial aid, athletics and insurance.

## Grade Appeals

In the case of a grade appeal, the student shall be considered to have an authentic grievance when he/she can demonstrate his/her grade for a course has been adversely affected because a faculty member has:

1. made an error in the calculation of the grade or has made an error in reporting the grade to the registrar;
2. made an arbitrary, prejudiced or capricious evaluation of the student;
3. created and enforced course policy that is arbitrary, prejudiced and capricious;
4. failed to notify (or make a reasonable attempt to notify) the student of course requirements, policies, and/or penalties;

5. failed to notify (or make a reasonable attempt to notify) the student in a timely manner of failure to achieve educational objectives;
6. infringed upon the contractual rights of the student as delineated in the course syllabus, the Catalog, or other University policy documents;
7. violated the civil or human rights of the student as defined by law.

A grade appeal shall be initiated within ten (10) working days after the receipt of the grade or after the beginning of the next academic semester. This time period may be extended by the chief academic officer on petition from the student(s) involved.

In a grade appeal, the burden of proof is on the student.

### Step One: Attempted Resolution

It is the responsibility of the student to carefully review all course requirements and policies at the beginning of each semester, to understand the grading system that will be employed, to determine whether any course requirements or policies will produce a hardship, and to negotiate, if it is possible to do so, a resolution to potential difficulties before such difficulties occur.

Students are advised to keep copies of all graded materials for a class until such time as a final grade for the class has been received and/or to keep their own records of grades received on each graded assignment.

Should a student receive a grade on an assignment or a final grade for the course that seems to the student to be unfair, and if he/she believes he/she has grounds for a grievance as defined above, he/she shall employ the following procedure to seek resolution to the grievance.

- a. The student shall first consult with the faculty member. Contact with the faculty member shall be initiated within ten (10) working days after the beginning of the following semester. If the faculty member is not available for consultation, the student may petition the chief academic officer for an extension of this period.
- b. If this initial conference does not bring about a satisfactory result, the student may arrange a meeting with the chairman of the department or division involved. This meeting must be held within five (5) working days of the consultation with the faculty member. The student will present to the chairman a written statement explaining the reason for the appeal. If the chairman is the instructor involved in the appeal, the student may request a conciliation with the dean of the school or college or with

the chief academic officer. The department or divisional chair will discuss the appeal with the faculty member, the student, and the chair. Should such a meeting be called, it will be held within five (5) working days of the student's request for a conference. The chairman and/or dean will seek to help the student and faculty member resolve the disagreement.

- c. Should the department, division, college, or school have an established grade appeal procedure, the student shall follow it before progressing to step two.
- d. Should the conciliatory conference not yield a satisfactory result, the student should submit to the chief academic officer a request for a formal hearing.

### Step Two: Formal Hearing

A written request for a formal hearing must be submitted by the student within ten (10) working days after the conciliation conference. The written request must be submitted to the chief academic officer. The petition must include detailed factual data and other information the petitioner deems pertinent to his/her case, including an account of the informal procedures and why the attempted resolution was unsatisfactory.

Within five (5) working days after receiving the student's petition, an ad hoc hearing committee shall be formed. The chief academic officer shall select two faculty members upon the advice of the chairman of the Faculty Council. The dean of students shall select two students upon the advice of the officers of the Student Government Association. The ad hoc hearing committee will select an additional faculty member to be a nonvoting chairman. No person with a conflict of interest shall be selected.

The hearing shall be held within ten (10) working days of the selection of the ad hoc hearing committee at a time and place determined by the chief academic officer and communicated to all parties through his/her office.

The hearing will be conducted in private and the parties will make no public statements about the case.

The ad hoc hearing will not be bound by strict rules of legal evidence. Serious efforts will be made to obtain the most reliable evidence. The decision will take the form of finding the fact, conclusions and a recommended disposition of the appeal. The findings of fact, conclusions, and recommended disposition must be based solely on the hearing records and pertinent University policies and procedures. The findings, conclusions

and recommendations shall not be inconsistent with applicable provisions of local, state, and federal law.

## Academic Distinctions

### Honor Rolls

To qualify for the President's Honor Roll, a student must have completed at least 12 semester hours in a given semester with a term grade point average of 3.70 and no grade lower than a B.

To qualify for the Dean's Honor Roll, a student must have completed at least 12 semester hours in a given semester with a term grade point average of 3.40 and no grade lower than a C.

Part-time students may be listed on a special honor roll if they complete six through 11 semester hours in a given semester and meet the herein stated conditions.

No student who receives a grade of U will be eligible for listing on the honor rolls.

### Degree Predicates

The minimum requirements for the scholarship honors awarded with B.A., B.S., B.S. Ed., B.B.A., B.P.A., B.M.E., B.F.A., B.M., and B.M.A. degrees are as follows:

**Rite** - 2.00 grade point average.

**Cum Laude** - 3.40 grade point average.

**Magna Cum Laude** - 3.70 grade point average; at least 60 semester hours completed at Oklahoma Baptist University.

**With Distinction** - Associate of Arts Degree with a 3.95 grade point average; at least 60 semester hours completed at Oklahoma Baptist University.

**Summa Cum Laude** - 3.95 grade point average; at least 90 semester hours completed at Oklahoma Baptist University.

The total grade point average, as well as the OBU average, must meet the minimum specified by each predicate.

Students who earn the distinction summa cum laude are presented bachelor's hoods during Commencement ceremonies.

### Degrees with Honors

OBU offers to outstanding, highly motivated students several enhancements to the regular curriculum. Among these are the OBU Honors Program and the Honors Thesis project.

The OBU Honors Program is a curricular program including a range of enhanced courses and experiences available to qualified students who elect to participate in them. Normally, students

begin in this program in the first semester of the freshman year; its component parts are spread across the student's years at OBU. For more specific information, see the introduction to "Honors" section of the catalog.

Other undergraduate students who seek to benefit from independent study may petition the Honors Committee for approval of an Honors Thesis project. Petition should be made early in the second semester of the student's junior year. A petitioner must present and maintain to graduation a composite grade average of 3.5 overall and in the major or area of concentration. The project, to be completed during the final three to four semesters at OBU, under the guidance of a faculty advisor, an outside reader, and the Honors Committee, should include an extensive advanced reading and critical analysis process and/or research process culminating in the writing and presentation of a bachelor's thesis. Students completing this project may seek credit for one 4999 course in the department of emphasis, subject to the limits outlined in the Independent Study section of this catalog.

Students who complete requirements in the OBU Honors Program and students whose completed Honors Thesis projects are approved by the Honors Committee are afforded special recognition in Commencement exercises, on the final academic transcript, and on the diploma.

### Course Numbering and Course Credit

Courses numbered 1000-1999 are open to all students; those numbered 2000-2999 are primarily for sophomores but may be taken by juniors and seniors; those numbered 3000-3999 are primarily for juniors but may be taken by seniors; those numbered 4000-4999 are primarily for seniors.

The units digit (last digit) in the course number indicates the course credit. For example, MATH 1033 is a 3-credit course while CHEM 1105 is a 5-credit course. A course whose number ends in 9 is available for variable credit. Internships and practica generally fall under this category since students may register for varying amounts of credit, usually 1-6 hours. Student teaching, e.g., EDUC 4538, which earns 10 hours of credits, has been assigned '8' as the units digit.

# PAUL DICKINSON

## College of Business

## Career Opportunities in Business

**Accounting** - Students completing degrees in accounting should have the skills to provide a broad variety of accounting and tax services to clients through public and private accounting firms. Additionally, they should be able to prepare personal and corporate tax returns, provide management advisory services for a variety of clients, and assist clients with a variety of personal financial planning activities.

**Computer Science** - The computer science major prepares students for careers in varied roles such as programmer, systems analyst, database developer, database administrator, software engineer, network manager, quality assurance tester, technical support staff, technical writer, technical service representative, and web developer/programmer.

**Finance** - The finance major prepares students for careers in a range of posts, including financial analyst, security analyst, brokerage services representative, financial planner, portfolio manager, mutual fund investment analyst, money manager, investment banker, financial manager, bank manager, commercial lender, insurance or real estate agent, and other commercial roles.

**International Business** - This degree is for careers that will interface with international markets. It is not just for those who will live and work abroad, but for those who will compete with foreign firms. It is also ideal for those seeking careers in business missions or missions leadership. It equips graduates in developing new markets for exported goods and services, for sourcing and importing goods and services from abroad, and for evaluating foreign competition. Job areas include entry level management positions in companies with exports or imports; specialty positions for firms with specific regional target markets; international finance; government (Department of Commerce, State Department, etc.); missions organizations and the Peace Corps; Students are also equipped for graduate study in international relations.

**Management** - This degree prepares students for careers in the commercial and industrial sectors, government, NGOs and church and mission organizations. The major equips students with practical skills in planning, organizing, leading and controlling. It includes skills in marketing, accounting and finance management. This is the most broad-based degree for those who seek positions of leadership. At OBU, this degree also has an intentional and strong biblical foundation and Christian worldview. It equips men and women who are seeking to serve the Kingdom through executive careers.

**Marketing** - The marketing major prepares students for careers in sales and sales management, logistics and distribution management, new product development, product line management, inventory purchasing, marketing research, sports marketing, advertising, and marketing consulting.

## Cooperative Education

Cooperative education is an experiential learning opportunity which enables students to receive credit for supervised work experience. The program helps students learn and practice skills necessary for professional success in the business environment. A student may receive up to 12 credit hours for cooperative education as part of his or her baccalaureate program at OBU.

Cooperative work experiences are available during summer, fall, January and spring semesters. A student must be approved by the Director of Cooperative Education to enroll in and receive credit for cooperative work experiences. At the end of the work experience a grade is awarded by the Director of Cooperative Education. Tuition charges and eligibility for financial aid follow established University policy.

## Enrollment Guidelines

To enroll in a 3000- or 4000- level course offered by the College of Business, a student must meet all course prerequisites and must have earned at least 56 semester hours with a cumulative grade point average of 2.00 or above. Nontraditional students who are not pursuing a degree must secure the permission of the instructor and the Dean of the College of Business.

A student who is enrolled in a business program at OBU who stays out of school not more than two consecutive semesters or attends another college not more than two consecutive semesters may graduate by meeting the catalog requirements in effect at the time of his or her initial enrollment at OBU, provided degree requirements are completed within six calendar years of the date of initial enrollment at OBU.

### Modern Foreign Languages Requirement

All students must take two sequential courses of the same language at the appropriate level in order to fulfill the Modern Foreign Language requirement. See the placement charts below. Notice that the guidelines for Spanish are different from those for French and German. The different nature of language instruction and of student populations, both in high school and in college, necessitates different placement policies. A student may also satisfy the MFL requirement by passing a CLEP language exam at Level I (Beginning). Foreign nationals who have learned English as a foreign language are exempt from the requirement.

#### Spanish

# of years/units of Spanish in grades 9-12	Where to begin	What to take next
0-1 year/unit	Beginning I	Beginning II
2 years/units	Beginning II	Intermediate I
3 years/units (or more)	Intermediate I	Intermediate II

#### French or German

# of years/units of FR/GR in grades 9-12	Where to begin	What to take next
0-1 year/unit	Beginning I	Beginning II
2 years/units (or more)	Intermediate I	Intermediate II

**Multicultural Experience (which includes Modern Foreign Language)**

A Multicultural Experience which includes Modern Foreign Language studies may also fulfill the common core Modern Foreign Language requirement as listed below:

1. A student who has successfully passed three years/units of a language in high school may satisfy the MFL and Multicultural Experience requirements by completing one semester of the same language at the intermediate level (FREN/GRMN/SPAN 2313 or 2323) as well as one of the options associated with the Multicultural Experience.
2. A student who wishes to study a non-Western language (whether it is offered at OBU or not) may satisfy the MFL and Multicultural Experience requirements by taking one semester of the non-Western language and one of the options associated with the Multicultural Experience.

**Multicultural Experience Options:**

## MINORS IN THE COLLEGE OF BUSINESS

The College of Business offers minors in Business Administration, Business Information Systems and Strategies, Computer Science and Economics, Informational Assurance, and Marketing for students who are interested in learning concepts of business, technology, computer science or economics, either to enhance their employment potential or to enrich their personal understanding of some aspect of the business world.

If any of the courses required in the minor are counted in the student's common core, major or area of concentration, additional courses from the College of Business must be taken to bring the total minor program to 18 hours. Such substitutions must be approved by the Dean of the College. A maximum of 3 hours of Cooperative Education Courses may count towards the business minor.

# WARREN M. ANGELL

## College of Fine Arts

---

The Warren M. Angell College of Fine Arts provides opportunities for all OBU students to explore and experience the fine arts as an integral part of a Christian liberal arts education. The curricula of the college offers strong professional programs in visual and graphic art, music performance and education, communication, print and digital media, and theatre. The college's diverse course offerings and performance opportunities enable students to acquire a comprehensive background of artistic and performance experiences built on the foundation of a biblical worldview.

Students in the college receive individual attention, maximizing the opportunity for artistic, academic, and spiritual growth. Through pedagogical and personal example, the faculty seeks to lead students in developing an appreciation for the fine arts, artistic creation and aesthetic judgment with the purpose of transforming the lives of our students to reflect the artistry of the Creator.

# DIVISION OF ART AND DESIGN

---

## Purpose

The Division of Art and Design offers degrees in Art, Studio Art and Graphic Design. The visual and digital arts afford the opportunities to explore Christian, academic and subjective knowledge toward the development of a personal vision. Every student, major or minor, has the opportunity to develop a Christian and professional awareness of their individual creativity. Theory is applied through studio practice with professors who teach from experience garnered from success on regional and national levels. These professor facilitate learning designed to cultivate the discovery of the entire person, because creating great art and design draws from all facets of knowledge and becomes our offering to culture and the Creator.

# DIVISION OF MUSIC

---

## Purpose

The Division of Music offers degrees in church music, music education, performance, composition, and musical arts to prepare graduates for careers as church musicians, music educators, performers, independent teachers and composers. Music degrees are accredited by the National Association of Schools of Music.

Every music major has the opportunity to develop professional competence through a program of study that includes a comprehensive music theory and aural skills sequence, performance studies, conducting, music history and literature, and ensemble experience. Specialized professional music study and a broad-based liberal arts education equip students for effective leadership and service.

The faculty of the Division of Music commit themselves to maintain:

- a personal interest in each student's progress;
- positive collegial relationships;
- a balance of theory and practice in each area of study; and
- a synthesis among performance, academic music studies, and the mission of the University.

## Mission Statement

The OBU Division of Music develops artists and scholars uniquely positioned to thrive in the 21st century by integrating exceptional performance, academic, and service opportunities with a solid Christian liberal arts foundation.

**Degree Requirements**

All music students must participate in a major ensemble (auditioned choral ensembles, Symphonic Band, OBU/Shawnee Community Orchestra) according to their appropriate degree plan. Students holding performance/ensemble scholarships must audition for the ensemble representing their performance area, must participate every semester if accepted, and purchase the required concert attire.

All music students must study a secondary applied instrument or voice. Students whose principal applied areas are voice, winds, percussion, or composition must study piano for a minimum of four semesters (six semesters for B.M.E. vocal certification) and must pass the piano proficiency prior to graduation. A voice proficiency will be given to all keyboard principals in the B.M.E. Vocal Certification degree and to all keyboard or instrumental principals in the B.M. Church Music degree at the end of four semesters of vocal study. Students who do not pass the piano or voice required proficiencies must continue to study until they pass the proficiency. Students will not be allowed to graduate without passing the proficiency required for their degree program.

**Study in the Division of Music may be applied to the following degrees:**

Bachelor of Music with a vocal, church music, keyboard, or composition area of concentration

Bachelor of Musical Arts with an area of concentration in music and a minor to be chosen from a field outside of the music area

Bachelor of Music Education with a Standard Elementary-Secondary Certificate in Vocal Music or Instrumental Music

Bachelor of Arts with area of concentration in music.

**I. Common Core for Bachelor of Arts****Credits: 41 Hours**

**Modern Foreign Languages Requirement**

All students must take two sequential courses of the same language at the appropriate level in order to fulfill the Modern Foreign Language requirement. See the placement charts below. Notice that the guidelines for Spanish are different from those for French and German. The different nature of language instruction and of student populations, both in high school and in college, necessitates different placement policies. A student may also satisfy the MFL requirement by passing a CLEP language exam at Level I (Beginning). Foreign nationals who have learned English as a foreign language are exempt from the requirement.

**Multicultural Experience (which includes Modern Foreign Language)**

A Multicultural Experience which includes Modern Foreign Language studies may also fulfill the common core Modern Foreign Language requirement as listed below:

1. A student who has successfully passed three years/units of a language in high school may satisfy the MFL and Multicultural Experience requirements by completing one semester of the same language at the intermediate level (FREN/GRMN/SPAN 2313 or 2323) as well as one of the options associated with the Multicultural Experience.
2. A student who wishes to study a non-Western language (whether it is offered at OBU or not) may satisfy the MFL and Multicultural Experience requirements by taking one semester of the non-Western language and one of the options associated with the Multicultural Experience.

**Modern Foreign Languages Requirement**

All students must take two sequential courses of the same language at the appropriate level in order to fulfill the Modern Foreign Language requirement. See the placement charts below. Notice that the guidelines for Spanish are different from those for French and German. The different nature of language instruction and of student populations, both in high school and in college, necessitates different placement policies. A student may also satisfy the MFL requirement by passing a CLEP language exam at Level I (Beginning). Foreign nationals who have learned English as a foreign language are exempt from the requirement.

## Bachelor of Music Education

The following descriptions of Bachelor of Music Education degree programs indicate the general plans for this degree with certification in various areas. However, the course distribution by term is of crucial significance. Therefore, B.M.E. students should refer to Degree Plans for specific requirements for these degrees. Completion of the B.M.E. degree also qualifies the graduate for an Oklahoma Elementary-Secondary School License. B.M.E. students must make application to and be approved for admission to the Teacher Education Program and to student teaching at appropriate points in the degree program. For details, refer to Teacher Education Requirements and Graduation Requirements.

Notice that the guidelines for Spanish are different from those for French and German. The different nature of language instruction and of student populations, both in high school and in college, necessitates different placement policies. A student may also satisfy the MFL requirement by passing a CLEP language exam at Level I (Beginning). Foreign nationals who have learned English as a foreign language are exempt from the requirement.

## Bachelor of Music Education

The following descriptions of Bachelor of Music Education degree programs indicate the general plans for this degree with certification in various areas. However, the course distribution by term is of crucial significance. Therefore, B.M.E. students should refer to Degree Plans for specific requirements for these degrees. Completion of the B.M.E. degree also qualifies the graduate for an Oklahoma Elementary-Secondary School License. B.M.E. students must make application to and be approved for admission to the Teacher Education Program and to student teaching at appropriate points in the degree program. For details, refer to Teacher Education Requirements and Graduation Requirements.

# COLLEGE OF Humanities and Social Sciences

---

## Purpose

The College of Humanities and Social Sciences is composed of four divisions: the Division of Language and Literature (English, Modern Language), the Division of Behavioral and Social Sciences (History, Political Science, Psychology, and Sociology/Anthropology), the Division of Kinesiology and Leisure Studies, and the Division of Teacher Education.

Degree programs offered within these divisions prepare students for direct entry into a wide variety of careers. Many students also study in these disciplines as undergraduate liberal arts preparation for further graduate study in such professions as law and medicine. Faculty advisors counsel with students to help them select appropriate courses and plan programs of study to meet their particular career needs.

The College of Humanities and Social Sciences also houses the Intensive English Program.

# DIVISION OF LANGUAGE AND LITERATURE

---

## **Purpose**

The Division of Language and Literature teaches the freshman composition, American and European literature, and modern foreign language courses in the university core curriculum and supports degree programs designed to prepare students for careers and/or graduate study in modern foreign languages, and English, including teaching preparation in English, and teaching English to speakers of other languages.

The purpose of the curriculum designed and delivered by the Division of Language and Literature is to assist students in developing skills in critical thinking and informative, analytical and creative written communication; to introduce students to significant works of literature reflecting the history of Western and non-Western culture; to assist students in analyzing the nature and diversity of human expressions of culture; to assist students in developing an appreciation for the aesthetic, ethical and legal imperatives associated with written communication; to assist students in understanding the nature and structure of language; and to assist students in integrating Christian faith and knowledge.

**Modern Foreign Languages Requirement**

All students must take two sequential courses of the same language at the appropriate level in order to fulfill the Modern Foreign Language requirement. See the placement charts below. Notice that the guidelines for Spanish are different from those for French and German. The different nature of language instruction and of student populations, both in high school and in college, necessitates different placement policies. A student may also satisfy the MFL requirement by passing a CLEP language exam at Level I (Beginning). Foreign nationals who have learned English as a foreign language are exempt from the requirement.

**Multicultural Experience (which includes Modern Foreign Language)**

A Multicultural Experience which includes Modern Foreign Language studies may also fulfill the common core Modern Foreign Language requirement as listed below:

1. A student who has successfully passed three years/units of a language in high school may satisfy the MFL and Multicultural Experience requirements by completing one semester of the same language at the intermediate level (FREN/GRMN/SPAN 2313 or 2323) as well as one of the options associated with the Multicultural Experience.
2. A student who wishes to study a non-Western language (whether it is offered at OBU or not) may satisfy the MFL and Multicultural Experience requirements by taking one semester of the non-Western language and one of the options associated with the Multicultural Experience.

# DIVISION OF BEHAVIORAL AND SOCIAL SCIENCES

---

## Purpose

The Departments within the Division of Behavioral and Social Sciences (Anthropology, History, and Political Science and Psychology, Sociology, and Family Science) offer degree programs in anthropology, global studies, history, political science, international relations, secondary social studies education, psychology, pre-counseling, sociology, and family and community service. These programs focus on offering high quality upper division courses and advisement designed to prepare students for a wide variety of careers related to the behavioral and social sciences as well as providing graduates with a solid foundation for postgraduate study. Moreover, building on foundations laid in core courses, the division seeks to assist and encourage students as they continue the process of understanding the nature of their personal Christian commitment and seek to integrate these insights into their academic disciplines and their vocational choices.

The division also has a major responsibility of offering high quality core courses. Departments within the division teach core courses in anthropology, history, government, psychology, sociology, and family science. These courses acquaint students with major areas of knowledge and help students develop many of the significant skills needed for academic and career success. These courses also help students as they embark on the journey of integrating their personal Christian faith with their growing base of academic knowledge and awareness of the world around them.

**Modern Foreign Languages Requirement**

All students must take two sequential courses of the same language at the appropriate level in order to fulfill the Modern Foreign Language requirement. See the placement charts below. Notice that the guidelines for Spanish are different from those for French and German. The different nature of language instruction and of student populations, both in high school and in college, necessitates different placement policies. A student may also satisfy the MFL requirement by passing a CLEP language exam at Level I (Beginning). Foreign nationals who have learned English as a foreign language are exempt from the requirement.

**Multicultural Experience (which includes Modern Foreign Language)**

A Multicultural Experience which includes Modern Foreign Language studies may also fulfill the common core Modern Foreign Language requirement as listed below:

1. A student who has successfully passed three years/units of a language in high school may satisfy the MFL and Multicultural Experience requirements by completing one semester of the same language at the intermediate level (FREN/GRMN/SPAN 2313 or 2323) as well as one of the options associated with the Multicultural Experience.
2. A student who wishes to study a non-Western language (whether it is offered at OBU or not) may satisfy the MFL and Multicultural Experience requirements by taking one semester of the non-Western language and one of the options associated with the Multicultural Experience.

**Multicultural Experience Options:**

## DIVISION OF KINESIOLOGY AND LEISURE STUDIES

---

### Purpose

Within the context of an institution founded on Christian principles and teachings, the Division of KALS seeks to satisfy the physical development of the student and to prepare students to pursue careers within the area of the movement and exercise sciences. This is accomplished within the context of a strong liberal arts curriculum with a strong Christian base with emphasis in the areas of a physical activity program, a broad based intramural sports program, a campus wellness program, a campus recreation program, and an extramural sports club program for the general student population. Those choosing to major in the exercise and sports sciences may choose from a number of programs which will lead to several career and graduate school opportunities, thus preparing them to be Christian leaders in the field of the movement science.

### Modern Foreign Languages Requirement

All students must take two sequential courses of the same language at the appropriate level in order to fulfill the Modern Foreign Language requirement. See the placement charts below. Notice that the guidelines for Spanish are different from those for French and German. The different nature of language instruction and of student populations, both in high school and in college, necessitates different placement policies. A student may also satisfy the MFL requirement by passing a CLEP language exam at Level I (Beginning). Foreign nationals who have learned English as a foreign language are exempt from the requirement.

#### Spanish

# of years/units of Spanish in grades 9-12	Where to begin	What to take next
0-1 year/unit	Beginning I	Beginning II
2 years/units	Beginning II	Intermediate I
3 years/units (or more)	Intermediate I	Intermediate II

**French or German**

# of years/units of FR/GR in grades 9-12	Where to begin	What to take next
0-1 year/unit	Beginning I	Beginning II
2 years/units (or more)	Intermediate I	Intermediate II

**Choose two courses from the following:**

- French**
  - FREN 1313 - Beginning French Language and Culture I.....Credits: 3
  - FREN 1323 - Beginning French Language and Culture II.....Credits: 3
  - FREN 2313 - Intermediate French Language and Culture I.....Credits: 3

  - GRMN 2313 - Intermediate German Language and Culture I.....Credits: 3
  - GRMN 2323 - Intermediate German Language and Culture II.....Credits: 3

**Multicultural Experience (which includes Modern Foreign Language)**

A Multicultural Experience which includes Modern Foreign Language studies may also fulfill the common core Modern Foreign Language requirement as listed below:

1. A student who has successfully passed three years/units of a language in high school may satisfy the MFL and Multicultural Experience requirements by completing one semester of the same language at the intermediate level (FREN/GRMN/SPAN 2313 or 2323) as well as one of the options associated with the Multicultural Experience.
2. A student who wishes to study a non-Western language (whether it is offered at OBU or not) may satisfy the MFL and Multicultural Experience requirements by taking one semester of the non-Western language and one of the options associated with the Multicultural Experience.

**Multicultural Experience Options:**

- ANTH 2023 - World Cultures: Africa to Central Asia.....Credits: 3
- ANTH 2033 - World Cultures: South Asia to Oceania.....Credits: 3

**Modern Foreign Languages Requirement**

All students must take two sequential courses of the same language at the appropriate level in order to fulfill the Modern Foreign Language requirement. See the placement charts below. Notice that the guidelines for Spanish are different from those for French and German. The different nature of language instruction and of student populations, both in high school and in college, necessitates different placement policies. A student may also satisfy the MFL requirement by passing a CLEP language exam at Level I (Beginning). Foreign nationals who have learned English as a foreign language are exempt from the requirement.

**Spanish**

# of years/units of Spanish in grades 9-12	Where to begin	What to take next
0-1 year/unit	Beginning I	Beginning II
2 years/units	Beginning II	Intermediate I
3 years/units (or more)	Intermediate I	Intermediate II

**French or German**

# of years/units of FR/GR in grades 9-12	Where to begin	What to take next
0-1 year/unit	Beginning I	Beginning II
2 years/units (or more)	Intermediate I	Intermediate II

**Choose two courses from the following:**

<b>French</b>	FREN 1313 - Beginning French Language and Culture I.....Credits: 3
	FREN 1323 - Beginning French Language and Culture II.....Credits: 3
	FREN 2313 - Intermediate French Language and Culture I.....Credits: 3

	GRMN 2313 - Intermediate German Language and Culture I.....Credits: 3
	GRMN 2323 - Intermediate German Language and Culture II.....Credits: 3

### **Multicultural Experience (which includes Modern Foreign Language)**

A Multicultural Experience which includes Modern Foreign Language studies may also fulfill the common core Modern Foreign Language requirement as listed below:

1. A student who has successfully passed three years/units of a language in high school may satisfy the MFL and Multicultural Experience requirements by completing one semester of the same language at the intermediate level (FREN/GRMN/SPAN 2313 or 2323) as well as one of the options associated with the Multicultural Experience.
2. A student who wishes to study a non-Western language (whether it is offered at OBU or not) may satisfy the MFL and Multicultural Experience requirements by taking one semester of the non-Western language and one of the options associated with the Multicultural Experience.

#### **Multicultural Experience Options:**

## INTENSIVE ENGLISH PROGRAM

---

### Intensive English Program

The Intensive English Program provides an atmosphere of language learning through classroom instruction and hands-on experiences for the purpose of learning academic English. In addition, the program is designed to facilitate the learning process as opposed to rote memorization of information. Outside of the classroom, the program personnel help the student with cultural adaptation and social involvement using experiences and field trips.

The nine levels of the Intensive English Program represent language proficiency ranging from beginner to advanced. Based on English placement exams given at the beginning and/or end of each term, each student is placed in the appropriate language level. In subsequent terms, placement considerations may also include previous academic performance and attendance.

This program is structured in the skills of listening, speaking, reading, and writing but also provides the student with the opportunity to expand his or her language knowledge of special interests and careers in and outside the classroom. American culture is injected in all aspects of learning.

An English Language Learner (ELL) may choose to enter the IEP at the beginning of each seven-week session in the fall or spring. Moreover, these four (4) seven-week sessions allow the ELL to advance quickly and efficiently through the language learning process.

Field trips, cultural experiences, and one-on-one tutoring are also incorporated in the student's English language learning experience.

# College of Nursing

---

## Purpose

The Oklahoma Baptist University College of Nursing is a baccalaureate program for the preparation of a professional nurse. The nursing faculty view nursing as a Christian ministry and as a professional practice. During nursing courses students learn to provide quality nursing care through competent practice. Upon completion of the program, the graduate is qualified to take the national examination for licensure as a registered nurse in a state of choice.

## Major and Minor Programs of Study

The College of Nursing offers a Bachelor of Science degree which combines professional education in theory and practice of nursing with a basic liberal arts education. The nursing student is enrolled in nursing as the Area of Concentration. Additional minors are not required, but are offered in Cross Cultural Ministry and in faith community nursing. Other minors may be completed as designated in the appropriate section of this catalog.

The College of Nursing offers an option designed to facilitate completion of degree requirements by the registered nurse with an Associate Degree or a Diploma. Also, a pathway is available for licensed practical nurses to earn a Bachelor of Science in nursing through the LPN option.

## Accreditation and Licensure

The College of Nursing is accredited by the Commission on Collegiate Nursing Education and is approved by the Oklahoma Board of Nursing. Graduates are eligible to apply to write the National Council Licensure Examination (NCLEX) for registered nurses. Applicants for Oklahoma licensure must meet all state and federal requirements to hold an Oklahoma license to practice nursing. In addition to completing a state-approved nursing education program, requirements include submission of an application for licensure with a criminal history records search and successfully passing the licensure examination. To be granted a license, an applicant must have the legal right to reside in the United States (United States Code Chapter 8, Section 1621).

The Board has the right to deny a license to an individual with a history of criminal background, disciplinary action on another health-related license or certification, or judicial declaration of mental incompetence [59 O.S. Section 567.8]. These cases are considered on an individual basis at the time application for licensure is made, with the exception

of felony charges. An individual with a felony conviction or who had sentencing terms imposed by the court related to a deferred sentence for a felony offense cannot apply for licensure for at least five years after completion of all sentencing terms, including probation and suspended sentences, unless a presidential or gubernatorial pardon is received [59 O.S. Section 567.5 & 567.6].

**Requirements**

After being accepted into the University and having completed NURS 2024, the student may apply for enrollment in the upper division nursing courses. An application for admission may be completed on the OBU College of Nursing website.

Each applicant is considered by a committee composed of faculty from the College of Nursing. Admission to and continuation in the nursing program requires a professional review by the faculty. Criteria for admission to and progression in the Nursing Area of Concentration are listed below.

Prior to the first day of class in NURS 2024 (due date designated by College of Nursing), students must provide certification of the following:

**Immunizations**

- HEPATITIS B VACCINE with dates of each injection or declination completed. A complete Hepatitis B vaccination series (series of three or waiver) is required;
- Negative tuberculin skin tests(s) (in conformity with the Oklahoma State Department of Health's guidelines, as expressed at Oklahoma Administrative Code 310:667-5-4) **or** negative chest x-ray;

- VARICELLA (chicken pox): A two injection series; a written verification of varicella history, varicella vaccination **or** a varicella titer by a physician or a physician's designee;
- MEASLES, MUMPS and RUBELLA (MMR) vaccination(s) **or** positive titer(s), including two appropriately spaced doses of the measles and mumps vaccines **or** positive mumps and measles titers;
- TETANUS-DIPHTHERIA-PERTUSSIS (Tdap) VACCINE: Routine booster of Td vaccine should be given at 10-year intervals;
- Seasonal influenza vaccinations and, at the request of the facility, vaccination for other strains of influenza;
- And any other immunizations that may be required by clinical agencies.

**CPR Certification**

- Basic Life Support and Automated Emergency Defibrillation CPR for Healthcare Providers (American Heart Association)

**Background Check**

- Criminal History Record

**Drug Screening**

- Negative drug screen

**Health Insurance**

- Must provide a copy of health insurance card or proof of coverage. Coverage must be validated annually.

**Criteria for Admission in Upper Division Nursing Courses**

The following criteria must be met for conditional admission into the nursing program.

- Complete online application and pay application fee.
- Earn a minimum 2.80 GPA in General Education courses.
- Complete the following courses with a minimum grade of "C": CHEM 1124, BIOL 2354, SOCI 1223, BIOL 2274, BIOL 2364, MATH 1163, PSYC 1223, and MATH 2003.
- Complete the following courses with a minimum grade of "C": NURS 1101, NURS 2013, and NURS 2024.
- A student may repeat any one course only one time.
- Cannot repeat more than two courses. If a student must repeat more than two of the courses listed in the previous two bullets at any institution to achieve a grade of C, he/she will not be able to apply for admission to the OBU College of Nursing.

- Achieve satisfactory score on Dosage Calculation Exam during NURS 2024.
- Completion of all immunizations, CPR, background check, drug screen, and proof of health insurance as outlined above.
- Submit a letter from the Dean/Director of the previously enrolled nursing program stating the student was in good academic standing. This must accompany the application.

The following criteria must be met for full admission into the nursing program.

- Completion of all general education courses and prerequisites for nursing degree program. (exception Ethics 3hrs - Biblical REL 3703, Fine Arts 3hrs - FNAR 2063)
- Completion of all conditional requirements.
- Any Non-Native English Speaker (NNES) student is required to score a level 8 or higher on the OBU Intensive English Program's English Placement Test prior to admission to the College of Nursing. A Non-Native English Speaker may self-identify or may be identified by faculty or admission counselor. When identified, the NNES will be directed to the IEP program for evaluation. A student who fails to score a level 8 can choose to participate in the OBU IEP program for remediation. A level 8 on the English Placement Test must be achieved by the third attempt.

For courses taken during the summer session at another college or university, all official transcripts must be in the Academic Center no later than August 15, or student will not be considered for admission.

### **General Criteria for Progression in Area of Concentration Courses**

Once a student has been admitted to the College of Nursing, the following progression criteria must be met to remain in the program.

- Earn a minimum of "C" in all Area of Concentration courses.
- Cannot repeat more than two courses in the Area of Concentration. If a student must repeat more than two of the Area of Concentration courses to achieve a grade of C, he/she will not be able to continue working toward a Bachelor of Science degree in Nursing at OBU. A student may repeat any one course only once.
- Achieve a satisfactory score on a Dosage Calculation Exam each semester.
- Achieve a minimum average of 75% on exams in NURS 2024.
- Achieve a minimum average of 70% on exams in each of the following courses: NURS 3156, NURS 3163, NURS 3171, NURS 3182, NURS 3223, NURS 4043, NURS 4134, NURS 4143, and NURS 4153.
- Maintain current CPR, all required immunizations, background check, drug screen, proof of health insurance, and any other requirements requested by the clinical agency.

### Modern Foreign Languages Requirement

All students must take two sequential courses of the same language at the appropriate level in order to fulfill the Modern Foreign Language requirement. See the placement charts below. Notice that the guidelines for Spanish are different from those for French and German. The different nature of language instruction and of student populations, both in high school and in college, necessitates different placement policies. A student may also satisfy the MFL requirement by passing a CLEP language exam at Level I (Beginning). Foreign nationals who have learned English as a foreign language are exempt from the requirement.

#### Spanish

# of years/units of Spanish in grades 9-12	Where to begin	What to take next
0-1 year/unit	Beginning I	Beginning II
2 years/units	Beginning II	Intermediate I
3 years/units (or more)	Intermediate I	Intermediate II

#### French or German

**Multicultural Experience (which includes Modern Foreign Language)**

A Multicultural Experience which includes Modern Foreign Language studies may also fulfill the common core Modern Foreign Language requirement as listed below:

1. A student who has successfully passed three years/units of a language in high school may satisfy the MFL and Multicultural Experience requirements by completing one semester of the same language at the intermediate level (FREN/GRMN/SPAN 2313 or 2323) as well as one of the options associated with the Multicultural Experience.
2. A student who wishes to study a non-Western language (whether it is offered at OBU or not) may satisfy the MFL and Multicultural Experience requirements by taking one semester of the non-Western language and one of the options associated with the Multicultural Experience.

**Multicultural Experience Options:**

#### Degree Completion

In addition to the OBU graduation requirements outlined in this catalog, a nursing student cannot receive a final transcript unless they have achieved a level II on all Assessment Technology Institute (ATI) Mastery Exams required by the College of Nursing. If a level II is not achieved on any one exam, after a second attempt, the student is required to complete and provide proof of an NCLEX review course. Upon validation of achievement of level II on all ATI Mastery Exams or certificate of completion of NCLEX review course, the final transcript will be released.

## BACHELOR OF SCIENCE IN NURSING-LPN OPTION

### Program Requirements

- Complete OBU admissions requirements.
- Complete College of Nursing requirements for full admission
- Completion of a State Board approved LPN or LPTN program, NLNAC accreditation preferred.
- All prerequisite coursework for admission into the Professional program of Study in Nursing must be completed by the end of the spring semester except Transition to Professional Nursing which could be offered in the summer session.
- Proof of, and maintenance of, an unencumbered license to practice as an LPN or LPTN in the state of Oklahoma and/or any other state.
- LPN student will be required to enroll in NURS 2712 Transition to Professional Nursing which will be completed prior to admission into the professional program of study.
- Credit for courses listed below will be held in escrow. The student will receive credit for these courses upon successful completion of the program.  
NURS 2024 - Introduction to Nursing  
NURS 3252 - Application Lab: Acutely Ill Patient
- LPN students who are admitted to the program will be permitted to receive credit for NURS 3171 Pharmacology I, NURS 3182 Pharmacology II, NURS 3156 Pathophysiology and Nursing Care, NURS 3233 Practicum: Acutely Ill Adult, and NURS 3252 Practicum Acutely Ill Pediatrics through a validation examination.
- LPN student must complete the Medical/Surgical and Pharmacology ATI Mastery Exams by August 1 prior to enrollment in the professional program of study.
- LPN student will have only one opportunity to take this exam. Students meeting or exceeding the minimum Level 2 ATI Proficiency Level on the ATI test for NURS 3171, NURS 3182, NURS 3156, NURS 3233, and NURS 3253 will receive credit for the courses upon completion of the exam.\*
- LPN students not scoring at the minimum Level 2 ATI Proficiency on any one exam will be expected to enroll and complete the courses associated with the failed exam.
- LPN student will not re required to take the Fundamental ATI Mastery Exams.
- LPN student will be expected to take all other ATI Mastery Exams as outlined in the CON Comprehensive Testing Policy.
- LPN student is subject to all criteria for progression in area of concentration courses as outlined above.

\*A fee may be associated with each course to receive credit by exam.

# JAMES E. HURLEY COLLEGE OF Science and Mathematics

---

## Purpose

The College of Science and Mathematics teaches the Common Core science and mathematics courses for the various degree programs throughout the university. In addition, this college supports degree programs in natural science, biochemistry, biology, chemistry, physics, and mathematics designed to prepare students for graduate study or careers, as well as spiritual integration that will provide opportunities for success in an ever-changing social environment.

## Mission Statement

The James E. Hurley College of Science and Mathematics seeks

- to equip students for the pursuit of excellence and life-long learning in Science and Mathematics,
- to prepare students for success in post-graduate program (e.g., medical school, dental school, etc), and
- to seek truth through the integration of faith and knowledge, thereby cultivating a deep appreciation and sense of responsibility for the Creation.

## Vision Statement

Christ-centered. Scientifically sound. The College of Science and Mathematics seeks to maintain and improve the effectiveness of the science courses and the mathematics courses offered in the Common Core in the curriculum. This college also seeks to provide quality courses in its departments which will prepare students for further study and careers in their chosen fields. The College of Science and Mathematics seeks to incorporate the use of appropriate technologies in its courses and to provide its students with opportunities to learn and practice problem-solving skills so that they will better be able to adapt their skills to those needed in a changing world. The division seeks to validate the quality of its programs through internal assessment, through monitoring the success of its graduates, and through recognition of these programs by peers and accrediting institutions.

## Programs

With the exception of Mathematics, all other degree programs in the College of Science and Mathematics are Areas of Specialization instead of traditional majors. As such, they do not require a student to

have a minor. An Area of Specialization includes more credits than a traditional major and combines courses from disciplines that are pre-requisites or co-requisites to the focus of specialization.

**Modern Foreign Languages Requirement**

All students must take two sequential courses of the same language at the appropriate level in order to fulfill the Modern Foreign Language requirement. See the placement charts below. Notice that the guidelines for Spanish are different from those for French and German. The different nature of language instruction and of student populations, both in high school and in college, necessitates different placement policies. A student may also satisfy the MFL requirement by passing a CLEP language exam at Level I (Beginning). Foreign nationals who have learned English as a foreign language are exempt from the requirement.

# MATHEMATICS

A student who needs to begin his mathematics major or minor with MATH 1163 and MATH 1173 may use those courses to satisfy the mathematics requirement in the flex core; otherwise, an appropriate substitution for the mathematics requirement in the flex core will be made in consultation with the student's advisor.

Suggested minors to accompany a major in mathematics are physics, chemistry, computer science, and business administration. Other minors may be chosen upon consultation with the major advisor.

# HERSCHEL H. HOBBS

## College of Theology and Ministry

---

The College of Theology and Ministry was inaugurated at Oklahoma Baptist University as the Joe L. Ingram School of Christian Service in 1981. The Herschel H. Hobbs College of Theology and Ministry was introduced in 2011 to oversee the Joe L. Ingram School of Christian Studies, Avery T. Willis Center for Global Outreach, Don Kammerdeiner Center for Missiological Research, and the departments of Christian and Cross-Cultural Ministry, Biblical and Theological Studies, and Philosophy. The mission of the Herschel H. Hobbs College of Theology and Ministry is to promote the intellectual and spiritual development of Oklahoma Baptist University students through a rigorous study in the major emphases of Biblical and Theological Studies, Christian and Cross-Cultural Ministry and Philosophy, within OBU's liberal arts curriculum. Minors are also offered in all of these fields of study for any student and any of OBU's colleges, off-campus centers and online. The college contributes to the studies of all OBU students by teaching Old and New Testament studies and many of the other academic majors by courses in Philosophy.

In an effort to make personnel and services of the institution available to meet appropriate educational needs of our Baptist constituency, the College of Theology and Ministry also provides college education for ministers and other church leaders through the Joe L. Ingram School of Christian Studies (formerly Ministry Training Institute). Courses leading to an A.A., B.A., or a Diploma in Christian Studies are offered in off-campus centers around the state of Oklahoma, outside the state, and online. The curriculum for the off-campus courses is prepared by the College of Theology and Ministry faculty and taught by qualified contract faculty under the direction of the director of the SCS and the Dean of the College of Theology and Ministry. Courses taken for the Diploma can apply to the Associate of Arts in Christian Studies (AACS) or the Bachelor of Arts in Christian Studies (BACS).

The faculty of the College of Theology and Ministry has attained the highest level of academic preparation in their respective fields of study. All full-time faculty members are continually involved in programs of additional training and development. They are committed Christian teachers whose scholarship is recognized in their many years of experience in teaching, pastoring, church-related ministries and missions. The faculty is actively

involved in local churches and denominational ministries as interim and supply preachers, Bible and doctrinal study leaders, conference leaders, and speakers on missions, evangelism, preaching authors, and a variety of other related topics. Some have been chosen to write for Lifeway Christian Resources of the Southern Baptist Convention. The College of Theology and Ministry faculty members are well-qualified to advise and counsel students in areas related to their education, ministry opportunities, and personal development.

Students preparing for Christian vocational service or preparing to continue their education in seminary or other graduate school can find an appropriate major in the College of Theology and Ministry. A seminary education is strongly encouraged by the faculty, but for those who do not plan to attend seminary there are majors which will give a well-rounded preparation for ministry. In addition to traditional classroom instruction, the College of Theology and Ministry provides programs of field education for academic credit utilizing internships in local churches, youth camps, missions, or other institutional or cross-cultural settings. Ample opportunities are available for on-the-job experience, summer missions, part-time church positions, and other educational ministry experiences designed to prepare students for meaningful and effective Christian ministry.

## Associate of Arts Degree in Christian Studies

### Career Opportunities

Students taking degrees in the School of Christian Studies prepare for entry into (or graduate studies related to) a variety of vocations, including:

Pastoral Ministry  
 Missions  
 Education Ministry  
 Chaplaincy (Military, Industrial, or Hospital)  
 Christian Counseling  
 Student Ministry  
 Cross-Cultural Missions  
 Children's Ministry  
 Teaching (Christian Secondary or Collegiate)  
 and many other Christian vocations.

# CHRISTIAN AND CROSS-CULTURAL MINISTRY

The Christian and Cross-Cultural Ministry Department of the College of Theology and Ministry offers a degree in Cross-Cultural Ministry. The Cross-Cultural Ministry degree has emphasis options in Cross-Cultural Ministry, International Church Planting and Orality Studies. The Christian Ministry degree has emphasis options in Pastoral Ministry, Educational Ministry, Student Ministry, Children's Ministry, Worship Ministry, and Women's Ministry. Several minors are also offered by the Christian and Cross-Cultural Ministry Department. A related minor in Church Recreation is available in the Kinesiology and Leisure Studies Division of the College of Humanities and Social Sciences.

These majors are designed to prepare students for ministry in the local church as well as in cross-cultural ministry areas by combining course work in theology, church history and Biblical studies with courses in ministry skills. The Christian and Cross-Cultural Ministry degrees are well-rounded pre-seminary curriculum. Cross-Cultural and Applied Ministry majors may choose minors from Philosophy, the College of Business, the College of Fine Arts, or the College of Humanities and Social Sciences.

### Modern Foreign Languages Requirement

All students must take two sequential courses of the same language at the appropriate level in order to fulfill the Modern Foreign Language requirement. See the placement charts below. Notice that the guidelines for Spanish are different from those for French and German. The different nature of language instruction and of student populations, both in high school and in college, necessitates different placement policies. A student may also satisfy the MFL requirement by passing a CLEP language exam at Level I (Beginning). Foreign nationals who have learned English as a foreign language are exempt from the requirement.

#### Spanish

# of years/units of Spanish in grades 9-12	Where to begin	What to take next
0-1 year/unit	Beginning I	Beginning II
2 years/units	Beginning II	Intermediate I
3 years/units (or more)	Intermediate I	Intermediate II

#### French or German

# of years/units of FR/GR in grades 9-12	Where to begin	What to take next
0-1 year/unit	Beginning I	Beginning II
2 years/units (or more)	Intermediate I	Intermediate II

**Choose two courses from the following:**

<b>French</b>	FREN 1313 - Beginning French Language and Culture I.....Credits: 3

**Multicultural Experience (which includes Modern Foreign Language)**

A Multicultural Experience which includes Modern Foreign Language studies may also fulfill the common core Modern Foreign Language requirement as listed below:

1. A student who has successfully passed three years/units of a language in high school may satisfy the MFL and Multicultural Experience requirements by completing one semester of the same language at the intermediate level (FREN/GRMN/SPAN 2313 or 2323) as well as one of the options associated with the Multicultural Experience.
2. A student who wishes to study a non-Western language (whether it is offered at OBU or not) may satisfy the MFL and Multicultural Experience requirements by taking one semester of the non-Western language and one of the options associated with the Multicultural Experience.

**Multicultural Experience Options:**

# PHILOSOPHY

The Department of Philosophy offers both a major and a minor in philosophy, as well as an Apologetics minor and an Apologetics Emphasis within a Philosophy major. The department also offers foundational introductory courses in both philosophy and in critical thinking. The introductory courses provide OBU students the opportunity to develop critical thinking skills and to begin investigating the questions that form the basis of our understanding of reality and the human condition.

Students that major or minor in philosophy continue to develop those critical thinking skills with advanced study in logic and in the history of philosophical thought. In other courses, students investigate the philosophical issues relating to religion, knowledge, the nature of reality, art, and ethics.

The study of philosophy helps one develop abilities to think logically and clearly, to communicate precisely and effectively, and provides a foundation for continued learning and intellectual growth. After graduation, OBU philosophy majors have had successful careers in higher education, government and public service, business, law, and ministry.

# RELIGION

The Department of Biblical and Theological Studies offers curricula supporting three majors in religion (Departmental, Bible and Biblical Languages) as well as minors in Religion, Bible, Biblical Languages, and Historical Theology. Basic courses (REL 1013, 1023, 3073) introduce the student to Biblical interpretation and give some contemporary and practical application of Biblical teaching.

Students preparing for Christian ministry are strongly encouraged to major in religion or applied ministry. Other students often benefit professionally and personally from taking one of the several minors in religion or applied ministry offered through the College of Theology and Ministry. The College of Theology and Ministry also strives to make its electives accessible to all OBU students. REL 1013 and 1023 (required of all College of Theology and Ministry majors) are the only prerequisites for most upper-level courses. These advanced courses in Bible, theology, Christian history and various aspects of ministry can serve to prepare a student for whatever form of Christian service their future holds. The College of Theology and Ministry is also happy to work with the student and the other colleges and schools of the university to create interdisciplinary programs which can prepare a person for innovative ministries for which no formal major exists.

### Modern Foreign Languages Requirement

All students must take two sequential courses of the same language at the appropriate level in order to fulfill the Modern Foreign Language requirement. See the placement charts below. Notice that the guidelines for Spanish are different from those for French and German. The different nature of language instruction and of student populations, both in high school and in college, necessitates different placement policies. A student may also satisfy the MFL requirement by passing a CLEP language exam at Level I (Beginning). Foreign nationals who have learned English as a foreign language are exempt from the requirement.

# INTERDISCIPLINARY

The College of Theology and Ministry offers a general interdisciplinary degree within the Department of Biblical and Theological Studies. The areas of concentration are designed around three minors of the student's choosing. All three minors may be related to programs housed in the College of Theology and Ministry. However, it is possible to match a minor in the College of Theology and Ministry with one or two from another school or college. This program is particularly suited for two groups of students - those who have very clearly identified career goals which require preparation in multiple areas and those whose career goals are not well defined and want to maximize their opportunities in multiple areas. Students in either of these two groups may elect to focus more intently on a single area in a graduate program.

# CHRISTIAN STUDIES

This program is designed as a degree for persons enrolled in OBU's Joe L. Ingram School of Christian Studies, formerly the Ministry Training Institute. SCS offers a professional degree which incorporates exposure to the liberal arts through general education requirements through Common and Flex Core classes. Courses in the Common and Flex Core can be taken at other colleges and universities and are subject to the approval of the Director of the School of Christian Studies and the Dean for the Hershel H. Hobbs College of Theology and Ministry. Every course in the Area of Concentration (below) must be completed with a grade of "C" or better. Prospective students in Oklahoma must be at least 23 years of age to enroll in this degree program. A request for a waiver of the age requirement should be submitted in writing to the Dean of the Hershel H. Hobbs College of Theology and Ministry. The age requirement does not apply to out-of-state students. A candidate for this degree must meet the University graduate requirements stipulated in this catalog. If an SCS student is taking course work in Kansas, at least 45 hours taken toward the Bachelor of Arts in Christian Studies must be 3000 or 4000 level courses.

### Modern Foreign Languages Requirement

All students must take two sequential courses of the same language at the appropriate level in order to fulfill the Modern Foreign Language requirement. See the placement charts below. Notice that the guidelines for Spanish are different from those for French and German. The different nature of language instruction and of student populations, both in high school and in college, necessitates different placement policies. A student may also satisfy the MFL requirement by passing a CLEP language exam at Level I (Beginning). Foreign nationals who have learned English as a foreign language are exempt from the requirement.

Prerequisite: senior status in Anthropology or Sociology, or junior status with permission.
- ANTH 4859 Practicum in Collections Management** *1 to 4*  
 This is a directed practicum on records management, object storage, and preservation and conservation of collections. Students will participate in object handling, movement, storage, inventory, cataloguing, registration, and maintenance of paper-based records and computerized collections management systems. Prerequisite: ANTH 2803.
- ANTH 4869 Practicum in Exhibitions and Education** *1 to 4*  
 A practicum in the design and installation of exhibitions, including issues of design concept, communicative clarity, and educational effectiveness. Students will participate in exhibit design, layout, construction, preparation of objects, mount making, installation, lighting, labeling, and text preparation. Prerequisite: ANTH 2803.
- ANTH 4909 Field Experience Practicum in Anthropology** *1 to 6*  
 A supervised field placement providing experience in an off-campus site and/or a travel and living experience abroad with an appropriate plan of study. Attention will be given to the opportunities of the experience and development of a field record, and to the acquisition and application of anthropological knowledge.
- ANTH 4919 Internship Practicum in Anthropology** *1 to 6*  
 A supervised internship experience in an off-campus site, such as a non-profit organization (NPO), non-government organization (NGO), research group, or government agency or business. Attention will be given to the application of anthropological knowledge and to obtaining practical experience and technical skills.
- ANTH 4999 Advanced Independent Study in Anthropology** *1 to 4*  
 Independent study for juniors and seniors with at least a B average in Anthropology, Family Science, History, Political Science, Psychology and/or Sociology.

# ART

## COURSE OFFERINGS

---

ART 1103	<b>Drawing Basics</b> Theory and practice in basic skills of drawing and principles of perspective in representing three-dimensional spaces.	3
ART 1113	<b>Design Basics</b> A study of the elements and principles of design, including static designs, rhythmic designs, and contemporary design. A materials fee is charged.	3, Fall
ART 1123	<b>Color Theory</b> A continuation of the study of the elements and principles of design with emphasis on color.	3, Spring
ART 1133	<b>Three-Dimensional Design</b> A continuation of the study of the elements and principles of design in the three-dimensional form. Prerequisite: ART 1113. A materials fee is charged.	3, Spring
ART 1999	<b>Topics in Art</b> A lower-level course in a selected area of Art. Not for independent study.	1 to 4, On Demand
ART 2033	<b>Photography</b> Basic mechanics of photography: use of the camera, picture taking, film developing, print processing. Student is required to have an appropriate camera. A materials fee is charged. May be repeated for a total of five credit hours.	3
ART 2059	<b>Stained Glass</b> A basic studio experience in the design and production of stained glass art. Instruction will be given in the use of design, pattern making, glass cutting and fitting. Leading and/or copper foil methods will be used. Projects will be decided in cooperation with the instructor. May be repeated for five total credit hours.	2 to 3, Fall
ART 2079	<b>Calligraphy</b> An introduction to pen lettering, including traditional Roman alphabets and the historic manuscript styles. May be repeated for five total credit hours.	2 to 3, Fall
ART 2113	<b>Historical Survey of Art I</b> The study of the history and development of Western art and music from the pre-historic through the Gothic. Emphasis will be directed to the Greek, Roman, early Christian and Gothic. Attention will be given to the growth of iconography, media and styles in painting, sculpture, architecture and music. Major works and periods will be covered in order to develop aesthetic judgment and considerations of parallel trends in music.	3, Fall
ART 2123	<b>Historical Survey of Art II</b> The study of the history and development of Western art and music from the Renaissance period through the present. Emphasis will be directed to the Renaissance, Neo-Classical and Romantic, Realist and Impressionistic and Modern movements. Major works and periods with considerations of parallel trends in music will be covered in order to develop an aesthetic judgment about the influence of styles and media in painting, sculpture, architecture and music upon the 20th century	3, Spring
ART 2133	<b>Historical Survey of Art III</b> The study of the history and development of nonwestern art and music. Emphasis will be directed to the development, style and visual analysis of the arts in India, China, Japan and the Native arts of the Americas, Africa and the South Pacific. Major periods will be covered in order to discern and develop aesthetic judgment about the influences of those styles in the visual arts as well as parallel trends in music.	3, Spring
ART 2143	<b>History of Graphic Design</b> A study of the comprehensive history of graphic design. The documentation of the crucial art movements that have shaped the graphic designer's work.	3, Spring
ART 2203	<b>Introduction to Graphic Design</b> A survey of various disciplines within graphic design. An exploration of the formal resources of visual communications, systems, conceptual principles and procedures underlying the practice of graphic design. The process of problem-solving by design; visualization, correlation of forms with their content, function, and context. A materials fee is charged.	3, Fall

ART 2263	<b>Fibers I</b> Basic techniques and understanding of fibers as an art medium. Experience given in off-loom and on-loom weaving. A materials fee is charged.	3
ART 2313	<b>Ceramics I</b> Basic techniques and understanding of clay as an art medium. Experience given in coil, slab, and other hand building techniques. Beginning instruction on the potter's wheel. Instruction in glazing and firing techniques of stoneware and raku; application of clay body and glaze formulations. A materials fee is charged.	3
ART 2333	<b>Painting I</b> The composing of paintings, combining the expressive power of the elements and principles of design and the pictorial power of drawing. Exploration of the advantages and shortcomings of the various painting media. Prerequisite: ART 1103 or permission.	3, Spring
ART 2343	<b>Vector Graphics</b> An introduction to vector graphics (line-based and object-oriented) utilizing industry-standard software. A materials fee is charged.	3, Spring
ART 2353	<b>Raster Graphics</b> An introduction to raster (pixel-based, resolution-dependent) graphics and photographic manipulation utilizing industry-standard software. A materials fee is charged.	3, Fall
ART 2503	<b>Figure Drawing</b> Studies in drawing with emphasis on the human figure, its skeletomuscular structure, configuration and movement. Drawing uses various approaches and media.	3, Fall
ART 2733	<b>Introduction to Digital Photography (DMAR 2733)</b> This course will be an introduction to digital photography. It will explore the techniques. Aesthetics and ethics of digital photography and image editing software. Student is required to have access to appropriate camera. A materials fee is charged. May be repeated for a total of five credit hours. Prerequisite: permission of instructor.	2 to 3, Spring
ART 2999	<b>Independent Study in Art</b> Independent study for students who have completed a minimum of 24 hours with an overall B average. Prerequisites: approval of the dean and the completion of a 2999 Independent Study form.	1 to 4
ART 3143	<b>Typography</b> Introduction to type, with a review of its introductory, transitional, and progressive uses. Its technical processes and elements are studied via assignments that define its symbolic and communicative aspects as well as incorporate its visual and functional principles. Emphasis will be on type development and the study of the grid.	3, Fall
ART 3223	<b>Printmaking I - Intaglio</b> Creative problems in printmaking with emphasis on composition in one of the intaglio methods. Prerequisite: completion of 13 hours of basic art courses or permission. A materials fee is charged.	3, Fall
ART 3253	<b>Printmaking I - Serigraphy</b> Creative problems in printmaking with emphasis on composition in one of the serigraphic methods. Prerequisite: completion of 13 hours of basic art courses or permission. A materials fee is charged.	3, Spring
ART 3269	<b>Fibers II</b> Research and experimental work with individual choice of problems. Prerequisite: ART 2269. May be repeated for five total credit hours.	2 to 3, Fall
ART 3319	<b>Ceramics II</b> Research in glazes and experimental work in ceramic design based on wheel-thrown and/or hand-built forms. Prerequisite: ART 2319. May be repeated for five total credit hours. A materials fee is charged.	2 to 3, Spring
ART 3339	<b>Painting II - Acrylic/Oil</b> Studio experience in the use of acrylic and/or oil in various techniques - traditional brush and knife painting and experiments in glazing, collage, and relief. Prerequisite: ART 2339. May be repeated for five total credit hours.	2 to 3, Fall

- ART 3433 Art and Culture in Latin America (ANTH 3433)** 3, Spring  
A survey of pre-Columbian, colonial, republican, and 20th century art in Latin America, including a description of its social and cultural role. Prerequisite: FNAR 2063.
- ART 3453 Interactive Design** 3, Spring  
An introduction to digital page layout and interactive design, with consideration given to user experience. Utilizes industry-standard computer applications. A materials fee is charged. Prerequisite: ART 2343 and ART 2353 or permission of instructor.
- ART 3503 Drawing and Composition** 3, Spring  
Theory and practice in the skills of drawing, composition and portrayal of volumetric space, utilizing various drawing media to explore ideas of image making. Prerequisite: ART 1103 or permission of instructor.
- ART 3793 Advertising Design** 3, Fall  
The creation and application of visual concepts for advertising within designer/client scenarios. Attention is also given to pre-press techniques for file preparation. A materials fee is charged. Prerequisite: ART 2343 and ART 2353, or permission of the instructor.
- ART 3999 Cooperative Work Experience** 1 to 6  
A supervised and evaluated work experience designed to supplement academic training with on-the-job training relevant to the student's career goals. Prerequisite: approval of division chairman.
- ART 4229 Printmaking II-Intaglio** 2 to 3, Spring  
Advanced work in a medium studied in ART 3229 or elementary work in a different intaglio method. Prerequisite: ART 3229. May be repeated for five total credit hours. A materials fee is charged.
- ART 4259 Printmaking II-Serigraphy** 2 to 3, Fall  
Advanced work in serigraphy method studied in ART 3259 or elementary work in photo serigraphy methods. Prerequisite: ART 3259. May be repeated for five total credit hours. A materials fee is charged.
- ART 4279 Watercolor Painting** 2 to 3, Fall  
Study of the techniques in using transparent watercolor. Prerequisite: Art 1103 or permission. May be repeated for five total credit hours.
- ART 4319 Ceramics III** 2 to 3, Fall  
Research and experimental work with individual choice of problems. Prerequisite: ART 3319. May be repeated for five total credit hours. A materials fee is charged.
- ART 4329 Advanced Topics in Art** 1 to 4, On Demand  
An advanced course in a selected area of Art. Not for independent study. Prerequisite: junior standing.
- ART 4339 Painting III-Acrylic/Oil** 2 to 3, Spring  
Advanced study and experience in student's chosen medium and technique. Prerequisite: ART 3339. May be repeated for five total credit hours.
- ART 4503 Advanced Drawing** 3, Fall  
Advanced studies in drawing and composition. A continuation of the study and discipline of drawing with an emphasis on draftsmanship and personal statement in the finished medium. Prerequisite: ART 3503 or permission of instructor.
- ART 4771 Practicum/Senior Exhibition** 1  
Faculty-directed student activity in exhibition-related skills. This is the capstone experience in art and art education degrees. Students will be expected to document their exhibition, provide a catalog and/or statement of purpose and hang their exhibition.
- ART 4793 Package Design** 3, Spring  
The creation and application of visual concepts for three-dimensional visual communication and product packaging within the context of environmental and retail experiences. A materials fee is charged. Prerequisite: ART 2343 and ART 2353, or permission of instructor.
- ART 4999 Independent Study in Art** 1 to 4  
Independent study for juniors and seniors with at least a B average in Art. Prerequisites: approval of the dean and completion a 4999 Independent Study form.

# BIOLOGY

## COURSE OFFERINGS

---

BIOL 1304	<p><b>Natural History of the Big Island: Hawaii</b>            Field study of natural history of Hawaii. Study of volcanic geology, biodiversity, rainforest, desert, reef and alpine habitats, role in astronomy, geo and hydrothermal energy, and coffee production. Prerequisite: instructor permission. Laboratory is required.</p>	<i>4, Spring</i>
BIOL 1999	<p><b>Topics in Biology</b>            A lower-level course in a selected area of Biology. Not for independent study. Additional fee may be required.</p>	<i>1 to 4, On Demand</i>
BIOL 2034	<p><b>Plant Biology</b>            A survey of the relationships within the plant world, considering growth, structure, function (including photo-synthesis, energy requirements, nutrition, and transport mechanisms), inheritance, classification and evolution, ecology, adaptation, variation, and the relationship of plants to human culture. Prerequisites: A grade of "C" or better in CHEM 1115 and concurrent enrollment in CHEM 3104. Laboratory is required. Additional fee required.</p>	<i>4, Fall</i>
BIOL 2044	<p><b>Animal Biology</b>            A survey of the relationships within the animal world (including the earth's environment and the eco-evolutionary interactions that permitted evolutionary change and speciation), animal form and function (emphasizing the coordination of functional systems and environmental requirements), classification (emphasizing diversity, evolution, and natural history of each group). Prerequisites: A grade of "C" or better in CHEM 1115 and concurrent enrollment in CHEM 3114. Laboratory is required. Additional fee required.</p>	<i>4, Spring</i>
BIOL 2054	<p><b>Tropical Ecology and Biodiversity of Costa Rica</b>            Field study of the structure, function and biological importance of tropical ecosystems, the biotic and abiotic components of tropical communities, and species diversity with special emphasis on insect populations. The impact of human exploitation of tropical ecosystems will also be discussed. Students will travel to Costa Rica for field studies of tropical communities. Prerequisite: instructor permission. Laboratory is required.</p>	<i>3, January Term</i>
BIOL 2062	<p><b>Research Methods and Biostatistics</b>            Introduction to research methods and biostatistics for students preparing for careers in the biological, physical, and biomedical sciences. The course will focus on research design, data collection methods, choosing proper statistical methods, scientific interpretation of statistical tests, generation of data tables and graphics, introduction to important scientific instruments, and critical analysis of scientific journal articles. Prerequisite: A grade of "C" or better in CHEM 1115.</p>	<i>2, Fall</i>
BIOL 2274	<p><b>Microbiology</b>            A study of basic and applied aspects of general and medical microbiology and immunology. After examining the basic structural and functional similarities and differences between microorganisms and high forms of living organisms, the course will concentrate on the disease-producing properties of microorganisms, the defense mechanisms of hosts (immunity and serological reactions), the pathways by which disease agents are transmitted, and the methods used to control microorganisms. Recommended for students concentrating in nursing; not to be counted on biology area of concentration. Prerequisites: A grade of "C" or better in CHEM 1105 or CHEM 1124 or BIOL 2354 or BIOL 2364. Laboratory is required. Additional fee required.</p>	<i>4, Spring</i>
BIOL 2354	<p><b>Human Anatomy</b>            Gross and histological study of the human organism with particular emphasis on the neuromuscular systems as related to physical education and health care. Prerequisite: high school biology or permission of instructor. Laboratory is required. Additional fee required.</p>	<i>4, Spring</i>
BIOL 2364	<p><b>Human Physiology</b>            Detailed study of the manner in which different organ systems of the human body function. Prerequisite: A grade of "C" or better in BIOL 2354 or permission of instructor. Laboratory is required. Additional fee required.</p>	<i>4, Fall</i>
BIOL 2999	<p><b>Independent Study in Biology</b>            Independent study for students who have completed a minimum of 24 hours with an overall B average. Prerequisites: approval of the dean and the completion of a 2999 Independent Study form. Additional fee may be required.</p>	<i>1 to 4</i>

BIOL 3014	<p><b>Molecular and Cellular Biology</b></p> <p>A study of nucleic acid structures and functions, protein structure, synthesis and regulation, properties of enzymes, biosynthetic pathways and energy metabolism, cell structure and function, physicochemical organization of cells, energetics, transport, mobility, irritability and homeostatic mechanisms, cell growth and division, cell differentiation and transformations, evolutionary potentials of cells, and protistan evolution and origin of multicellularity. Prerequisites: A grade of "C" or better in BIOL 2034, BIOL 2044, and CHEM 3104. Laboratory is required. Additional fee required.</p>	4, Spring
BIOL 3021	<p><b>Issues in Environmental Science</b></p> <p>Discussion of current issues in environmental science. Topics include environmental ethics, biodiversity, population growth, animal rights, conservation, ecoactivism, waste disposal, energy and others.</p>	1, Fall
BIOL 3034	<p><b>Environmental Biology</b></p> <p>A study of ecosystems, biogeochemical systems, energy flow and food chains, populations and communities, interactions among species, influence of physical environment, homeostasis and succession, habitats, biogeography, ecology and human welfare, ecological aspects of natural selection, and symbiosis and competition. Prerequisite: A grade of "C" or better in BIOL 2044. Laboratory is required. Additional fee required.</p>	4, Fall
BIOL 3043	<p><b>Immunology</b></p> <p>A detailed study of the mechanisms of immunity in man. Students will explore the interactions between cells of the immune system in production of an immune response and the molecules controlling these interactions. Emphasis will be placed on the role of immunology in the pathophysiology of human disease, including topics such as infectious diseases, allergy, autoimmune disease, cancer immunity, immunodeficiency disorders, vaccine strategies, and transplantation reactions. Prerequisites: A grade of "C" or better in CHEM 1115 and two semesters of BIOL.</p>	3, Fall
BIOL 3052	<p><b>Arthropods of Medical Importance</b></p> <p>Biology and ecology of the Insecta and other arthropods; the role of arthropods in inducing allergic responses and as vectors of human disease. Vector control, disease prevention, and forensic entomology. Prerequisite: A grade of "C" or better in BIOL 2044. Laboratory is required.</p>	2, Spring, Even
BIOL 4014	<p><b>Genetics</b></p> <p>Includes classical genetics; cytological basis of inheritance; molecular genetics; physical basis of the genes; gene action; biochemical genetics; cytoplasmic inheritance; mutations; chromosomal aberrations and polyploidy; genetic basis of evolution and speciation; population genetics; biomedical and genetic engineering. Prerequisite: A grade of "C" or better in BIOL 3014 or CHEM 3054. Laboratory is required. Additional fee required.</p>	4, Fall
BIOL 4021	<p><b>Biology of Ancient Life</b></p> <p>Overview of the biology and ecology of ancient life forms. Study of geological processes, fossilization, survey of fossil life forms, and analysis of paleoecological literature. Prerequisite: A grade of "C" or better in BIOL 2044.</p>	1, Spring
BIOL L4021	<p><b>Biology of Ancient Life Lab</b></p> <p>Overview of the biology and ecology of ancient life forms. Study of geological processes, fossilization, survey of fossil life forms, and analysis of paleoecological literature. Prerequisite: BIOL 2044. Additional fee required.</p>	1, Spring
BIOL 4044	<p><b>Developmental Biology</b></p> <p>Considers plant and animal ontogeny and morphogenesis; roles of genetic and environmental factors on growth and development, experimental investigation of plant and animal development; differentiation, morpho-genesis (molecular, cellular, multicellular); hormonal and other biochemical mechanisms of control and coordination; the role of DNA and RNA in development. Prerequisite: A grade of "C" or better in BIOL 4014. Laboratory is required. Additional fee required.</p>	4, Spring
BIOL 4329	<p><b>Advanced Topics in Biology</b></p> <p>An advanced course in a selected area of Biology. Not for independent study. Prerequisite: junior standing. Additional fee may be required.</p>	1 to 4, On Demand
BIOL 4999	<p><b>Independent Study in Biology</b></p> <p>Independent study for juniors and seniors with at least a B average in Biology. Prerequisites: approval of the dean and completion of a 4999 Independent Study form. Additional fee may be required.</p>	1 to 4

# BUSINESS ADMINISTRATION

## COURSE OFFERINGS

---

BSAD 1111	<b>Business and Professional Careers</b> This experiential, hands-on course provides a biblical foundation for all students preparing for business and other professional careers.	1
BSAD 1999	<b>Topics in Business Administration</b> A lower-level course in a selected area of Business Administration. Not for independent study.	<i>1 to 4, On Demand</i>
BSAD 2003	<b>Business Communications</b> A study of business communication theory and techniques with emphasis on functional application of interpersonal skills, oral presentations, letters, and reports. Prerequisites: ENGL 1153, ENGL 1163, BISS 1103, and also by instructor permission.	3
BSAD 2999	<b>Independent Study in Business Administration</b> Independent study for students who have completed a minimum of 24 hours with an overall B average. Prerequisites: approval of the dean and the completion of a 2999 Independent Study form.	<i>1 to 4</i>
BSAD 3013	<b>Introduction to Social Entrepreneurship</b> Introduces the student to social entrepreneurship, the triple bottom line, and the venture life cycle. Topics include opportunity assessment, challenges facing developing countries, innovation, and social and environmental returns. Prerequisite: ECON 2013.	<i>3, Fall</i>
BSAD 3023	<b>Funding the Entrepreneurial Venture</b> A study of the initial funding of the entrepreneurial venture. Topics include angel investors, venture capitalists, commercial banks, grants, philanthropy, microfinancing and valuation. Prerequisites: ACCT 2013.	<i>3, Spring</i>
BSAD 3999	<b>International Business Internship</b> A supervised and evaluated work experience conducted in an international business environment; The work must be judged by the supervising professor as being significant and as contributing to the student's understanding of international business. Prerequisites: junior standing and approval of the director of Cooperation Education.	6
BSAD 4013	<b>Social Entrepreneurship Field Experience</b> A practicum course that focuses on service-learning. Students will work with domestic or international entrepreneurs to apply knowledge from business courses. Marketing plans for entrepreneurial ventures will be created. Case studies and guest speakers will be used in support of other primary materials. Prerequisites: ACCT 2023, MKTG 3303, or permission of instructor.	<i>3, Fall</i>
BSAD 4329	<b>Advanced Topics in Business Administration</b> An advanced course in a selected area of Business Administration. Not for independent study. Prerequisite: junior standing.	<i>1 to 4, On Demand</i>
BSAD 4999	<b>Independent Study in Business Administration</b> Independent study for juniors and seniors with at least a B average in Business. Prerequisites: approval of the dean and completion of a 4999 Independent Study form.	<i>1 to 4</i>
BLAW 3103	<b>Business Law I</b> An introduction to the legal environment of business. Examination of the law in its social context. Principles of contracts, real and personal property, torts, and an introduction to the Uniform Commercial Code.	<i>3, Fall, Odd/Even; Spring, Even</i>
BLAW 3153	<b>Business Law II</b> Introduction to commercial paper and banking, creditor's rights, bankruptcy, government regulations, wills and estates. Detailed analysis of agency, partnership, corporations and trusts. Prerequisite: BLAW 3103.	<i>3, Spring, Odd</i>
BLAW 4983	<b>Commercial Law</b> This course considers torts, contracts, business structures and relationships, and international dimensions of the legal environment. The laws and interaction with managerial decisions is emphasized. Additional fee may be required. Prerequisite: permission from the College of Business Dean.	3

# BUSINESS INFORMATION SYSTEMS AND STRATEGIES COURSE OFFERINGS

---

BISS 1103	<b>Fluency in Information Technology</b> Introduction to business information technology. Course includes hardware, software, procedures, systems, and human resources and explores their integration and application in business including electronic communications and presentations, WWW research and authentication, data analysis, and ethical and social impacts. Additional fee required.	3
BISS 1123	<b>Business Problem Analysis</b> Course includes elements of business, logic, mathematics, and technology. A procedure-oriented analytical approach is used to develop business decision-making and problem-solving skills. Prerequisite: residentially acquired credit in BISS 1103.	3, Spring
BISS 2253	<b>Introduction to Website Design and Development</b> An introduction to effective Website design and development. Course includes host operating systems, HTML, and other web development software tools taught in a hands-on environment. Prerequisite: BISS 1103.	3
BISS 3503	<b>Management Information Systems</b> Introduction to management of information processing for rational decision making. Topics include records management and other computer applications related to functional business areas. Prerequisite: BISS 1123.	3
BISS 4403	<b>Data Administration</b> A practical course in the administration of an organization's data. Topics include data analysis, database design and development, structured query language, data management, and data communications. Prerequisite: BISS 1123.	3

# CHEMISTRY COURSE OFFERINGS

---

CHEM 1054	<b>Introduction to Chemistry I</b> A basic introduction to chemistry designed to prepare students for CHEM 1105 and CHEM 1115. The basics of atomic structure, chemical nomenclature, mole concepts, units and measurement, and chemical reaction will be covered. One laboratory session per week. Additional fee required. Prerequisite: A grade of "C" or better in MATH 1163 or higher is required as a prerequisite or corequisite.	4, Fall
CHEM 1063	<b>Introduction to Chemistry II</b> Continuation of CHEM 1054. Chemical bonding, physical chemistry of liquids and solutions; nature of chemical changes and energy changes accompanying such change; structural theory of organic chemistry. Prerequisite: A grade of "C" or better in CHEM 1054. Laboratory is required. Note: CHEM 1054 and CHEM 1063 together will substitute for CHEM 1105. Additional fee required.	3, January Term
CHEM 1105	<b>General Chemistry I</b> Designed to satisfy the natural science requirement for students selecting majors or areas of concentration with emphasis in one of the natural sciences. Atomic structure and chemical bonding; physical chemistry of liquids and solutions; nature of chemical changes and energy changes accompanying such change; structural theory of organic chemistry; reactions of organic molecules. One laboratory session per week. Additional fee required. Prerequisite: A grade of "C" or better in MATH 1163 or higher, or current enrollment in MATH 1173 or higher.	5, Fall
CHEM 1115	<b>General Chemistry II</b> Continuation of CHEM 1105. Stoichiometry; equilibrium; electrochemical cells; thermodynamics of inorganic systems; practical applications in qualitative analysis and elementary quantitative analysis. One laboratory session per week. Prerequisites: A grade of "C" or better in CHEM 1105 (or 1063) and MATH 2013 (or MATH 1163/1173; if MATH 2013; taken concurrently). Additional fee required.	5, Spring

CHEM 1124	<b>Introduction to General and Biological Chemistry</b> Designed to satisfy the natural science requirement in nursing. Atomic structure and chemical bonding; physical chemistry of liquids and solutions; nature of chemical changes and energy changes accompanying such change; structural theory of organic chemistry; reactions of organic molecules; structures and properties of natural organic compounds; chemical reactions in living organisms. One laboratory session per week. Prerequisite: A grade of "C" or better in MATH 1163 or 2013. Additional fee required.	4, Fall
CHEM 1999	<b>Topics in Chemistry</b> A lower-level course in a selected area of Chemistry. Not for independent study. Additional fee may be required.	1 to 4, On Demand
CHEM 2202	<b>Instrumental Analysis</b> Methods of instrumental analysis in chemistry. Basis for techniques, instrument construction, and spectrum interpretation will be covered. Prerequisite: A grade of "C" or better in CHEM 1115.	2, Fall
CHEM 2999	<b>Independent Study in Chemistry</b> Independent study for students who have completed a minimum of 24 hours with an overall B average. Prerequisites: approval of the dean and the completion of a 2999 Independent Study form. Additional fee may be required.	1 to 4
CHEM 3034	<b>Analytical Chemistry</b> Extension of studies of stoichiometry, titrimetric analysis and equilibrium begun in general chemistry. Prerequisite: A grade of "C" or better in CHEM 1115 and MATH 2023. Laboratory is required. Additional fee required.	4, Spring
CHEM 3043	<b>Environmental Chemistry</b> A survey of natural chemical phenomenon in the environment, how they are affected by human activities and the resulting consequences. The application of general chemical principles to understanding and addressing environmental phenomena and problems. Survey of analytical techniques used in environmental chemical analysis. Prerequisites: A grade of "C" or better in CHEM 3034 and CHEM 3114 recommended.	3, On Demand
CHEM 3054	<b>Biochemistry</b> The structural and functional properties of proteins, carbohydrates, lipids and nucleic acids are studied to reveal the molecular basis of membrane composition and dynamics, bioenergetics, enzyme kinetics and regulation, and the transmission and expression of genetic information in prokaryotes and eukaryotes. Prerequisite: A grade of "C" or better in CHEM 3114. Laboratory is required. Additional fee required.	4, Fall
CHEM 3104	<b>Organic Chemistry I</b> Considers the correlation of structures of principal classes of organic compounds with their properties, introduction to organic reaction mechanisms, chemistry of polyfunctional compounds including macromolecules of biological significance. Prerequisite: A grade of "C" or better in CHEM 1115 or its equivalent as determined by instructor. Additional fee required.	4, Fall
CHEM 3114	<b>Organic Chemistry II</b> Application of principles from CHEM 3104 to organic reaction mechanisms and to organic qualitative analysis. Prerequisite: A grade of "C" or better in CHEM 3104 or its equivalent as determined by instructor. Additional fee required.	4, Spring
CHEM 3203	<b>Advanced Laboratory</b> The use of instruments and advanced techniques in separating and analyzing substances, both inorganic and organic. Prerequisite: A grade of "C" or better in CHEM 3034 and permission. Additional fee required.	3, On Demand
CHEM 3703	<b>Applied Mathematics in Advanced Chemistry (PHYS 3703)</b> This course will concentrate on the application of infinite series, differential equations, vector calculus, Fourier transforms, special functions, and matrices to topics in chemistry and physics. Prerequisite: A grade of "C" or better in MATH 2023 and CHEM 1105 (or CHEM 1063).	3, Spring
CHEM 3999	<b>Cooperative Work Experience</b> A supervised and evaluated work experience designed to supplement academic training with on-the-job training relevant to the student's career goals. Up to six hours credit may be earned either with part-time work during the semester (parallel plan) or three-five months of full-time employment (alternating plan). Prerequisite: approval of division chairman and dean.	1 to 6

CHEM 4114	<b>Physical Chemistry/Chemical Physics I (PHYS 4114)</b> Considers states of matter; laws of thermodynamics applied to states and their changes; equilibria; kinetics; electromotive force; irreversible processes; quantum theory; topics selected as appropriate to the interests and needs of students enrolled. Prerequisites: A grade of "C" or better in CHEM 1115, PHYS 2525 and CHEM 3702. Laboratory is required. Additional fee required.	<i>4, Fall</i>
CHEM 4124	<b>Physical Chemistry/Chemical Physics II (PHYS 4124)</b> Sequent of CHEM 4114, involving continuation of the same topics. Prerequisites: A grade of "C" or better in PHYS 2525 and CHEM 3702. Laboratory is required. Additional fee required.	<i>4, Spring, Even</i>
CHEM 4329	<b>Advanced Topics in Chemistry</b> An advanced course in a selected area of Chemistry. Not for independent study. Prerequisite: junior standing. Additional fee may be required.	<i>1 to 4, On Demand</i>
CHEM 4504	<b>Inorganic Chemistry</b> The bonding and reactivity of inorganic molecules will be emphasized. ## CHURCH MUSIC COURSE OFFERINGS

---

CHMU 1000	<b>Fellowship of Church Musicians</b> The Fellowship of Church Musicians (FCM) is a ministry meeting for church music/worship arts majors or worship arts minors, but is open for all who are interested in music and worship. Regular meetings during each semester deal with various aspects of music and worship ministry. Additional fee required.	0
CHMU 1503	<b>Music Theory for the Worship Leader</b> Students will learn the basic skills of music reading and deal with the rudiments of music theory that they will encounter in a worship setting. This includes note names in bass and treble clef, key signatures and scales up to 5 flats and sharps, chord spellings, the basics of modulation, how to read a chord chart, and the basics of tablature. This will also include a listening portion to help the students begin to develop basic aural skills associated with music in worship. Students who already have a background in music theory may take a placement exam and receive course credit.	3, <i>Fall</i>
CHMU 1702	<b>Leading Worship with Guitar</b> This course will deal with the three major issues of the guitar-playing worship leader: consistent rhythm guitar technique that supports congregational singing, effective and healthy vocal production while playing and leading, as well as general skills in worship leadership. Students will hone worship leadership skills both with and without the guitar. Various chord structures and rhythm techniques will be practiced and applied to current worship repertoire. They will learn healthy vocal production and how to apply that to a setting with sound reinforcement. The class will also look at basic techniques for leading a contemporary praise band, including a final project leading and playing in a live band. Music will be chosen in keeping with a student's ability and experience. Prerequisites: Students should come into the class being able to tune their own guitar and play in a few open keys such as G, D, or C. Students who do not play guitar should take INMU 1011 Guitar Class and Techniques.	2, <i>Spring</i>
CHMU 2012	<b>Handbell Literature and Techniques</b> The purpose of the Handbell Literature and Techniques is to learn, practice, and perform repertoire for the smaller handbell ensemble as well as some solo ringing literature. At the same time students will learn healthy handbell ringing techniques and current terminology. No prior ringing experience is necessary, although some music reading ability would be helpful.	2, <i>Fall, Even</i>

- CHMU 2102 Introduction to Music and Worship Ministry** *2, Fall*

This course will explore methodology and practical aspects of planning and administering summer youth and sports camp programs. The student will deal with the theories applicable to camp administration and will be required to work in the OBU Falls Creek, Super Summer, and/or Summer Sports Camps.
- LEIS 2999 Independent Study in Leisure Studies** *1 to 4*  
Independent study for students who have completed a minimum of 24 hours with an overall B average. Prerequisites: approval of the dean and the completion of a 2999 Independent Study form.
- LEIS 3152 Promotion of Exercise, Health and Recreation Programs** *2, Spring, Odd*  
This course will cover all aspects of developing and promoting programs in the exercise, health and recreational fields. These principles will apply to YMCA, community, and church recreation; adult fitness and cardiac rehabilitation; and health and fitness programs in business or other settings.
- LEIS 3242 Leadership in Leisure Service Management** *2, Spring, Even*  
This course is designed to acquaint students with the theories, methods, and styles of effective leadership in leisure service management. Problem solving, group management, communication, motivation, financial responsibilities and time management are some of the areas to be addressed in this class. Prerequisite: LEIS 1483.
- LEIS 3403 Outdoor Education** *3, Fall, Odd*  
Students will participate in workshop experiences which emphasize environmental education. These workshops contain hands-on experiences in an outdoor classroom setting. The workshops will include Project Learning Tree, Project Wild, and Project Wet. Additional fee required.
- LEIS 3503 Managing Sporting Events** *3, Fall, Even*  
This course will provide strategies and tactics to guide someone through the event planning and implementation process starting with the earliest stages of event design and concluding with post-event follow-up. Ministry events within the local church and outreach strategies will be explored.
- LEIS 4022 Ropes Course Instructor** *2, Fall, Even*  
The purpose of this course is to allow the student an opportunity to learn the procedures, techniques, and responsibilities for Ropes Course Facilitators. Successful completion of this course will lead to certification as a Ropes Course Instructor. Additional fee required.
- LEIS 4052 Research in Recreation and Leisure Studies** *2, Spring, Odd*  
This course will provide the student an opportunity for independent investigation, readings, and/or research in a professional area of interest.

LEIS 4329	<b>Advanced Topics in Leisure Studies</b> An advanced course in a selected area of Leisure Studies. Not for independent study. Prerequisite: junior standing.	1 to 4, <i>On Demand</i>
LEIS 4403	<b>Planning/Designing Kinesiology and Leisure Services Facilities</b> This course is designed to acquaint students with current theory and practice regarding the planning of all kinesiology and leisure services facilities. This will include school athletic facilities as well as parks and recreation facilities, college and university intramural facilities, etc. Such aspects as construction, legal liability issues, supervision, space utilization, etc. will be considered. Prerequisite: junior standing.	3, <i>Spring, Even</i>
LEIS 4769	<b>Internship in Sports Management</b> Supervised internship in a sports management experience. Additional fee required. Permission required.	4, <i>January Term</i>
LEIS 4779	<b>Internship in Sports Ministry</b> Students will be expected to participate in a directed sports ministry project as a requirement for this degree. This course will include class work preparation, and supervised participation in a sports ministry project. Additional fee required.	1 to 4
LEIS 4789	<b>Internship in Camp Administration</b> Supervised internship in a camping experience. Will include planning as well as hands-on experience in an actual camp setting. Additional fee required.	1 to 6
LEIS 4799	<b>Internship in Church Recreation (AMIN 4799)</b> Students spend at least one semester working haltime in a church recreation program under guidelines established by the Department of Kinesiology and Leisure Studies in coordination with the cooperating professional. Additional fee required.	1 to 3
LEIS 4999	<b>Independent Study in Leisure Studies</b> Independent study for juniors and seniors with at least a B average in Leisure Studies. Prerequisites: approval of the dean and the completion of a 4999 Independent Study form.	1 to 3

## MANAGEMENT COURSE OFFERINGS

---

MGMT 1999	<b>Topics in Management</b> A lower-level course in a selected area of Management. Not for independent study.	1 to 4, <i>On Demand</i>
MGMT 2889	<b>Cooperative Work Experience</b> A supervised and evaluated work experience designed to supplement academic training with on-the-job training relevant to the student's career goals. In the parallel plan, up to three hours of credit may be earned with part-time work during the semester or with full-time employment during the summer. In the alternating plan, up to six hours of credit may be earned with full-time employment during the semester. The course may be repeated for up to a total of six hours credit. Prerequisite: approval of director of Cooperative Education.	1 to 6
MGMT 2999	<b>Independent Study in Management</b> Independent study for students who have completed a minimum of 24 hours with an overall B average. Prerequisites: approval of the dean and the completion of a 2999 Independent Study form.	1 to 4
MGMT 3203	<b>Introduction to Organizational Management</b> An examination of the concepts and issues in the management of organizations. The processes and procedures used to manage performance effectively, including behavioral implications and an awareness of the individual's impact on others, will be included. Prerequisite: concurrent enrollment in ECON 2013 or ECON 2023.	3

materials and social responsibility of advertisers. Prerequisite: MKTG 3303.

- MKTG 3343 Selling and Sales Management** *3, Spring*  
 A study of models of buyer behavior and the communication process in the buyer-seller setting. Includes development of the appropriate selling strategies and tactics from the first step of prospecting by the salesperson, through the sales approach, presentation and handling of objections, to the closing of the sale. Examining the primary tasks of managing the sales force. Prerequisite: MKTG 3303 or instructor's permission; and junior standing.
- MKTG 3363 International Marketing** *3, Fall*  
 A study of marketing in the international environment. Both domestic and multinational structures are handled in terms of global marketing. Cross cultural issues will be emphasized throughout the course. Prerequisite: MKTG 3303.
- MKTG 3373 Small Business Marketing** *3, Spring*  
 A study of no-cost and low-cost marketing methods. Topics include guerilla marketing, viral marketing, buzz marketing, social marketing, and other methods useful for small businesses.
- MKTG 3999 Advanced Cooperative Work Experience** *1 to 6*  
 A supervised and evaluated work experience to supplement academic training with on-the-job training relevant to the student's career goals. In the parallel plan, up to three hours of credit may be earned with part-time work during the semester or with full-time employment during the summer. In the alternating plan, up to six hours of credit may be earned with full-time employment during a semester. The course may be repeated for up to a total of 12 hours credit. Prerequisites: approval of director of Cooperative Education and MKTG 3303.
- MKTG 4303 Marketing Research** *3, Fall*  
 Provides the student with a basic understanding of the research process as it applies to marketing and business problems. Examining the scientific method and research design along with alternative approaches to collecting and analyzing data. A comprehensive research project and selected case analysis provide opportunity for relating the theoretical concepts and techniques to real world problems. Prerequisite: MKTG 3303.
- MKTG 4329 Advanced Topics in Marketing** *1 to 4, On Demand*  
 An advanced course in a selected area of Marketing. Not for independent study. Prerequisite: junior standing.
- MKTG 4353 Marketing Management** *3, Spring*  
 Extension and application of the concepts of the basic marketing course from the point of view of the chief marketing executive. Examining the marketing tasks and philosophies of marketing management within the marketing systems and the environments which include the marketing opportunities for consumer, producer, and government-oriented products and services. Reviews actual business marketing strategies in marketing management to demonstrate the application of major concepts. Prerequisites: MKTG 3303 and senior standing.
- MKTG 4983 Marketing for Results** *3*  
 This course equips students with the knowledge and skills necessary to plan and execute strategies and tactics typically assigned to the marketing function of organizations. The course addresses critical factors affecting product and enterprise competitiveness, including resource allocation, product design and positioning, creating awareness through marketing mix, creating accessibility through distribution strategies, pricing and the integration of the marketing function with other functions in the organization. Prerequisite: permission from the College of Business Dean.
- MKTG 4999 Independent Study in Marketing** *1 to 4*  
 Independent study for juniors and seniors with at least a B average in Marketing. Prerequisites: approval of the dean and completion of a 4999 Independent Study form.

# MATHEMATICS

## COURSE OFFERINGS

---

MATH 1003	<b>Intermediate Algebra</b> Deductive systems, number systems, algebraic expressions, linear equations and inequalities, exponents, quadratic and fractional equations, systems of equations.	3
MATH 1033	<b>Introduction to Contemporary Mathematics</b> Selected topics from set theory, logic, mathematical systems, geometry, probability and statistics, numeration and number theory, consumer finance, graph theory, voting and apportionment.	3
MATH 1163	<b>College Algebra</b> Equations, inequalities, polynomial functions, rational functions, graphs, logarithmic functions, exponential functions, and systems of equations. Prerequisite: A grade of "C" or better in MATH 1003 or ACT Math 20 (SAT Math 520).	3
MATH 1173	<b>College Trigonometry</b> Trigonometric functions and their graphs, fundamental identities, and applications. Prerequisite: A grade of "C" or better in MATH 1163 or concurrent enrollment in MATH 1163, or ACT Math 22 (SAT 550).	3
MATH 1203	<b>Elementary Mathematics I</b> Selected topics from the theory of elementary mathematics, including the origin of numerals and systems of numeration; sets and relations, and the structure and properties of the systems of whole numbers. Credit will not apply toward a mathematics or a secondary mathematics education degree.	3
MATH 1213	<b>Elementary Mathematics II</b> Continuation of MATH 1203, including study of rational numbers, real numbers, proportional reasoning, percent, probability and statistics. Credit will not apply toward a mathematics or a secondary mathematics education degree.	3
MATH 1223	<b>Elementary Mathematics III</b> Continuation of MATH 1213, including a study of basic geometric construction, translations, reflections and rotations, and measurement and congruence. Credit will not apply toward a mathematics or a secondary mathematics education degree.	3
MATH 1903	<b>Calculus for Business and Social Sciences</b> Differentiation and integral calculus especially designed for business and social science majors, emphasizing functions of one variable, including exponential and logarithmic functions, limits and continuity; differentiation, graphing and optimization; and integration; A grade of "C" or better is required for Business majors. Prerequisite: A grade of "C" or better in MATH 1163, or ACT Math 26 (SAT 640).	3
MATH 1999	<b>Topics in Mathematics</b> A lower-level course in a selected area of Mathematics. Not for independent study.	1 to 4, <i>On Demand</i>
MATH 2003	<b>Basic Statistics</b> Introduction to descriptive statistics and statistical inference. Study of the processes of collection, organization, presentation and interpretation of numerical data. Population sampling and prediction. Probability theory. Prerequisite: A grade of "C" or better in MATH 1163 or ACT Math 24 (SAT 600).	3
MATH 2013	<b>Analytic Geometry and Calculus I</b> Functions and their graphs, limits, continuity, derivatives, differentials, trigonometric functions, applications of the derivative, Mean Value Theorem and basic integration. Prerequisite: A grade of "C" or better in MATH 1163 and 1173, or ACT Math 27 (SAT 660).	3
MATH 2023	<b>Analytic Geometry and Calculus II</b> Integrals, Fundamental Theorem of Calculus, applications of the integral, elementary transcendental functions, techniques of integration. Prerequisite: A grade of "C" or better in MATH 2013 or its equivalent.	3
MATH 2033	<b>Analytic Geometry and Calculus III</b> Sequences, series, convergence of series, power series, Taylor's formula, conic sections, polar coordinates, space geometry and curves, vector analysis of curves. Prerequisite: A grade of "C" or better in MATH 2023 or its equivalent.	3, <i>Fall</i>

- MATH 2043 Analytic Geometry and Calculus IV** 3, Spring  
Differential calculus of several variables, applications of partial derivatives, multiple integrals, Green's Theorem, Divergence Theorem, Stokes's Theorem, introduction to differential equations. Prerequisite: A grade of "C" or better in MATH 2033 or its equivalent.
- MATH 2103 Discrete Mathematics (CIS 2103)** 3, Spring  
The purpose of this course is to study the use of discrete structures as foundations of various areas in computer science. In particular, this class is an introduction to logic, set theory, probability, number theory, graph theory, and complexity analysis with an emphasis on applications in computer science. Prerequisite: A grade of "C" or better in MATH 1163 or equivalent score on mathematics placement exam.
- MATH 2999 Independent Study in Mathematics** 1 to 4  
Independent study for students who have completed a minimum of 24 hours with an overall B average. Prerequisites: approval of the dean and the completion of a 2999 Independent Study form.
- MATH 3013 Introduction to Probability and Statistics** 3, Spring, Even  
Permutations, combinations, probabilities in finite sample spaces, independence, conditional probability, joint and continuous distributions, averages and variance (theoretical and sample), random sampling, estimation and hypothesis testing, covariance and correlation, least squares, curve fitting, and regression. Prerequisite: A grade of "C" or better in MATH 2023 or its equivalent.
- MATH 3133 Modern Geometry** 3, Spring, Even  
Euclidean geometry from a modern viewpoint, proofs and transformational geometry, projective geometry, non-Euclidean geometry, foundations of geometry, constructions and use of current technologies in construction and proof. Prerequisite: A grade of "C" or better in MATH 2023 or permission.
- MATH 3203 Linear Algebra** 3, Fall, Even  
Linear transformations, matrix theory, determinant theory and vector spaces. Prerequisite: A grade of "C" or better in MATH 2023 or its equivalent.
- MATH 3243 Differential Equations** 3, Fall, Odd  
Solution of first order equations, solution of high order equations, series solutions, Laplace transforms, Sturm-Liouville problem, Fourier series. Prerequisite: A grade of "C" or better in MATH 2023 or its equivalent.
- MATH 3999 Cooperative Work Experience** 1 to 6  
A supervised and evaluated work experience designed to supplement academic training with on-the-job training relevant to the student's career goals. Up to six hours credit may be earned either with part-time work during the semester (parallel plan) or three-five months of full-time employment (alternating plan). Prerequisite: approval of division chairman and dean.
- MATH 4103 Introduction to Real Analysis** 3, Spring, Even  
Real number system, sequences, limits, continuity, differentiation, the Riemann integral. Prerequisite: A grade of "C" or better in MATH 2023 or its equivalent.
- MATH 4113 History and Foundations of Mathematics** 3, Fall  
Capstone course for mathematics and mathematics education majors. A discussion of key developments in the history of mathematics, as well as an emphasis on developing and synthesizing problem solving skills from number theory, combinatorics, and other areas of mathematics. Includes student presentations, written research, and a review of current mathematical literature. Prerequisite: senior standing, a grade of "C" or better in MATH 2023 or its equivalent, or permission of the instructor.
- MATH 4123 Introduction to Complex Variables** 3, Fall, Even  
This course extends the concepts of calculus to the complex setting. Topics include complex numbers, analytic functions, elementary functions, differentiation, integration, series, residues and poles. Prerequisite: A grade of "C" or better in MATH 2023 or its equivalent.
- MATH 4133 Introduction to Modern Algebra** 3, Spring, Odd  
An axiomatic development of mathematical systems: groups, rings and fields, with examples. Prerequisite: A grade of "C" or better in MATH 2023 or permission.

MATH 4183	<b>Numerical Analysis/Computational Physics (PHYS 4183)</b> Introduction to the numerical algorithms fundamental to mathematical and scientific computer work. Includes elementary discussion of error, polynomial interpolation, linear systems of equations, solutions of nonlinear equations, numerical solutions of ordinary differential equations, difference equations, and numerical integration. Prerequisites: NURS 3011, NURS 3156, and NURS 3171; or concurrent enrollment. Should have LPN license required.</p>	<i>6, Fall</i>
NURS 3743	<p><b>Advanced Practicum: Child-Bearing Family</b></p> <p>A clinical course designed to assist in the application of knowledge in the nursing care of child-bearing families. The design of the clinical experience is based on an assessment of the learning needs of the student. Additional fee required. Prerequisites: NURS 3163 and NURS 3182; or concurrent enrollment. LPN license required.</p>	<i>3, Spring</i>
NURS 3763	<p><b>Advanced Practicum: Mental Health Care</b></p> <p>A clinical course designed to assist in the application of knowledge in the nursing care of clients with mental health problems. The design of the clinical experience is based on an assessment of the learning needs of the student. Additional fee required. Prerequisites: NURS 3182 and NURS 3223; or concurrent enrollment. LPN license required.</p>	<i>3, Spring</i>
NURS 3859	<p><b>Cross-Cultural Nursing Ministry</b></p> <p>This course is designed to provide experience for student nurses in cross-cultural nursing ministry. This is an illness oriented practicum which focuses on the nursing care of acutely ill individuals. The nursing process in the care of clients is emphasized. Additional fee required. Prerequisite: admission to College of Nursing.</p>	<i>1 to 3, January Term</i>
NURS 3983	<p><b>Extern Practicum I</b></p> <p>A clinical practicum in which students work with a nurse preceptor. Weekly didactic content focuses on the cognitive and psychomotor skills required for the practice of professional nursing</p>	<i>3, Summer</i>
NURS 4043	<p><b>Health Care Management For Collaborative Practice</b></p> <p>A theory course which focuses on the knowledge essential for implementing leadership and management in agencies providing health care. Prerequisite: NURS 4134, NURS 4153 or concurrent enrollment in NURS 4143.</p>	<i>3, Spring</i>
NURS 4134	<p><b>Community Health</b></p> <p>A theory course which focuses on the knowledge essential for providing nursing care to populations of clients. Prerequisites: completion of required 3000 level nursing courses.</p>	<i>4, Fall</i>
NURS 4143	<p><b>Complex Nursing Care</b></p> <p>An advanced theory course that provides the knowledge for the complex nursing care of clients. Prerequisites: NURS 4134, NURS 4153, and concurrent enrollment in NURS 4242.</p>	<i>3, Spring</i>
NURS 4153	<p><b>Chronic Conditions</b></p> <p>A theory course focusing on human responses to chronic conditions across the lifespan and on strategies for prevention and management of these conditions. Additional fee required. Prerequisites: completion of required 3000 level nursing courses. Concurrently enrolled in NURS 4173.</p>	<i>3, Fall</i>
NURS 4173	<p><b>Practicum: Long Term Health Care</b></p> <p>A clinical practicum focusing on application of the nursing process to complexities of long term care for individuals and families across the lifespan. Additional fee required. Prerequisite: concurrently enrolled in 4153.</p>	<i>3, Fall</i>
NURS 4213	<p><b>Practicum: Community as Client</b></p> <p>A clinical course that focuses on the nursing care of populations of clients in the community. Prerequisite: NURS 4134 or concurrent enrollment. Additional fee required.</p>	<i>3, Fall</i>
NURS 4223	<p><b>Practicum: Management</b></p> <p>A clinical course that focuses on the role of the professional nurse in managing nursing care delivery within the health system. Prerequisites: NURS 4043 and NURS 4143; or concurrent enrollment. Additional fee required.</p>	<i>3, Spring</i>
NURS 4242	<p><b>Practicum: Complex Care</b></p> <p>A clinical course that focuses on the role of the professional nurse in providing nursing care to complex clients. Prerequisites: NURS 4043 and NURS 4143; or concurrent enrollment. Additional fee required.</p>	<i>2, Spring</i>

NURS 4282	<b>Extern Practicum II</b> A clinical practicum in which students work with a nurse preceptor. Additional seminars focus on the issues related to the practice of professional nursing. A continuation of Extern Practicum I.	<i>2, Fall</i>
NURS 4329	<b>Advanced Topics in Nursing</b> An advanced course in a selected area of Nursing. Not for independent study. Additional fee may be required. Prerequisite: junior standing and admission to College of Nursing.	<i>1 to 4, On Demand</i>
NURS 4343	<b>Practicum: Independent Project</b> A clinical course focusing on the development in the roles of the professional nurse. In a selected health care agency, the student develops a nursing job description based on an assessment of that agency. Prerequisites: NURS 4134, NURS 4153, NURS 4173, and NURS 4213. Additional fee required.	<i>3, Spring</i>
NURS 4403	<b>Faith Community Nursing</b> A theory course focusing on the basic knowledge essential for implementing the role of the faith community nurse. Prerequisite: students with nursing as an area of concentration or RN students.	<i>3, Fall</i>
NURS 4482	<b>Extern Practicum III</b> A clinical practicum in which students work with a nurse preceptor. Additional seminars focus on the issues related to the practice of professional nursing. A continuation of Extern Practicum I and II.	<i>2, Spring</i>
NURS 4601	<b>Senior Seminar</b> A seminar course which provides an opportunity for the synthesis of nursing knowledge with the knowledge acquired in the Common Core Courses and the Flex Core Courses for the nursing area of concentration. The focus of the course is the integration of these knowledge areas with the real world of professional nursing practice. Prerequisites: NURS 4043, NURS 4143, NURS 4223 and NURS 4242; or concurrent enrollment; or approval of the dean of the College of Nursing.	<i>1, Spring</i>
NURS 4723	<b>Essentials of Nursing Practice II</b> A clinical course designed to meet the learning needs of senior level students who require additional clinical experiences. The emphasis is on the application of the nursing process and related concepts. Prerequisites: senior standing and permission of the dean of the College of Nursing. Additional fee required.	<i>3, On Demand</i>
NURS 4803	<b>Practicum: Faith Community Nursing</b> A clinical course that focuses on the practice of faith community nursing. Prerequisite: NURS 4403. Additional fee required.	<i>3, January Term</i>
NURS 4859	<b>Cross-Cultural Health Ministry</b> This course is designed to provide a cross-cultural experience for beginning practitioners in health ministry. This is a community oriented practicum course which focuses on the application of the nursing process within the community. Using group process, target populations will be identified and interventions planned, implemented and evaluated. Additional fee required. Prerequisite: completion of Senior I semester of Nursing curriculum.	<i>1 to 3, January Term</i>
NURS 4999	<b>Independent Study in Nursing</b> Independent study for juniors and seniors with at least a B average in Nursing. Additional fee may be required. Prerequisites: approval of the dean and completion of a 4999 Independent Study form.	<i>1 to 4</i>

## PHILOSOPHY COURSE OFFERINGS

---

PHIL 1043	<b>Introduction to Philosophy</b> Analysis of the principles of reasoning, the methods and topics of philosophy that emerge in the history of Western Philosophy.	3
PHIL 1502	<b>Critical Thinking</b> A survey of the principles of reasoning, with an emphasis on practical application. Topics include evaluating arguments and sources of information, and recognizing common errors in reasoning.	2

<b>PHIL 1999</b>	<b>Topics in Philosophy</b> A lower-level course in a selected area of Philosophy. Not for independent study.	<i>1 to 4, On Demand</i>
<b>PHIL 2143</b>	<b>History of Modern Philosophy</b> Survey of Western philosophy from the Renaissance through the 19th century, including rationalism, empiricism, and idealism.	<i>3, Spring</i>
<b>PHIL 2343</b>	<b>History of Ancient Philosophy (REL 2343)</b> A survey of Greek and Roman philosophy with an emphasis on the thought of Plato and Aristotle.	<i>3, Fall</i>
<b>PHIL 2353</b>	<b>History of Medieval Philosophy</b> A survey of the central issues and figures in medieval western philosophy from Augustine to William of Ockham.	<i>3, Spring, Odd</i>
<b>PHIL 2363</b>	<b>Philosophy of Religion (REL 2363)</b> An examination of the philosophical issues regarding theism, religious experience, religious language, religious knowledge, and the problem of evil. Prerequisite: PHIL 1043.	<i>3, Spring, Odd</i>
<b>PHIL 2503</b>	<b>History of American Philosophy</b> A study of the important movements and figures in American philosophy from Jonathan Edwards through the 20th century pragmatists.	<i>3, Spring, Even</i>
<b>PHIL 2703</b>	<b>Contemporary Christian Apologetics</b> Christian apologetics is a defense of the reasonableness of believing that the Christian worldview is universally and objectively true. Apologists draw on objective reasons, arguments, and evidences for this purpose. Apologists employ these rational resources both to help faith grow by offering a positive case for Christian claims (watering) and to prevent faith from dying by arguing against objections to Christian claims (weeding). The goal is to try to show that Christian faith is at least as reasonable as its most reasonable competitor or, if possible, that it is more reasonable than any worldview with which it competes. But there are both theoretical and practical limits to apologetics. Apologists need to be humble, irenic, and aware that all their arguments are rationally resistible. Prerequisite: PHIL 1043.	<i>3, Fall</i>
<b>PHIL 2999</b>	<b>Independent Study in Philosophy</b> Independent study for students who have completed a minimum of 24 hours with an overall B average. Prerequisites: approval of the dean and the completion of a 2999 Independent Study form.	<i>1 to 4</i>
<b>PHIL 3103</b>	<b>Philosophy of Science</b> This course will investigate what science is, what it does, and how it works. Special attention will be given to the methodology that distinguishes scientific inquiry from other intellectual disciplines, and the authority that the results of scientific research have, and should have, in our intellectual lives. Prerequisite: PHIL 1043.	<i>3, Spring, Even</i>
<b>PHIL 3203</b>	<b>Logic</b> An examination of logical methods and procedures, with some consideration of contemporary philosophy of logic. Prerequisite: PHIL 1043.	<i>3, Spring</i>
<b>PHIL 3313</b>	<b>Political Philosophy (POLI 3313)</b> Study of the problems and history of political thinking, with reference to the justification of public policy. Prerequisite: PHIL 1043.	<i>3, Spring, Even</i>
<b>PHIL 3423</b>	<b>World Religions (REL 3423, ANTH 3423)</b> Historical and comparative study of the religious beliefs of man from ancient to contemporary times. Examination of common characteristics of primitive religions and progression through tribal, national, and universal states. Emphasis on the major religious and philosophical expressions of Hinduism, Buddhism, Judaism, and Islam.	<i>3</i>
<b>PHIL 3433</b>	<b>Contemporary Theology (REL 3433)</b> A survey of the major movements of 20th century Christian theology, beginning with the neoorthodox reaction to 19th century Protestant liberalism. Major attention given to Protestant theologians in Europe and America such as Barth, Tillich, Bultmann, the radical theologians, and the theologians of hope, as well as to process theology.	<i>3, Fall</i>

- PHIL 3503**      **Philosophy of Law** 3, *On Demand*  
 A consideration of the nature and types of law and legal reasoning; sources of law; and the basis of a legal system, of legal and political authority, of obedience to law, and of human rights. Readings include texts of important legal decisions, as well as writings by legal theorists and philosophers. Prerequisite: PHIL 1043.
- PHIL 3533**      **Ethics (REL 3533)** 3, *Fall, Even*  
 A critical examination of the major ethical theories in recent Western philosophy. Topics to be included are: the analysis of language, the justification of moral beliefs, and the status of ethical theories. Prerequisite: PHIL 1043.
- PHIL 3603**      **History of Christian Apologetics** 3, *Spring, Even*  
 This course is a consideration of the history of Christian apologetics and Christian apologists, from the biblical period (Moses, Isaiah, Jesus, Paul, Peter), through the early church fathers (Justin, Origen, Athanasius, Augustine), medieval Christendom (Boethius, Anselm, Aquinas, Abelard), early modernity (Calvin, Newton, Leibniz, Locke, Pascal, Paley), and the 19th-20th centuries (Butler, Warfield, Sayers, Chesterton, Lewis, Van Til). Prerequisite: PHIL 1043.
- PHIL 3703**      **Aesthetics** 3, *Fall, Odd*  
 A study of the nature of art and aesthetic judgments from the works of historic philosophers and contemporary theorists. Prerequisite: FNAR 2063 and PHIL 1043.
- PHIL 4329**      **Advanced Topics in Philosophy** 1 to 4, *On Demand*  
 An advanced course in a selected area of Philosophy. Not for independent study. Prerequisite: junior standing.
- PHIL 4553**      **Philosophy of Mind** 3, *Fall, Odd*  
 A critical examination of central issues in the philosophy of mind and psychology, including the mind-body problem, personal identity, consciousness, knowledge of other minds, and intelligent machines. Prerequisite: PHIL 1043.
- PHIL 4563**      **Philosophy of Language** 3, *Fall, Odd*  
 An examination of key issues in philosophy of language, including meaning and truth, sense and reference, speech acts, and communication. Prerequisite: PHIL 1043.
- PHIL 4603**      **Metaphysics** 3, *Fall, Even*  
 A critical examination of current issues in constructing a theory of ontology and/or cosmology. Prerequisite: PHIL 1043.
- PHIL 4613**      **Religion and the State (REL 4613)** 3, *On Demand*  
 A study of the Biblical, historical, and constitutional developments in church and state relations. Prerequisite: PHIL 1043.
- PHIL 4653**      **Epistemology** 3, *Fall, Even*  
 A critical examination of current issues in constructing a theory of knowledge. Prerequisite: PHIL 1043.
- PHIL 4663**      **Existentialism** 3, *Spring, Odd*  
 A survey of Western existentialist philosophy, with particular focus upon major figures in Christian (Kierkegaard and Dostoevsky) and non-Christian (Nietzsche) existentialism. Prerequisite: PHIL 1043.
- PHIL 4673**      **Historiography, Miracles, and the Resurrection** 3, *Spring, Odd*  
 This course is an investigation into principles of historical inquiry as they pertain to the possibility of gaining historical knowledge, particularly of professedly miraculous events. An examination of the biblical texts surrounding the post-mortem fate of Jesus, with evaluation of competing historical hypotheses - including the orthodox historical interpretation of Jesus' bodily resurrection. Prerequisite: PHIL 1043 and REL 1023.
- PHIL 4800**      **Christian Philosophy Colloquium** 0, *Fall*  
 Philosophy majors and minors will gather six times during the semester for a roundtable dialogue on the distinctiveness of Christian philosophy. Colloquia conversation will center on a book or article(s) by a prominent Christian philosopher on an aspect or issue in Christian philosophy. Course is pass-fail, discussion based. Prerequisite: PHIL 1043.
- PHIL 4900**      **The Christian Philosopher Colloquium** 0, *Spring*  
 Philosophy majors and minors will gather six times during the semester for a roundtable dialogue on the distinct vocation of a Christian philosopher - how the perspective focus, method, content,

and output of a Christian philosopher will be different from that of a non-Christian philosopher. Colloquia conversation will center on a book or article(s) by a prominent Christian philosopher on an aspect or issues in Christian philosophy. Course is pass-fail, discussion based. Prerequisite: PHIL 1043.

PHIL 4999	<b>Independent Study in Philosophy</b> Independent study for juniors and seniors with at least a B average in Philosophy. Prerequisites: approval of the dean and completion of a 4999 Independent Study form.	<i>1 to 4</i>

## PHYSICAL EDUCATION COURSE OFFERINGS

---

PHED 1001	<b>The Wellness Lifestyle (Concepts in Fitness)</b> The primary purpose of this course is to acquaint student with knowledge and understanding of the value of physical activity as it relates to optimal healthful living.	1
PHED 1051	<b>Introduction to Rock Climbing (LEIS 1051)</b> An introduction to the sport of Rock Climbing. Class topics will include technique, styles of climbing, safety concerns, equipment usage, ethics, and basic anchor construction. Required experiential exercises outside of class will include actual climbing in order to apply concepts learned in the classroom. Open to all classifications. Additional fee required.	<i>1, Fall, Spring</i>
PHED 1061	<b>Rhythmic Aerobics</b> This course uses choreography and music to attain desired levels of cardiorespiratory fitness. May be repeated for credit.	1
PHED 1071	<b>Water Aerobics</b> This course offers choreographed movements to music using chest-deep water as resistance. Water exercise reduces impact and provides excellent opportunities for cardiovascular as well as muscle endurance training. May be repeated for credit up to a maximum of two credits. The ability to swim is not a prerequisite.	1
PHED 1101	<b>Karate</b> This course will include physical training and techniques in the Tae Kwon Do style of Karate. Progression will go from beginner level through the medium ranks. Therefore, this class may be repeated for credit up to a maximum of three credits.	1
PHED 1111	<b>Junior Varsity Men's Basketball</b> Junior Varsity participation may be taken for credit only once. Prerequisite: permission.	1
PHED 1121	<b>Women's Varsity Golf</b> Varsity participation may be taken for credit only once. Prerequisite: permission.	<i>1, Spring</i>
PHED 1131	<b>Junior Varsity Women's Basketball</b> Junior Varsity participation may be taken for credit only once. Prerequisite: permission.	1
PHED 1141	<b>Junior Varsity Baseball</b> Junior Varsity participation may be taken for credit only once. Prerequisite: permission.	<i>1, Fall</i>
PHED 1151	<b>Team Sports I</b> Development of skills in football and basketball with participation in intramurals required.	<i>1, Fall</i>
PHED 1161	<b>Team Sports II</b> Development of skills in volleyball and softball with participation in intramurals required.	<i>1, Spring</i>
PHED 1171	<b>Junior Varsity Softball</b> Junior Varsity participation may be taken for credit only once. Prerequisite: permission.	1
PHED 1191	<b>Women's Varsity Tennis</b> Varsity participation may be taken for credit only once. Prerequisite: permission.	<i>1, Spring</i>
PHED 1201	<b>Men's Varsity Cross Country</b> Varsity participation may be taken for credit only once. Prerequisite: permission.	<i>1, Fall</i>
PHED 1211	<b>Men's Varsity Basketball</b> Varsity participation may be taken for credit only once. Prerequisite: permission.	<i>1, Fall</i>

PHED 1221	<b>Women's Varsity Volleyball</b> Varsity participation may be taken for credit only once. Prerequisite: permission.	1, Fall
PHED 1231	<b>Women's Varsity Basketball</b> Varsity participation may be taken for credit only once. Prerequisite: permission.	1, Fall
PHED 1241	<b>Varsity Baseball</b> Varsity participation may be taken for credit only once. Prerequisite: permission.	1, Spring
PHED 1251	<b>Men's Varsity Track</b> Varsity participation may be taken for credit only once. Prerequisite: permission.	1, Spring
PHED 1261	<b>Men's Varsity Tennis</b> Varsity participation may be taken for credit only once. Prerequisite: permission.	1, Spring
PHED 1271	<b>Varsity Softball</b> Varsity participation may be taken for credit only once. Prerequisite: permission.	1, Spring
PHED 1281	<b>Men's Varsity Golf</b> Varsity participation may be taken for credit only once. Prerequisite: permission.	1, Spring
PHED 1291	<b>Women's Varsity Indoor Track</b> Varsity participation may be taken for credit only once. Prerequisite: permission.	1, Spring
PHED 1311	<b>Beginning Tennis/Badminton</b> Instruction and development of basic skills, rules, and etiquette of tennis and badminton.	1
PHED 1321	<b>Beginning Swimming</b> Instruction and development of basic water safety skills and swimming techniques.	1, Fall
PHED 1341	<b>Golf</b> Introduction to basic skills and rules as well as participation in golf. May be repeated for credit. Additional fee required.	1, Fall
PHED 1351	<b>Archery and Hunter Safety</b> This course will teach archery and other hunting skills as well as emphasize the hunter safety certification offered by the Oklahoma Department of Wildlife.	1, Fall
PHED 1361	<b>Physical Fitness: Walk/Jog</b> Physical fitness through individualized programs designed to improve cardiovascular fitness levels, through walking and/or jogging. May be repeated for credit.	1
PHED 1371	<b>Contemporary Games</b> Wallyball, ultimate frisbee, and other similar games.	1, Spring
PHED 1381	<b>Men's Varsity Indoor Track</b> Varsity participation may be taken for credit only once. Prerequisite: permission.	1, Spring
PHED 1391	<b>Women's Varsity Cross Country</b> Varsity participation may be taken for credit only once. Prerequisite: permission.	1, Fall
PHED 1401	<b>Advanced Tennis</b> Emphasis on the refinement of skills and techniques as well as match play. May be repeated for credit. Prerequisite: PHED 1311 or equivalent skill.	1, Spring
PHED 1411	<b>Beginning Racquetball</b> Instruction and development of the basic skills, rules and courtesies of racquetball.	1
PHED 1421	<b>Intermediate Swimming</b> Designed to increase the student's variety of swimming strokes and skill. Prerequisite: PHED 1321 or equivalent skill.	1, Fall
PHED 1431	<b>Advanced Racquetball</b> Emphasis on the refinement of skills and techniques as well as tournament play. May be repeated for credit. Prerequisite: PHED 1411 or equivalent skill.	1, Spring
PHED 1441	<b>Women's Varsity Track</b> Varsity participation may be taken for credit only once. Prerequisite: permission.	1, Spring
PHED 1451	<b>Intermediate Rock Climbing (LEIS 1451)</b> A continuation of the Introduction to Rock Climbing course. Additional fee required.	1, Fall, Spring

PHED 1469	<b>Ballet (THEA 1469)</b> Introduction to ballet techniques including barre, center floor and across the floor combinations. Open to all skill levels. Instructor will adjust to skill levels of students enrolled. Additional work will be required for two hours credit.	<i>1 to 2, Spring</i>
PHED 1479	<b>Jazz/Tap (THEA 1479)</b> Introduction to jazz/tap styles and combinations. Open to all skill levels. Instructor will adjust to skill levels of students enrolled. Additional work will be required for two hours credit.	<i>1 to 2, Fall, Even</i>
PHED 1521	<b>Lifeguarding</b> This course will focus on the skills and knowledge necessary to become a certified lifeguard. May result in American Red Cross lifeguarding certification. Prerequisite: PHED 1421 or equivalent/ concurrent enrollment in KINE 1111.	<i>1, Spring</i>
PHED 1531	<b>Diving</b> Knowledge and skills needed to perform various dives from a one-meter springboard. May be repeated for credit. Prerequisite: PHED 1421 or equivalent skill.	<i>1, On Demand</i>
PHED 1541	<b>Physical Fitness: Swimming</b> Physical fitness through an individualized program of swimming. May be repeated for credit.	<i>1</i>
PHED 1561	<b>Physical Fitness: Weight Training</b> Physical fitness through an individualized program of weight training. May be repeated for credit.	<i>1</i>
PHED 1631	<b>Scuba Diving</b> Knowledge and skills to scuba dive. May result in certification. Prerequisite: PHED 1421 or equivalent skill. Additional fee required.	<i>1</i>
PHED 1651	<b>Recreational Sports</b> This course will expose the student to the knowledge and skills associated with the sports of bowling, table tennis, pickleball, hickey, and golf. Additional fee required.	<i>1, Spring</i>
PHED 1661	<b>Physical Fitness: Indoor Cycling</b> Physical fitness through an indoor cycling workout. May be repeated for credit.	<i>1, Fall, Spring</i>
PHED 1761	<b>Cycling</b> Knowledge of the bicycle and legal knowledge associated with cycling. Cardiovascular fitness levels associated with cycling. May be repeated for credit. Prerequisite: must have own bike.	<i>1, Spring</i>
PHED 1811	<b>Cheerleading</b> Cheerleading may be taken for credit only once. Prerequisite: permission.	<i>1</i>
PHED 1821	<b>Women's Varsity Soccer</b> Women's Varsity Soccer. May be taken for credit only once.	<i>1</i>
PHED 1831	<b>Men's Varsity Soccer</b> Varsity participation may be taken for credit only once. Prerequisite: permission.	<i>1, Fall</i>
PHED 1841	<b>Varsity Football</b> Varsity participation may be taken for credit only once. Prerequisite: permission.	<i>1, Fall</i>
PHED 1851	<b>Varsity Volleyball</b> Junior varsity participation may be taken for credit only once. Prerequisite: permission.	<i>1, Fall</i>
PHED 1861	<b>Men's Junior Varsity Soccer</b> Junior varsity participation may be taken for credit only once. Prerequisite: permission.	<i>1, Spring</i>
PHED 1871	<b>Women's Junior Varsity Soccer</b> Junior varsity participation may be taken for credit only once. Prerequisite: permission.	<i>1, Spring</i>
PHED 1881	<b>Women's Varsity Lacrosse</b> Varsity participation may be taken for credit only once. Prerequisite: permission.	<i>1, Spring</i>
PHED 1901	<b>Junior Varsity Volleyball</b> Junior varsity participation may be taken for credit only once. Prerequisite: permission.	<i>1, Fall</i>
PHED 1911	<b>Men's Varsity Swimming and Diving</b> Varsity participation may be taken for credit only once. Prerequisite: permission.	<i>1, Fall</i>
PHED 1921	<b>Men's Junior Varsity Swimming and Diving</b> Junior varsity participation may be taken for credit only once. Prerequisite: permission.	<i>1, Fall</i>

PHED 1931	<b>Women's Varsity Swimming and Diving</b> Varsity participation may be taken for credit only once. Prerequisite: permission.	1, Fall
PHED 1941	<b>Women's Junior Varsity Swimming and Diving</b> Junior varsity participation may be taken for credit only once. Prerequisite: permission.	1, Fall
PHED 1951	<b>Junior Varsity Football</b> Junior varsity participation may be taken for credit only once. Prerequisite: permission.	1, Fall
PHED 2509	<b>Musical Theatre Dance (THEA 2509)</b> Introduction to dance styles commonly used in musical theatre, including ballet, jazz, tap and character. Students will also learn basic dance combinations and choreography appropriate for auditions and performances. Additional work will be required for two hours credit.	1 to 2, Fall, Odd

## PHYSICS

### COURSE OFFERINGS

---

PHYS 1999	<b>Topics in Physics</b> A lower-level course in a selected area of Physics. Not for independent study. Additional fee may be required.	1 to 4, On Demand
PHYS 2214	<b>Applied Physics for Computer Science (CIS 2214)</b> This class is designed to give students a broad background in physics while relating this background to applications in computer science. This class covers topics in introductory computer systems, digital systems, semiconductor devices, computational theory and contemporary physics. This class offers students a computer science emphasis with a broad exposure to several major areas of physics. Prerequisites: A grade of "C" or better in MATH 2013 and MATH 2023. Laboratory is required.	4, Fall, Even
PHYS 2414	<b>College Physics I</b> Vectors, mechanics, fluids dynamics, heat and sound. One laboratory session each week. Prerequisites: A grade of "C" or better in MATH 1163 and MATH 1173; or permission. Additional fee required.	4, Fall
PHYS 2424	<b>College Physics II</b> Electricity, magnetism, optics, and introduction to modern physics. One laboratory session each week. Prerequisite: A grade of "C" or better in PHYS 2414. Additional fee required.	4, Spring
PHYS 2515	<b>University Physics I</b> Mechanics, Fluid, Wave, Sound, and Thermodynamics. One laboratory session each week. Prerequisites: A grade of "C" or better in MATH 2023 and CHEM 1115. Additional fee required.	5, Fall
PHYS 2525	<b>University Physics II</b> Electricity, magnetism, light, and modern physics. One laboratory session each week. Prerequisite: A grade of "C" or better in PHYS 2515. Additional fee required.	5, Spring
PHYS 2999	<b>Independent Study in Physics</b> Independent study for students who have completed a minimum of 24 hours with an overall B average. Prerequisites: approval of the dean and the completion of a 2999 Independent Study form. Additional fee may be required.	1 to 4
PHYS 3014	<b>Classical Mechanics</b> Statics, dynamics, introduction to Lagrangian and Hamiltonian mechanics. Prerequisite: A grade of "C" or better in PHYS 2515.	4, Fall, Even
PHYS 3023	<b>Thermodynamics and Statistical Mechanics</b> Thermodynamic laws, entropy, heat transfer, equations of state, kinetic theory. Maxwell-Boltzmann statistics, Bose-Einstein statistics. Prerequisites: A grade of "C" or better in PHYS 2515, MATH 2033 and MATH 2043.	3, Spring, Odd
PHYS 3053	<b>Optics and Wave Motion</b> Geometrical and physical optics, interference, diffraction, electro-magnetic theory of light, special relativity. Prerequisite: A grade of "C" or better in PHYS 2525.	3, Fall, Odd

- PHYS 3154 Modern Physics I** *4, Fall, Odd*  
Special theory of relativity, quantum theory, atomic structure and origin of spectral lines; molecular bonding and energy levels. Prerequisites: A grade of "C" or better in PHYS 2525, MATH 2033 and MATH 2043. One hour lab required.
- PHYS 3164 Modern Physics II** *4, Spring, Even*  
Radioactivity, high energy particles, radiation detectors, nuclear properties and structure, introduction to solid state physics. Prerequisite: A grade of "C" or better in PHYS 3154. One hour lab required.
- PHYS 3204 Logic Design (CIS 3204)** *4, Spring, Odd*  
This class emphasizes Boolean algebra, the design of the logic networks, the design of digital circuits and their implementation. The labs will introduce discrete design with logic gates to build more complex systems. The emphasis is on the theoretical concepts and systematic synthesis techniques that can be applied to the design of practical digital systems. Prerequisites: MATH 2013, MATH 2023, and PHYS 2214. Laboratory is required.
- PHYS 3703 Mathematical Physics (CHEM 3703)** *3*  
The course will concentrate on the application of infinite series, differential equations, vector calculus, Fourier Transforms, special functions, and matrices to topics in chemistry and physics. Prerequisite: A grade of "C" or better in MATH 2023 and CHEM 1105 (or CHEM 1063).
- PHYS 4013 Advanced Laboratory I** *3, Fall, Odd*  
Two hours of lecture in the area of experimental physics and three hours of laboratory work. Prerequisite: A grade of "C" or better in PHYS 2525. Additional fee required.
- PHYS 4023 Advanced Laboratory II** *3, Spring, Even*  
Two hours of lecture in the area of experimental physics and three hours of laboratory work. Prerequisite: A grade of "C" or better in PHYS 2525. Additional fee required.
- PHYS 4114 Physical Chemistry/Chemical Physics I (CHEM 4114)** *4, Fall*  
Considers states of matter; laws of thermodynamics applied to states and their changes; equilibria; kinetics; electromotive force; irreversible processes; quantum theory; topics selected as appropriate to the interests and needs of students enrolled. Additional fee required. Prerequisite: A grade of "C" or better in CHEM 1115, PHYS 2525 and CHEM 3702.
- PHYS 4124 Physical Chemistry/Chemical Physics II (CHEM 4124)** *4, Spring*

- SOCI 3213 Sociology of Community** 3, Fall, Odd  
Emphasis on classic community studies of Chicago, Middletown, Atlanta, New Haven, and others. Topics include demography, class structures, power, community communication processes, planned cities, and strategies for social change.
- SOCI 3303 Aging and Death** 3, Spring, Even  
Study of the problems of the aging in our society, the social processes related to death, and issues such as health care planning, euthanasia, population control, and experimentation on human subjects. Attention to governmental and private programs for the aged, planning for retirement, nursing homes, retirement villages, stages of dying, and the hospice movement.
- SOCI 3803 Human Rights in the World Community (ANTH 3803, POLI 3803)** 3, Fall, Odd  
An examination of human rights concepts, issues, and problems through the analysis of diverse global case studies. Attention will be given to the character of human rights discourse and contexts of application, with emphasis on the action and implementation of various approaches and practices.
- SOCI 3913 Kinship and Family in Global Perspective (ANTH 3913, FMLY 3913)** 3, Fall, Odd  
A study of kinship and family, with attention given to diverse cultural and social contexts. Framed by historical and contemporary considerations, topics will include family origin and universality, marital and family structure, residence pattern, gender, relatedness, and social organization. Examples will be selected from among the Americas, Europe, Africa, Asia, and Oceania.

SOC 4103	<b>Social Psychology (PSYC 4103)</b> Topics include the self, socialization, face-to-face encounters, groups, crowds, and social movements. Students with an insufficient TOEFL or IELTS score are encouraged to enroll in Oklahoma Baptist University's Intensive English Program. This campus-based program is designed to develop language skills which will help guarantee academic success when the student leaves the language institute and proceeds to University work. For more information, please consult the "Intensive English Program" section of this catalog.

- The University cannot accept course work credits from institutions not accredited by a Council for Higher Education Accreditation (CHEA) or United States Department of Education (USDE) recognized accreditation organization. Non-accredited institutions include vocational or trade schools and other institutions whose purposes and curricula indicate their restrictive nature. However, after earning 24 credit hours in residence at OBU with a GPA of 2.00 or higher, credits earned at a college or university not accredited by a CHEA or USDE recognized accrediting organization may be applied to the student's OBU transcript as applicable credit for a degree.

### Non-degree Seeking Students

Non-degree seeking students requesting admission into a Certificate Program must meet admission requirements as defined by the specific program. Non-degree seeking students who wish to matriculate into a degree seeking program must apply and meet all admission requirements for that degree. Courses taken by a non-degree seeking student will apply to degree requirements if the courses are appropriate for the selected degree and the student earned a grade of C or better.

Non-degree seeking students are not eligible for financial aid.

### Conditional Admissions Policy

Applicants who score below the minimum Admission Index, but have relevant work experience since receiving the bachelor's degree and who are otherwise judged qualified, may be admitted conditionally. The conditional status will be dropped, if after the completion of 9 credit hours the student will have maintained a GPA of at least a 3.0. Failure to maintain this GPA will result in the student's withdrawal from the program.

### **Denial of Admissions**

OBU reserves the right to deny admission, continued enrollment, or re-enrollment to any applicant or student. Any program that requires a background check or drug screen reserves the right to take action that impacts the student's status including but not limited to the denying enrollment based on findings and will report findings to the appropriate agency.

### **Transfer Credit**

A maximum of six credit hours or two courses from an accredited graduate school will be considered for transfer credit. Only grades of B or above will be considered, and coursework should have been completed within the last six years. Transfer credit requests will be carefully evaluated by the MBA, MFT, or MSN Admissions Committee, and are not automatically granted.

All transfer grades become a part of the student's permanent record at OBU. Incomplete grades transferred to OBU will be calculated as F grades unless the student furnishes an amended transcript showing a changed grade. Transfer grade point averages will be calculated according to OBU grading policies.

The University cannot accept course work credits from institutions not accredited by a Council for Higher Education Accreditation (CHEA) or United States Department of Education (USDE) recognized accreditation organization. Non-accredited institutions include vocational or trade schools and other institutions whose purposes and curricula indicate their restrictive nature. However, after earning 24 credit hours in residence at OBU with a GPA of 2.00 or higher, credits earned at a college or university not accredited by a CHEA or USDE recognized accrediting organization may be applied to the student's OBU transcript as applicable credit for a degree.

A student who has completed few than 24 semester hours of accredited college work must meet both the freshman admission requirements and the transfer admission requirements. Students who have completed 24 college semester hours or more at an accredited college or university who do not have a high school diploma or GED scores will be admitted on the basis of their transfer credits. However, a transcript of any high school work completed may be required.

## **REGISTRATION & ENROLLMENT**

### **Registration**

Once notified of admission to the program, registration for the first term is completed through the Graduate Programs Office. Full tuition for the first term is due upon registration.

Courses vary in length within each program. Courses may be four weeks, five weeks, six weeks, or twelve weeks in length.

### **Enrollment**

Progress through the MBA, MFT, and MSN Programs is recommended in a pre-determined sequence. Regular entry into the MBA and MFT program occurs in January or August of each year. Regular entrance into the MSN program occurs in August. Entry at the beginning of any course is possible with special permission from the Dean or Director of the appropriate program. Once an applicant is advised of acceptance and indicates intent to begin the program, registration for the initial term is automatic unless there are pending prerequisites. All application materials will be permanently kept on file in the OBU College of Graduate and Professional Studies office.

### **Textbooks, Syllabi and Required Materials**

Textbooks are available online through the OBU bookstore. Course syllabi are posted online following registration. The course syllabi will list class readings and written assignments which may be required prior to the first class meetings. On-ground program participants are required to bring their own laptop computer to most class sessions.

### **Late Registration**

Final registration must be completed before the first class meeting or a \$50 late registration charge will apply.

### **Withdrawal from Classes**

Students who must withdraw from a class must formally withdraw in the College of Graduate and Professional Studies office no later than the second week of a four-week course, third week of a five-week course, fourth week of a six-week course, fifth week of an eight-week course, the eighth week of a twelve-week course, or tenth week of a sixteen-week course in order to receive the neutral grade of "W." The potential refund is dependent upon the date of withdrawal.

## FINANCIAL POLICIES

### Refund Policies

Refunds for on-ground courses adhere to the following schedule:

- Before the first class of a course – 100% of tuition
- After the first class - 75% of tuition
- After the second class - 50% of tuition
- After the third class - 0% of tuition

Refunds for online courses adhere to the following schedule:

- Before the course commences - 100% of tuition
- Before the end of Week 1 - 75% of tuition
- Before the end of Week 2 - 50% of tuition
- After Week 2 - 0% of tuition

Students who withdraw from a course because of extenuating circumstances must meet with the Dean of the College of Graduate and Professional Studies about their ability to continue the program.

### Employer Tuition Reimbursement

Many employers offer tuition reimbursement plans which can assist students in attaining their educational and career goals. Upon registration, the student must submit documentation of their employer's policies for tuition reimbursement to the College of Graduate and Professional Studies office. If the employer reimburses students directly, full payment is due at the time of registration for each course.

## GENERAL POLICIES

### Governance of Graduate and Professional Studies at OBU

The College of Graduate and Professional Studies Council is charged with oversight of all graduate programs at the University. The Council is composed of the Provost and Executive Vice President for Campus Life, the Dean of the College of Graduate and Professional Studies, academic deans, appointed faculty members, and student representatives (one per program, selected by the cohort) from each approved graduate program or program under development.

### Special Services

OBU's College of Graduate and Professional Studies provides support services to students with disabilities. The College of Graduate and Professional Studies is committed to the goal of achieving equal educational opportunity and full

participation for students with disabilities. If you have a need for services due to disabilities, please contact the Dean of the College of Graduate and Professional Studies at 405.585.4601.

### Non-discrimination Policy

Oklahoma Baptist University strives to maintain high standards of professional ethics in an atmosphere in which individuals do not abuse their personal authority or power in interpersonal relationships.

The OBU College of Graduate and Professional Studies is committed to maintaining a humane atmosphere in which the race, color, gender, age, national origin, marital status, and cognitive or physical disability are not disparaged. The University will not tolerate language or behavior directed against particular persons or groups the intent of which is to degrade, humiliate, embarrass, frighten, or otherwise dehumanize.

### Graduate Student Services

OBU staff members from both the Shawnee and Oklahoma City campuses are available to help students with application to the program, advising, registration, applications for financial aid, career counseling, and more, throughout their graduate education. Textbook purchases are facilitated online through OBU's bookstore. Book orders will be processed in a timely fashion so that required reading and writing assignments can be completed prior to the first class meeting. Library and reference materials are accessible online, as well as at the main OBU library and the Byrd Library on the campus of the OU Health Science Center. Students may also check out materials from a multitude of different libraries through OBU's participation in the OKShare program.

### Student Rights and Responsibilities

OBU's College of Graduate and Professional Studies students are expected to support and promote the values of ethics, academic integrity, individual freedom, dignity, respect, and concern for others. Graduate and Professional Studies students have the right to appeal decisions. Those decisions not related to grade issues follow the sequence:

- faculty member
- Academic Dean
- ad hoc committee (Academic Dean, College of Graduate and Professional Studies Dean, faculty member)
- Provost and Executive Vice President for Campus Life

The grade appeals process is outlined in the Academic Policies section to follow.

## Complaint Policy

The Student Complaint and Grievance Policy does not supersede specific policies involving special cases such as academic integrity and grade appeals, Title IX, sexual harassment, and due process within discipline procedures/hearings. Those special cases have specific policies and procedures that are outlined separately. A student who is unsure of which policies or procedures should be followed may discuss the matter with the Dean of Students, Director of Human Resources, or the Title IX coordinator.

University policies provide the opportunity for students to file informal concerns or complaints, or formal grievances concerning any member of the University community while acting in an official capacity (e.g. faculty member, administrator, staff member). Information regarding procedures may be obtained from the Academic Center and/or the Office of Student Development.

Following the investigation, evaluation, and resolution of the formal grievance, the student and the University department/college will receive a written report of the outcome of the dispute. If the student's concern is not resolved at the formal grievance level, then the student is able to submit a final formal written grievance to the President by following the procedures outlined below.

## ACADEMIC POLICIES

### Class Attendance

Due to the accelerated nature of course scheduling and the importance of team building among cohort peers in the OBU College of Graduate and Professional Studies programs, it is essential that students attend class regularly. When extenuating circumstances arise forcing a student to miss class, notice should be given as soon as possible to the faculty member as well as the College of Graduate and Professional Studies office. Responsibility for fulfilling all course requirements lies with the student. Faculty members have the option of granting make-up assignments or exams for missed class periods. Students with attendance issues may petition via the Incomplete Grade Contract to receive an incomplete in the course rather than withdraw from the course.

In online courses, regular and consistent participation is expected of all students. If the student is unable to participate in discussion boards or to complete an assignment, the student should make arrangements with the faculty in advance. The student is expected to look for any announcements and to monitor/participate in discussions as outlined in course syllabi.

## Recording and Transmission Devices

The use of recording and transmission devices (including cell phones) in the classroom by students without authorization from the instructor is prohibited. The participation of individual students in class should not be recorded without their permission. Any authorization for the use of recording devices in the classroom or online by students carries with it the following limitations:

- recordings shall be used only for the student's private study;
- information from the recordings shall not be made available to other persons not enrolled in the course; and
- all recordings shall be destroyed at the end of the course.

## Mobile Phone Usage

In order to maintain an optimal environment for learning, mobile phones should be turned off or set to vibrate during class. In the rare event that a student feels it will be necessary to take a phone call during class time, notice should be given to the professor in advance, as a courtesy. If a student receives a call, it is appropriate to leave the room, close the door, then answer the call.

## Academic Dishonesty Policy

The University maintains a strict policy concerning academic dishonesty, which includes cheating, plagiarism, giving assistance on an examination or paper when expressly forbidden by the instructor, and any other practices which demonstrate a lack of academic integrity. Cheating occurs any time a student uses deception in order to avoid fulfilling the specific requirements of an assignment or course and/or in order to receive a higher grade than he/she might otherwise receive. Plagiarism occurs when a student appropriates passages or ideas from someone else's writing into his/her own without providing proper documentation and/or without using quotation marks to indicate when he/she is directly quoting from a source. The responsibility lies with the student to know and adhere to principles of academic honesty.

## Procedure

If an instructor determines that the student is guilty of academic dishonesty, the instructor must discuss the matter with the student. In the event the instructor cannot reach the student in a timely manner, the instructor may assign a grade of "I" (Incomplete) until the student can be contacted and the matter of academic dishonesty discussed. The instructor then completes the "Academic Violation Form," which should include evidence and other necessary documentation. The instructor will determine the appropriate remedy: either a grade of

zero on the assignment in question or a grade of “F” in the course. The student will designate whether he/she accepts the remedy for the violation of the dishonesty policy or wishes to appeal the instructor’s decision. If a student elects to appeal, the “appeal due date” line must be completed on the Academic Violation Form. (See the Appeals section for more information regarding the appeals process.)

Upon completion, the instructor forwards the Academic Violation Form to the Registrar’s Office for placement in the student’s permanent record. The Registrar will forward copies of the Academic Violation Form to the student, Dean of the College of Graduate and Professional Studies, appropriate academic dean or director, and Chief Academic Officer. Not appealing when the form is first completed or by the appeal due date will be taken as an admission of guilt, except under compelling circumstances to be determined at the sole discretion of the Chief Academic Officer.

If upon receipt of the Academic Violation Form the Registrar determines that the student is guilty of a second offense, and after all appeals are exhausted, then a grade of FD (Failure Due to Academic Dishonesty) will be assigned by the Registrar for the course regardless of the remedy specified on the Academic Violation Form. The student is then permanently barred from membership in any honorary society, is permanently ineligible for any OBU honor list, and permanently expelled from the University. The Registrar will notify all parties in writing. A copy of the final report with the two offenses will become a part of the student’s permanent record. The university reserves the right to expel the student after a first offense, depending on the circumstances and at the sole discretion of the Chief Academic Officer. If the student is enrolled in one or more other courses at the time the FD is issued, he/she will be academically withdrawn from the other course(s). In the case of academic withdrawal due to an academic violation, no refund will be provided.

## Appeals

The student who wishes to appeal an academic violation charge should submit his/her appeal in writing to the appropriate Academic Dean or Program Director (hereafter referred to as Dean) by the appeal due date indicated on the Academic Violation Form, which is normally within ten regularly scheduled business days after the completion date of the Academic Violation Form. This statement should contain the reasons for which the student is appealing the instructor’s decision. The burden of proof lies with the student in such a case to show that an ethical violation has not occurred. Within ten regularly scheduled

business days of receiving the written appeal, the Dean will notify, in writing, both the instructor and the student of the decision. Copies of the decision are to be forwarded to the Registrar and the Chief Academic Officer by the Dean. If the Dean is also the instructor who files the Academic Violation Form, then the student may appeal to the Chief Academic Officer.

When, in the opinion of the Dean, the student fails to show reasonable cause for further investigation, the Dean may deny the appeal without taking further action. When, in the opinion of the Dean, a student’s appeal raises reasonable doubt as to whether an ethical violation occurred, the Dean will meet with the faculty member and with the student and render a decision within ten regularly scheduled business days of the receipt of the appeal. If the decision favors granting the student’s appeal, the Dean may request that the Registrar remove the Academic Violation Form from the student’s record. The Dean will notify both the student and the instructor of this action. Copies of the decision are to be forwarded to the Registrar and the Chief Academic Officer by the Dean.

Any student who has exhausted the remedies open under the procedures outlined above may appeal the entire matter to the Chief Academic Officer in writing within ten regularly scheduled business days of receiving the response from the Dean. Upon receipt of the appeal, the Chief Academic Officer will review the matter and issue a decision within fifteen (15) regularly scheduled business days. The Chief Academic Officer has the authority to deny the appeal, reduce the penalties in the event of extenuating circumstances, or direct the registrar to remove the record of the Academic Violation Form from the student’s permanent record. The results of the Chief Academic Officer’s decision are final. The Chief Academic Officer will notify the student and the Dean. Copies of the decision are to be forwarded to the Registrar and the instructor by the Chief Academic Officer.

Note: During the appeals process, the student may continue to attend the class in which the violation occurred.

## Advising

Upon admission to a degree program, students are assigned an academic advisor to assist them with planning their program of study. Students and advisors discuss the terms of the program requirements at appropriate intervals throughout the program. Advisors advise students on meeting the program requirements, however, it is the student’s responsibility to schedule advising appointments and to complete all degree requirements. Students enrolled in online courses may make arrangements

for a Virtual Chat or telephone call with an advisor at a mutually agreed upon time. Students may also access advisor via OBU email.

## Grades

All grades are filed in the Academic Center as a part of the permanent record of the student. Successful completion of any course depends on fulfilling the specific requirements of the course as dictated by the instructor at the level of competency which he/she requires. Maintenance of acceptable standards of ethical conduct as a student is also required for successful course completion. The grades and quality points given are in descending order of excellence:

A (4.00), B (3.00), C (2.00), D (1.00)

\*IP (0.0) - Work in Progress. Granted in special circumstances for those courses which take more than one session/semester to complete. In special instances, permission for this grade may be granted by the dean of the college in which the course is taken. The grade is granted for one calendar year; a shorter time period may be specified by the instructor.

F (0.0) - Failing

FX (0.0) - Failure because of excessive absences.

\*I (0.0) - Incomplete. A neutral mark, the I is given at the discretion of an instructor when, for a legitimate reason, a student is not able to complete course requirements within a given session/semester. An incomplete grade contract signed by the instructor and by the student must accompany this grade to indicate the nature of the work to be completed and the time from for completing the work. An I may not be used as an alternative to a grade of F. An incomplete grade must be made up by the date identified by faculty whether or not the student is subsequently enrolled at OBU. If the grade is not made up by the deadline, it will be changed to a failing grade of F on the transcript.

## Grade Reports

Grades are issued within 10 days of the close of a course. All grade reports are issued online.

## Grade Appeals

In the case of a grade appeal, the student shall be considered to have an authentic grievance when he/she can demonstrate his/her grade for a course has been adversely affected because a faculty member has:

- a. made an error in the calculation of the grade or has made an error in reporting the grade to the Registrar;
- b. made an arbitrary, prejudiced or capricious evaluation of the student;

- c. created and enforced course policy that is arbitrary, prejudiced or capricious;
- d. failed to notify (or to make a reasonable attempt to notify) the student of course requirements, policies, and/or penalties;
- e. failed to notify (or make a reasonable attempt to notify) the student in a timely manner of failure to achieve educational objectives;
- f. infringed upon the contractual rights of the student as delineated in the course syllabus, the Catalog, or other University policy documents;
- g. violated the civil or human rights of the student as defined by law.

Grade appeals should begin by the student contacting the faculty member to attempt resolution. The first contact must be made within 10 working days of the date that final grades are posted. If the faculty member is unavailable, the student should contact the Academic Dean to petition for an extension. If the initial consultation does not result in a satisfactory outcome, the student may request a conciliatory conference with the Dean of the College of Graduate and Professional Studies, the Academic Dean and the faculty member. Such a request must be made in writing within five working days after the initial consultation with the faculty member. Should the conciliation conference not yield a satisfactory result, the student may request a formal hearing. A written request for a formal hearing must be submitted by the student within 10 working days after the conciliation conference. The written request must be submitted to the Chief Academic Officer. The petition must include detailed factual data and other information that the petitioner deems pertinent to his/her case, including an account of the informal procedures and why the attempted resolution was unsatisfactory.

Within five working days after receiving the student's petition, an ad hoc hearing committee shall be formed. The Chief Academic Officer shall select two graduate faculty members. The Dean of the College of Graduate and Professional Studies shall select two graduate students. The ad hoc hearing committee will select an additional faculty member to be a non-voting chairman. No person with a conflict of interest shall be selected.

The hearing shall be within 10 working days of the selection of the ad hoc hearing committee at a time and place determined by the Chief Academic Officer and communicated to all parties through his/her office.

The hearing will be conducted in private, and the parties will make no public statements about the case.

The ad hoc hearing committee will not be bound by strict rules of legal evidence. Serious efforts will be made to obtain the most reliable evidence. The decision will take the form of finding of fact, conclusions, and a recommended disposition of the appeal. The findings of fact, conclusions, and recommended disposition must be based solely on the hearing records and pertinent University policies and procedures. The findings, conclusions and recommendations shall not be inconsistent with applicable provisions of local, state, and federal law.

### **General Rules of Procedure for Grade Appeals**

The following rules and procedures will apply to all grade appeals:

- a. Time limits may be extended by the Chief Academic Officer when he/she considers the reasons for an extension to be warranted. However, a grade appeal should be resolved within six months of the time the grade is received.
- b. The committee shall be provided copies of all written correspondence that have been exchanged relative to the appeal. These materials shall be collected by the Chief Academic Officer and given to the Chairman of the committee.
- c. All proceedings shall be closed to anyone except the participants and the committee. The committee will review written documentation and hear oral statements from the two parties. At the discretion of the Chair, other students or faculty members may be invited for a portion of the hearing to provide relevant information.
- d. All proceedings and records of proceedings shall be confidential.
- e. A tape recording or video recording of the formal hearing will be made by the University. A transcript shall be provided at the expense of the party or parties requesting it.
- f. All formal hearing documents shall be kept in the confidential files in the office of the Chief Academic Officer. The ad hoc hearing committee will present its decision in writing within five working days to all parties and to the Chief Academic Officer. Should the student initiate court action, the University reserves the right to discontinue internal procedures or to continue same to complete a record as the case warrants. The ad hoc hearing committee may decide:
  1. to uphold the grade assigned by the faculty member;
  2. to suggest that the faculty member or the Chief Academic Officer change the student's grade; or
  3. to negotiate a mutually acceptable compromise between the student and the faculty member.

At least three of the four voting members of the committee must concur that the grade should be changed before a decision is made to change a grade.

### **Requirements for Grade Point Average**

A cumulative GPA of 3.00 or above is required in order to earn the graduate degree. If the cumulative GPA falls below 3.0 after the completion of nine credit hours, the student will be placed on academic probation. The student is not allowed to attempt any new courses until the GPA is raised.

Failure to reach the above minimum will result in the suspension of the graduate student from the University. Notification will come from the Chief Academic Officer. Graduate students under academic suspension normally may apply to the Chief Academic Officer for reinstatement. Reinstatement of the graduate student is not automatic, but depends on the quality of evidence submitted to the Chief Academic Officer, in consultation with the appropriate academic Dean, to justify belief that normal progress may be made toward satisfaction of degree requirements. Reinstated graduate students must pass all courses attempted for each succeeding semester with a course grade no lower than B or a second suspension will result.

A student will be expelled from the program if he or she receives a "D", "F", or second grade of "C." The student may apply for readmission to the program.

## **COURSE POLICIES**

### **Repetition of Courses**

Courses may be repeated **one time** with permission of the Academic Dean. The second grade will count toward the calculation of the GPA. Full tuition must be paid.

### **Completion of Course Work**

Specific course policies are at the discretion of the assigned course faculty member. All assignments should be completed before or by the last class meeting date.

### **Online Course Submissions**

Central Standard Time in the United States is the accepted time zone for all courses submissions. Assignments must be posted by the due date and

time identified by each course. See syllabi for program specific requirements

### **Leave of Absence Policy**

Should a graduate student find it necessary to temporarily leave the program, he/she can request a leave of absence from the program. Students returning to the program in less than 24 months will not have to be reconsidered for admission. If more than 24 months elapse, a student must apply for readmission to the program.

### **Five Year Limitation**

Degree requirements must be completed within five years of the initiation of course work or the student risks losing all credits.

### **Auditing Courses**

All graduate courses are available for credit enrollment only.

## **GRADUATION POLICIES**

### **Degree Check**

Graduate and Professional Studies students must apply for a degree check from the Dean of the College of Graduate and Professional Studies at least six months prior to the anticipated graduation date to certify completion of courses toward the degree, as well as anticipated completion of all remaining requirements. This may include certification by the Registrar of official transcripts from other accredited post-secondary institutions, if transfer credit is being applied to the degree (maximum of six credit hours). The degree check must be signed by the student and the Academic Dean.

### **Graduation Requirements**

1. Completion of required coursework,
  - a. For the MBA program:
    - Successful completion of the 36 credit hours,
    - And the graduate business project.
  - b. For the MFT program:
    - Successful completion of the 45 credit hours
    - Successful completion of the clinical practicum (500 face-to-face therapy hours),
    - And completion of the formal case presentation project.
  - c. For the MSN program, completion of the 34 credit hours.

2. Cumulative grade point average of 3.0 in all OBU College of Graduate and Professional Studies coursework.
3. Fulfillment of all financial obligations to the University.
4. Payment of \$50 graduation fee.
5. Approval by the College of Graduate and Professional Studies Council minus student membership

### **Graduation Application**

The Application for Graduation form should be completed by the first day of the month preceding the month of graduation. Commencement ceremonies, held on the OBU main campus, offer an opportunity to celebrate achievements with family and friends. Graduate degree candidates are strongly encouraged to participate in commencement ceremonies. Candidates with six or fewer credit hours remaining may participate in commencement ceremonies.

## **OBU COLLEGE OF GRADUATE AND PROFESSIONAL STUDIES CODE OF CONDUCT**

### **Alcoholic Beverages/Drugs**

The University prohibits the possession, use, or distribution of alcohol and illicit drugs by students, employees, and others, on University-controlled premises or in connection with any University activity.

### **Breach of Peace**

Breach of peace is defined as an action which disrupts the peace or endangers the safety, health, rights, or life of any person, and an activity which incites others to such actions. Students who engage in such activities will be subject to disciplinary action. Disruption of the functional processes of the University by individuals and/or organizations will not be permitted. The use of obscene language is prohibited at any time.

### **Inclement Weather**

In the rare event that OBU College of Graduate and Professional Studies should be forced to close the program office and meeting rooms due to inclement weather, a phone message will be posted by 4:00 p.m. and students will be contacted by email. Even if events are ongoing, participants should never endanger their personal safety by traveling to the College of Graduate and Professional Studies. Instructors will make special provisions, including rescheduling of cancelled class meeting times, as appropriate.

### **Care of Unsupervised Children**

Due to insurance requirements, children under the age of 18 are not allowed in the facilities unless special arrangements are made. No guests are allowed in course meetings except by permission of the instructor.

### **Sexual Harassment**

Sexual harassment is defined as any unwelcome sexual advance or other unwelcome verbal or physical conduct of a sexual nature when

- a reasonable individual would believe that his/her response to the conduct will affect his/her employment or academic status; or
- the conduct creates an intimidating or hostile environment for work or learning.

Sexual harassment can be verbal, visual, physical, or communicated in writing or electronically. Although sexual harassment may violate state or federal law, the University may consider conduct to be sexual harassment whether or not it rises to the level of illegal sex discrimination.

### **Discriminatory Harassment**

Harassing conduct includes, but is not limited to, the following:

- epithets, slurs, negative stereotyping, threatening, intimidating, or hostile acts, that relate to race, color, gender, national origin, age, or disability; and
- written or graphic material that denigrates or shows hostility or aversion toward an individual or group because of race, color, gender, national origin, age, or disability and that is placed on walls, bulletin boards, or elsewhere on campus or circulated on campus.

Such harassment is contrary to the Christian standards of conduct expected of all members of the graduate University community, students, staff and faculty.

Any student who engages in harassment will be subject to disciplinary action ranging from a warning to expulsion, if appropriate. Persons who believe they have been objects of sexual harassment or gender discrimination should so advise the Dean of the College of Graduate and Professional Studies, the Academic Dean, or their supervisor.

# MASTER OF BUSINESS ADMINISTRATION

---

## MBA Mission

The Master of Business Administration program at the College of Graduate and Professional Studies extends OBU's mission through rigorous graduate programs that help students transform their careers, their lives, and their world through:

- professional, real-world, results-minded instruction;
- a Christ-centered outlook on the world; and
- a global perspective.

## MBA Program Admission Requirements:

1. An earned bachelor's degree from an accredited U.S. college or university, or a foreign equivalent. The undergraduate degree does not need to be in a business field. Working professionals with degrees in other fields are strongly encouraged to apply.
2. Demonstration of basic competency in general business knowledge including financial accounting, economics, finance, and business math and statistics is required. Competency can be demonstrated by
  - Submitting transcripts demonstrating successful completion of coursework in the required areas at an accredited institution;
  - Passing the appropriate College-Level Examination Program (CLEP)\*; or
  - Passing the appropriate *Ivy Software Examination (Pre-Course Assessment or Post-Course Exam)\*\**.
3. Demonstration of higher education or extended business knowledge. Competency can be demonstrated by one of the following.
  - Scores on Graduate Management Admissions Test (GMAT). Applicant's undergraduate GPA is combined with a multiplier of 100 and the applicant's GMAT score. Applicants with a score less than 750 would be reviewed by the MBA Admissions committee.
  - An undergraduate GPA of 3.25 or higher plus five years of relevant work experience. Applicants will be reviewed by the MBA Admissions committee.
  - An earned advanced degree (Masters or higher) from a regionally accredited university.

4. Full-time work experience of at least two years is preferred, with a strong desire to develop leadership potential. Exceptional students with less work experience may be considered on a space-available basis.

\*College-Level Examination Program (CLEP) resources may be found at [www.collegeboard.com](http://www.collegeboard.com)

\*\*Ivy Software Examination resources may be found at [www.ivysoftware.com](http://www.ivysoftware.com)

## Integrated OBU Bachelor's Degree/ MBA Degree Program

Students at Oklahoma Baptist University are more likely to complete their bachelor's degrees in four years than at most colleges in the region. Now, our Integrated Bachelor's Degree/MBA Degree Program gives you the chance to complete both undergraduate and graduate degrees in five years.

No matter what your discipline of study, you can begin work toward a Master of Business Administration degree at OBU while completing your undergraduate degree. You don't have to major in a business field to qualify for the integrated program. You only need to complete the prescribed 12 hours of business courses and meet other College of Graduate and Professional Studies admission standards before provisional admission to the OBU MBA program will be granted.

OBU's MBA degree program helps you learn to lead by building your skills in proven administrative practices rooted in biblical principles. There is a business side to every profession. An MBA degree deepens your understanding of how to lead people well and how to make wise strategic and financial decisions no matter what your career may be.

The integrated program will allow you to get into your career faster and with stronger academic credentials than your peers. It is another way OBU can accelerate your career as you gain skills for a lifetime of leadership and service.

Undergraduate students may count up to six hours of OBU MBA cross-listed course work for undergraduate credit during the last semester of undergraduate enrollment. The program effectively reduces the number of OBU MBA credit hours needed to be taken in year five from 36 to 30.

The following 12 hours of required business courses must be completed for provisional admission to the

MBA degree program:

- BISS 1103 - Fluency in Information Technology
- MATH 2003 - Basic Statistics
- ACCT 2013 - Principles of Accounting I
- ECON (Micro or Macro)

A minor in business is recommended.

Any student in the program must maintain a GPA of at least 3.25 in the required business courses, with no grade lower than a “C.” The student’s overall GPA must be at least 3.0.

To participate in the program, the student must complete the MBA degree program admission process. The student may apply after completing 80 hours of undergraduate course work. At least 96 hours of undergraduate course work must be completed prior to beginning master’s-level courses. Additionally, an interview with MBA program faculty is required. The student is provisionally admitted into the MBA program until the bachelor’s degree is completed. A degree plan to complete the MBA program will be compiled in consultation with the student after acceptance.

Students may begin MBA degree classes in August or January of their senior year. Undergraduates may take up to six hours of graduate work. Course options include:

- MGMT 4983 - Managing for Results
- BLAW 4983 - Commercial Law
- FIN 4983 - Finance
- ACCT 4983 - Financial Accountability

The remaining MBA degree requirements may be completed in the academic year following completion of the bachelor’s degree.

Graduate classes are billed separately from undergraduate classes. Class size is limited. Undergraduate students cannot take an MBA topics course for undergraduate credit.

For more information, contact the Dean of the Paul Dickinson College of Business.

# MASTER OF SCIENCE IN MARRIAGE AND FAMILY THERAPY

---

## MFT Mission

The Marriage and Family Therapy graduate program at Oklahoma Baptist University equips graduates for the competent practice of marriage and family therapy in order to demonstrate Christ's love for people, marriage and families.

## MFT Program Admission Requirements:

1. **Admission** to the OBU graduate program.
2. **Previous Course Work.** Although no specific undergraduate major is essential for admission to the MFT program, applicants are encouraged to have backgrounds in the human services fields or have accumulated undergraduate credit in human development, family science, psychology, sociology, theology or ministry. Because of the program's Christian perspective, applicants are required to have completed a basic undergraduate or graduate course in Christian theology. Those who lack this course are expected to complete MFT 5911, Theological Foundations or its equivalent by the end of the second semester of study.
3. **Personal and Work Experience.** Consideration is given to those applicants whose personal and work experience demonstrates commitment to the field of marriage and family therapy. Applicants with at least two years of gainful employment in the Human Services field will receive special consideration.
4. **Recommendations.** A minimum of three (3) recommendations from persons who are familiar with the applicant's academic, employment and religious experience is required.
5. **Graduate Record Examination.** A qualification index based upon the following weighting: GPA at 40%, GRE at 60% (Verbal at 30%, Quantitative at 10%, Analytical Writing at 20%). Please see the graduate program's website for a MFT qualification index calculator. Applicants who score below the qualification index, but have relevant work experience since receiving the bachelor's degree and who are otherwise judged qualified, may be admitted conditionally. The conditional status will be dropped, if after the completion of 12 credit hours the student will have maintained a GPA of at least a 3.0. Failure to maintain this GPA will result in the student's withdrawal from the program.
6. **Interview.** Upon qualifying in regard to all the above admission requirements the applicant may be required to have an on-campus personal interview with the MFT Graduate Studies Committee.

## Integrated OBU Bachelor's Degree/ MFT Degree Program

Through an integrated program, OBU provides the opportunity for students from all disciplines to begin work toward a Master of Marriage and Family Therapy degree while completing an undergraduate degree at OBU. Through the program, students from any academic discipline can pursue completion of both a bachelor's degree and a master's degree within approximately six years.

To participate in the program, the student must complete the MFT degree program admission process by submitting an application, professional recommendations, a statement of purpose and current transcript. A student will typically apply during the junior year of undergraduate course work. At least 96 hours of undergraduate course work must be completed prior to beginning master's-level courses. Additionally, an interview with MFT program faculty is required. The student is provisionally admitted into the MFT program until the bachelor's degree is completed. Students who demonstrate success in the graduate courses may have the GRE requirement waived for admission into the graduate program.

Advanced Standing students may begin MFT graduate classes in August or January of their senior year. Undergraduates may take up to twelve hours of graduate work. The remaining MFT degree requirements may be completed following completion of the bachelor's degree. Advanced Standing students may choose to receive undergraduate credit by examination for a corresponding undergraduate class of parallel content to the graduate course. The MFT Program Director will advise students on which courses they can take at the graduate level.

Graduate classes are billed separately from undergraduate classes. Students are strongly encouraged to consult with Student Financial

Services to determine the best approach for maintaining undergraduate aid/scholarships while acquiring graduate credit.

The following 15 hours of undergraduate Psychology/Family courses are recommended for student success with the MFT degree program:

PSYC 1223 - General Psychology

PSYC 2623 - Research Methods  
or PSYC 2223 - Statistics for Behavioral and Social Sciences

PSYC 2043 - Child and Adolescent Development

PSYC 3763 - Basic Counseling Skills

FMLY 3513 - Marriage and Family

For more information, contact the Director of the Graduate Program in Marriage and Family Therapy.

### **Medical Family Therapy Certificate Program**

The OBU Medical Family Therapy Certificate Program is a post-graduate certificate program focused on the theory and application of Medical Family Therapy (MedFT). Students who complete the program will receive training in the provision of collaborative health care services from a biopsychosocial-spiritual perspective, as well as the treatment of illness in the context of family and medical systems.

The certificate program will provide both educational and practical opportunities for students. It may be completed by OBU students concurrent with their enrollment in the MFT program, or by community behavioral health providers (Masters level clinicians including LMFTs, LPCs, LCSWs, nurses, physicians, etc.). Students will complete 9 credit hours of instruction (Introduction to Medical Family Therapy, Advanced Medical Family Therapy and a Medical Family Therapy Practicum). After completion of the two didactic courses, students will enroll in the MedFT practicum. In this course, students will be required to provide MedFT services in a medical setting. Emphasis will be placed on brief interventions (including solutions-focused therapy and motivational interviewing), as well as the application of course material from the two prerequisite courses. Within the 8-week timeframe of the practicum, students will be required to complete 80 clock hours at a medical site, including at least 40 hours of direct client contact. This practicum will be taught in the summer.

To apply for the certificate program, applicants will complete an application, submit letters of recommendation, official transcripts and a current resume/vita.

# MASTER OF SCIENCE IN NURSING

---

## MSN Mission

Building on a professional nursing education at the undergraduate level, the mission of the nursing graduate program at Oklahoma Baptist University is to prepare advanced nurses for delivery of health care with diverse populations and leadership roles in rapidly changing health care systems. This is accomplished through the integration of advanced professional knowledge and Judeo-Christian beliefs.

## MSN Program Admission Requirements:

1. Current license to practice professional nursing in the United States.
2. Successful completion of a basic statistics course.
3. A baccalaureate degree with an upper division major in nursing from a program accredited by an approved nursing accrediting body.
4. A minimum grade point average (GPA) of 3.0 in the last 60 hours of coursework toward the undergraduate nursing degree.
5. Two years full-time work experience as a registered nurse is preferred. Exceptional students with less work experience may be considered on a space-available basis.
6. Application and deposit fee due at the time of application.
7. Provide documentation of immunization requirements for assigned clinical experiences.

### Immunizations

- HEPATITIS B VACCINE with dates of each injection or declination completed. A complete Hepatitis B vaccination series (series of three or waiver) is required;
- Negative tuberculin skin tests(s) (in conformity with the Oklahoma State Department of Health's guidelines, as expressed at Oklahoma Administrative Code 310:667-5-4) **or** negative chest x-ray;
- VARICELLA (chicken pox): A two injection series; a written verification of varicella history, varicella vaccination **or** a varicella titer by a physician or a physician's designee;
- MEASLES, MUMPS and RUBELLA (MMR) vaccination(s) **or** positive titer(s), including two appropriately spaced doses of the measles and mumps vaccines **or** positive mumps and measles titers;

- TETANUS-DIPHTHERIA-PERTUSSIS (Tdap) VACCINE: Routine booster of Td vaccine should be given at 10-year intervals;
- Seasonal influenza vaccinations and, at the request of the facility, vaccination for other strains of influenza;
- And any other immunizations that may be required by clinical agencies.

8. Provide proof of Health Insurance and validation of health insurance annually.
9. Complete a Criminal Background check.
10. Complete Drug Screening.

## RN Option Program Admission Requirements:

### Program Requirements

Registered Nurses who are interested in earning a Bachelor of Science in Nursing must provide documentation of graduation from an associate degree or diploma nursing program accredited by the Accreditation Commission for Nursing Education at the time of graduation, and approved by the Oklahoma Board of Nursing, or from the Board of Nursing in which License was obtained at the time of graduation. For full admission to the upper division nursing courses, these students are required to meet the following criteria.

Registered Nurses applying for the RN option must meet the following requirements for full admission to the upper division nursing courses:

1. Complete online Graduate and Professional Studies admission requirements.
2. Completion of the all general education studies.
3. Graduation from an Accreditation Commission for Education in Nursing (ACEN) accredited program which was approved by the state Board of Nursing in which the license was obtained at the time of graduation.
4. Proof of and maintenance of unencumbered licensure to practice as a Registered Nurse in Oklahoma and/or any other state.
5. Provide documentation of immunization requirements for assigned clinical experiences.

### Immunizations

- HEPATITIS B VACCINE with dates of each injection or declination completed. A complete Hepatitis B vaccination series (series of three or

waiver) is required;

- Negative tuberculin skin tests(s) (in conformity with the Oklahoma State Department of Health's guidelines, as expressed at Oklahoma Administrative Code 310:667-5-4) **or** negative chest x-ray;
  - VARICELLA (chicken pox): A two injection series; a written verification of varicella history, varicella vaccination **or** a varicella titer by a physician or a physician's designee;
  - MEASLES, MUMPS and RUBELLA (MMR) vaccination(s) **or** positive titer(s), including two appropriately spaced doses of the measles and mumps vaccines **or** positive mumps and measles titers;
  - TETANUS-DIPHTHERIA-PERTUSSIS (Tdap) VACCINE: Routine booster of Td vaccine should be given at 10-year intervals;

  - And any other immunizations that may be required by clinical agencies.
6. Provide proof of Health Insurance and validation of health insurance annually.
  7. Complete a Criminal Background check.
  8. Complete Drug Screening
  9. Any Non-Native English Speaker (NNES) student is required to score a level 8 or higher on the OBU Intensive English Program's (IEP) English Placement Test prior to admission to the College of Nursing. A Non-Native English Speaker may self-identify or may be identified by faculty or admission counselor. When identified, the NNES will be directed to the IEP program for evaluation (iep@okbu.edu). A student who fails to score a level 8 can choose to participate in the OBU IEP program for remediation. A level 8 on the English Placement Test must be achieved by the third attempt.

### **Nursing Certificate Programs**

The Nurse Educator Certificate Program is for post masters nursing majors who would like to gain the expertise needed to impact the next generation of nurses in the classroom. This program is geared toward effective strategies in nursing education, curriculum design and evaluation. A practicum experience is designed to allow student to participate in classroom and clinical instruction.

The Global Nursing Certificate Program is for post-master's nursing majors who wish to expand their impact cross-culturally. This certificate program will expose the student to global health, epidemiology and cross cultural nursing. It will give students the perspective needed to lead others in global health endeavors.

### **Nursing Certificate Program Admission Requirements:**

1. Complete online Graduate and Professional Studies Application
2. Submit validation of a Masters in Nursing from a program accredited by an approved nursing accrediting body
3. Submit official transcript(s) reflecting work from all colleges or universities contributing to your degree
4. Completed application form
5. Submit a current resume
6. Complete a statement of purpose
7. Submit two Recommendations
8. Submit validation of a current license to practice professional nursing in the United States

## Continuing Education

The Continuing Education Program allows OBU faculty to respond quickly to the changing needs of adults in the campus community and the community at large. Courses in topics of timely interest can be fielded as the need arises and offered on schedules planned with the working person in mind. Credit may be for academic hours or for Continuing Education units as needed.

## Integrated OBU Bachelor's Degree/MBA Degree Program

Students at Oklahoma Baptist University are more likely to complete their bachelor's degrees in four years than at most colleges in the region. Now, our Integrated Bachelor's Degree/MBA Degree Program gives you the chance to complete both undergraduate and graduate degrees in five years.

No matter what your discipline of study, you can begin work toward a Master of Business Administration degree at OBU while completing your undergraduate degree. You don't have to major in a business field to qualify for the integrated program. You only need to complete the prescribed 12 hours of business courses and meet other College of Graduate and Professional Studies admission standards before provisional admission to the OBU MBA program will be granted. For more information, review the College of Graduate and Professional Studies portion of this catalog.

## Integrated OBU Bachelor's Degree/MFT Degree Program

Through an integrated program, OBU provides the opportunity for students from all disciplines to begin work toward a Master of Marriage and Family Therapy degree while completing an undergraduate degree at OBU. Through the program, students from any academic discipline can pursue completion of both a bachelor's degree and a master's degree within approximately six years. For more information, review the College of Graduate and Professional Studies portion of this catalog.

## Joe L. Ingram School of Christian Studies

The Joe L. Ingram School of Christian Studies, formerly the Ministry Training Institute, offers courses in Christian studies through online and off-campus centers located throughout the state of Oklahoma and other states. The SCS provides college-level courses which can be applied toward a variety of ministry certificates, a Diploma, an Associate of Arts Degree, or a Bachelor of Arts Degree in Christian Studies. Courses are taught by qualified faculty using materials prepared by members of the College of Theology and Ministry. This program is conducted in cooperation with local Baptist entities, and is under the direction of the Director of SCS and the Dean of the Herschel H. Hobbs College of Theology and Ministry.

The Washington Higher Education Coordinating Board has determined that the Oklahoma Baptist University qualifies for religious exempt status from the Degree Authorization Act for the following programs: Diploma in Christian Studies, Associate of Arts in Christian Studies, and Bachelor of Arts in Christian Studies. Any person desiring information about the requirements of the Act or the applicability of those requirements to the institution may contact the Board at P.O. Box 43430, Olympia, WA 98504-3430.

### Admission Requirements

## Travel-Study Programs

OBU believes that living and studying in a culture other than one's own greatly enhances personal and spiritual growth as well as educational and career development. OBU operates excellent summer and January Term courses abroad, administered by OBU faculty especially for students' areas of interest. The University has a student-faculty exchange agreement with Seinan Gakuin University in Japan for those interested in Asian studies. OBU students are also encouraged to consider a wide variety of semester or year abroad programs run by reputable, high-quality educational institutions on every continent. What distinguishes OBU's International Studies is the determination to place each student in the program most appropriate to the specific needs, interests, and abilities of that individual.

Other study opportunities in international settings are available to students through cooperative arrangements between OBU and other Christian colleges and universities. OBU is a member of the Council for Christian Colleges and Universities and the Consortium for Global Education, an association of Southern Baptist Colleges and universities. Each of these organizations is committed to providing opportunities for students to study and do service projects overseas.

## January Term

January Term offers students a three-week session to complete courses in a compressed format. OBU also offers unique January Term courses which provide focused learning or missions experiences. January Term enrollment is required for all first-year students.

Students who register for at least one January Term course, and who resided in campus housing during the preceding fall semester or will reside in campus housing for the following spring semester, are eligible for free campus housing during the three-week term. Meal plans must be purchased separately.

During January Term, OBU offers a mandatory tuition-free First-Year Experience course for all first-year students.

Two other tuition-free courses will be required for qualifying students beginning in January 2011. Freshmen who are on academic probation from the preceding fall semester will be required to take a tuition-free Success 101 course during January Term. Students on academic probation from the fall semester who have previously taken Success 101 will be required to take Success 102 during January Term.

## Summer Session

A summer session of eight weeks (including two mini-terms of four weeks, which may be taken separately if desired) allows students to take up to 12 hours of work. Summer offerings are scheduled on demand and are comparable in content to the courses offered in the fall and spring semesters.

## Southwestern Baptist Theological Seminary

OBU serves as a satellite campus for Southwestern Baptist Theological Seminary of Fort Worth, Texas. Faculty employed by the seminary provide instruction leading to the Master of Divinity and Master of Arts in Christian Education degrees. Contact OBU's Dean of Spiritual Life for further information.

## Air Force Reserve Officer Training Corps (AFROTC)

Air Force ROTC courses are available through a cooperative agreement between Oklahoma Baptist University and the University of Oklahoma.

This "cross town" agreement allows students to commute to the University of Oklahoma one or two afternoons per week to attend Air Force ROTC classes while continuing their studies at Oklahoma Baptist University. Students who attend Air Force ROTC at the University of Oklahoma under the agreement pay only for the semester hours that they take. Most fees and additional costs are waived.

Students who enter the Air Force ROTC program during the first half of the four-year program enter the General Military Course (GMC) of study on a noncompetitive basis. If they elect to go on, students compete

for entry into the Professional Officer Course (POC), the second half of the four-year program, be first being selected to attend Field Training in the summer prior to the junior year. Selection is based on a recommendation by the instructor of aerospace studies, GPA, Air Force Officer Qualifying Test score and a physical fitness test.

Those completing the program compete for a commission as active duty Air Force officers and serve for a minimum of four years. Scholarships are available on a competitive basis that may be used at Oklahoma State University at Oklahoma City.

Any questions concerning Air Force ROTC or aerospace studies course descriptions should be addressed to

The junior and senior years consist of activities classified as leadership and management experiences. They involve planning and directing activities of the cadet corps by applying the Air Force ROTC Training Manual and lessons learned in the other AERO courses. Leadership Laboratory also includes interviews, guidance and information that increase the understanding, motivation and performance of cadets.

## Focus On The Family Institute

Through a cooperative agreement with Focus on the Family Institute, OBU students may take a semester of courses for credit in Colorado Springs, Colorado. Students interested in this program should contact the Senior Vice President for Academic Services.

## Off-Campus Semester and Summer Programs

The Council for Christian Colleges and Universities (CCCU), an association of more than 100 institutions in the U.S. and Canada, offers the following semester and summer programs to students of its member institutions. The programs provide a unique opportunity for students to make the world their classroom, going beyond the confines of the traditional classroom. These interdisciplinary learning opportunities are available to upperclass students. For further information, contact either the Academic Center or the CCCU.

## Semester Programs

### American Studies Program (ASP)

Founded in 1976, the American Studies Program has served hundreds of students from member institutions as a “Washington, D.C. campus.” ASP uses Washington as a stimulating educational laboratory where collegians gain hands-on experience with an internship in their chosen field. Internships are tailored to fit the student’s talents and aspirations and are available in a wide range of fields. They also explore pressing national and international issues in public policy seminars which are issue-oriented, interdisciplinary and led by ASP faculty and Washington professionals. ASP bridges classroom and marketplace, combining biblical reflection, policy analysis and real-world experience. Students are exposed to on-the-job learning that helps them build for their future and gain perspective on the calling of God for their lives. They are challenged in a rigorous course of study to discover for themselves the meaning to Christ’s lordship in putting their beliefs into practice. The aim of the program is to help Council schools prepare their students to live faithfully in contemporary society as followers of Christ. Students earn 16 semester hours of credit.

### China Studies Program (CSP)

The China Studies Program enables students to engage this large and intriguing country from the inside. While living in, and experiencing Chinese civilization firsthand, students participate in seminar courses on the historical, cultural, religious, geographical and economic realities of this strategic and populous nation. In addition to the study of standard Chinese, students are given opportunities such as assisting Chinese students learning English or working in an orphanage, allowing for one-on-one interaction. The program introduces students to the diversity of China, including Hong Kong, Beijing, Shanghai, Xi’an and Xiamen. This interdisciplinary, cross-cultural program enables students to deal with this increasingly important part of the world in an informed, Christ-centered way. Students earn 16 semester hours of credit.

### Contemporary Music Program (CMP)

The Contemporary Music Program provides students the opportunity to live and work in the community while seeking to understand how God will have them integrate music, faith and business. Both interdisciplinary and multidisciplinary in nature, the CMP offers two tracks: the Artist Track and the Executive Track. The Artist Track is tailored to students considering careers as vocalists, musicians, songwriters, recording artists, performers, producers and recording engineers. The Executive Track is designed for business, arts management, marketing, communications and other majors interested in possible careers as artist managers, agents, record company executives, music publishers, concert promoters and entertainment industry entrepreneurs. Both Artist and Executive Track students receive instruction, experience and a uniquely Christian perspective on creativity and the marketplace, while working together to create and market a recording of original music. Both tracks include course work, labs, directed study and a practicum. Students earn 16 semester hours of credit.

### Honours Programme-CMRS, Oxford (HP-O)

Honors and other highly qualified students have the exciting opportunity to study in England through this interdisciplinary semester in Oxford. The rigorous academic program, aimed at increasing critical thinking skills and scholarship from an integrated Christian perspective, allows participants to choose from a wide variety of tutorial study programs in numerous disciplines, including the arts, religion, history, literature and philosophy. In addition to two tutorials, students participate in a seminar and an integrative course through which they produce a scholarly project or term paper. Field trips provide opportunities for experiential learning in England’s rich historical setting. Students earn 16 semester hours of credit.

### Latin American Studies Program (LASP)

Students of CCCU colleges have the opportunity to live and learn in Latin America through the Latin American Studies Program, based in San Jose, Costa Rica. The program introduces students to a wide range of experiences through the study of the language, literature, culture, politics, history, economics, ecology and

religion of the region. Living with a Costa Rican family, students experience and become a part of the day-to-day lives of typical Latin Americans. Students also take part in a service opportunity and travel for three weeks to nearby Central American nations. Students participate in one of four concentrations: Latin American Studies (offered both fall and spring terms); Advanced Language and Literature (limited to Spanish majors and offered both fall and spring terms); International Business and Management (offered only in fall terms); and Tropical Sciences (offered only during spring terms). Student in all concentrations earn 16 semester credits.

### **Los Angeles Film Studies Center (LAFSC)**

The Los Angeles Film Studies Center is designed to train students of Council institutions to serve in various aspects of the film industry with both professional skill and Christian integrity. Students live, learn and work in the LA area near major studios. The curriculum consists of two required seminars focusing on the role of film in culture and the relationship of faith to work in this very influential industry. In addition, students choose two elective courses from a variety of offerings in film studies. Internships in various segments of the film industry provide students with hands-on experience. The combination of the internship and seminars allow students to explore the film industry within a Christian context and from a liberal arts perspective. Students earn 16 semester hours of credit.

### **Middle East Studies Program (MESP)**

This program, based in Cairo, Egypt, allows Council students to explore and interact with the complex and strategic world of the modern Middle East. The interdisciplinary seminars give students the opportunity to explore the diverse religious, social, cultural and political traditions of Middle Eastern people. In addition to seminars, students study the Arabic language and work as volunteers with various organization in Cairo. Through travel to Israel, Palestine, Jordan, Syria and Turkey, students are exposed to the diversity and dynamism of the region. MESP encourages and equips students to relate to the Muslim world in an informed, constructive and Christ-centered manner at a time of tension and change. Students earn 16 semester hours of credit.

### **Russian Studies Program (RSP)**

RSP students are exposed to the depth and diversity of the culture during a semester spent in Russia's three largest cities: Moscow, St. Petersburg and Nizhni Novgorod. In addition to three seminar courses entitled History and Sociology of Religion in Russia; Russian Peoples, Cultures and Literature; and Russia in Transition, students receive instruction in the Russian language, choosing either 4 or 6 semester hours of language coursework. For those choosing 4 hours of Russian, a seminar course, International Relations and Business in Russia, is available. RSP strives to give students as wide an experience as possible in this complex nation, beginning with time in Moscow, the heart of both medieval and modern Russia. Students then spend 12 weeks in Nizhni Novgorod, a strategic city on the Volga River. After six weeks of language instruction, students live with a Russian family for the remainder of their stay in this city. Students also participate in a service opportunity in Nizhni Novgorod. The program concludes with time in the complex and intriguing city of St. Petersburg, the Russian "window to the West." Students earn 16 semester hours of credit.

## **Summer Programs**

### **Summer Programme - CMRS, Oxford**

This program allows students to spend a summer term studying at the Centre of Medieval and Renaissance Studies (CMRS) in Oxford, England. The program includes multidisciplinary study of the Renaissance and Reformation through examination of philosophy, art, literature, science, music, politics and religion of early modern Europe in a choice of lectures, seminars and field trips. Students earn 6-9 semester credits, which are administered directly to member institutions by CMRS. Worth 6-9 hours of credits.

## Summer Institute of Journalism (SIJ)

Council campuses are invited to choose two student journalists to apply for this four-week, all-expenses-paid experience in Washington, D.C. Fifteen students are selected to participate in the Institute, which lasts from mid-May to mid-June. The Institute blends classroom experience with hands-on work and provides excellent opportunity to learn through lectures and panels with leading journalists who share a strong Christian commitment. Students also participate in seminars taught by communications professors from Council member institutions, take part in field trips and complete workshop projects for hometown newspapers. SIJ provides valuable insight and training in gathering and writing news, editing copy and designing layout. The institute develops students as Christian journalists - exhibiting both professionalism and legal/ethical integrity. Students earn 4 semester hours of credit.

## Oklahoma Baptist University Lectureships

### Hobbs Lectureship

The Herschel H. and Frances J. Hobbs Lectureship in Baptist Faith and Heritage was OBU's first endowed lectureship.

Friends of the late Dr. Hobbs, who was longtime pastor of First Baptist Church, Oklahoma City, and the late Mrs. Hobbs created this endowed fund in honor of the couple's years of outstanding Christian service.

The Hobbs Lectureship program sponsors a lecture on the OBU campus every semester. The lectures are designed to help students grow in their knowledge of Baptist theology, Baptist history, studies of the Bible and other related themes. The lectureship began in the fall of 1980.

### Gaskin Lectureship

The J.M. Gaskin Lectureship was established by friends of Dr. J.M. Gaskin and advocates for the preservation of Oklahoma Baptist history and heritage. The objectives of the lectureship are to provide and sustain a series of lectures which will preserve and promote the study of Oklahoma Baptist history and heritage. These lectures are made available to OBU students, many of whom will be future leaders of churches in the state.

The lectureship also is designed to honor and recognize the significant contributions of Dr. Gaskin, Oklahoma Baptists' first historical director. The Gaskin Lectures began in 1992 and are given every fall semester.

### Minter Lectureship

The Minter Lectureship in American Business Practice is underwritten by 1940 OBU graduate Lloyd G. Minter of Bartlesville. His desire to help OBU religious vocation students broaden their understanding of the business community led to establishing the innovative lecture series. The annual series began in 1991 and is hosted every spring semester on the OBU campus.

The rationale behind the Minter Lecture Series is that adding a sound understanding of the business world to the educational experience of church ministry majors can broaden their ability to minister effectively.

The Minter Lectureship is designed to provide orientation and training for those students in the history and nature of the American economic system and to help the students understand and appreciate the business/professional community. It also promotes proper management of personal finances.
